THE SILVER PLATFORM.

The silver convention (the Republican State Convention) unanimously adopted the following platform:

[illegible] and adopts the platform of the Republican State Convention held in Virginia City on the 20th April last, as follows:

Resolved, That we reaffirm the Republican faith of the Western democracy [illegible] of Thomas Jefferson [illegible] the free and unlimited coinage of both gold and silver at the ratio of 16 to 1, without waiting for the concurrence of any other nation, and we demand the repeal of the act of 1873 demonetizing the silver dollar, and we demand that the free and unlimited coinage of silver be restored at the ratio of 16 to 1 [illegible] money [illegible] of money shall rest with the people in accordance with the spirit of the constitution.

Resolved, That we [illegible] the action of President Harrison in [illegible] the interests of the people [illegible] to elevating any person to the office of President who is not known to be unequivocally for the free coinage of both gold and silver at the ratio of 16 to 1.

In view of the insincerity and attitude of President Harrison to the paramount issue of the remonetization of silver, it is the convention will make no nominations for President [illegible] the State Central Committee to be appointed by this convention shall have the authority to put in nomination electors.

The Convention cordially endorses the vigorous efforts of our Senators and Representatives to secure the free and unlimited coinage of silver, and the educational work that they have done in presenting the true issue between the money powers and the bondholders and laborers and producers of wealth.

And we favor the continuation of agitation and concentration for the free and unlimited coinage of silver at the present ratio of 16 to 1, for their own benefit and for the benefit of the people at large—miners, farmers, laborers and mechanics.

The citizens of Nevada, representatives of the various silver leagues, irrespective of past party affiliations, in convention assembled, do set forth the following declaration of principles:

First. We demand the full remonetization of silver and the free and unlimited coinage thereof, at the present ratio of 16 to 1.

Second. We pledge an earnest and unalterably opposed to the National Republican and Democratic parties on the question of the free coinage of silver, and we denounce the action of the recent national conventions as inimical to the material interest of the people of the United States, and especially to those of Nevada, and of the other mining states, and we therefore [illegible] the nominees of said conventions.

Third. We pledge the nominees of this convention for Presidential electors to support no man for President or Vice-President of the United States who is not unequivocally in favor of free coinage as defined by this convention. We reserve to the silver leagues of Nevada, in Convention assembled, the right of directing said Presidential electors for whom to cast their votes, should contingencies require.
