The five [illegible] of the Free [illegible] State Convention unanimously adopted [illegible] yesterday [illegible]

The [illegible] adopt the platform of the Republican State Convention, held [illegible] at Carson on the 27th of April last [illegible] follows:

Resolved, That we condemn the Republican party of the Nation [illegible] President Harrison and [illegible] have fully [illegible] complied the [illegible] plete remonetization of silver [illegible] to [illegible] laws providing [illegible] free and unlimited coinage [illegible] that metal.

Resolved, That the [illegible] of silver to the place it [illegible] previous to the passage [illegible] Mint Act of 1873, is essential to the prosperity of the country [illegible] paramount to all other political considerations. The legislation which robbed silver of its [illegible] functions and denied to the people of Nevada the right to [illegible] the same coined into money upon the same terms and conditions which apply to those inhabitants of [illegible] deprived of [illegible] half, and enabled the [illegible] money and [illegible] money to [illegible] the country [illegible]

Resolved, That the [illegible] Nevada [illegible] aged [illegible] up to the [illegible] difficulties [illegible] of gold, and that [illegible] elevating [illegible] is not [illegible] in the United States [illegible] fall with [illegible] of silver.

In view of the [illegible] attitude of President Harrison [illegible] patronage and influence of the [illegible] Democratic party [illegible] of silver, [illegible] Convention will make no nominations for Presidential electors and the State Central Committee [illegible] this convention shall have no authority to put in nominations for electors.

The Convention [illegible] endorses the vigorous efforts of our Senators and Representatives to secure the free and unlimited coinage of silver, and the educational work that they have done in presenting the true issue between the money power and the bondholders [illegible] producers of wealth.

And we pay a [illegible] tribute of admiration and [illegible] for the fearless [illegible] United States Senator [illegible] silver [illegible] present [illegible] for the [illegible] the people [illegible] Senator from Nevada, Honorable [illegible] Stewart.

The citizens of Nevada, representatives of the various silver leagues, irrespective of [illegible] party affiliations in convention assembled, do set forth the following declaration of principles:

First. We demand the immediate remonetization of silver and the free and unlimited coinage thereof, at the present ratio to gold.

Second. We are in [illegible] and unalterably opposed to the [illegible] a Republican [illegible] President [illegible] parties in the [illegible] of the [illegible] of silver and we [illegible] the [illegible] to [illegible] coin [illegible] in [illegible] since the [illegible] 1873 [illegible]

Third. We [illegible] to this convention [illegible] support [illegible] President or Vice-President [illegible] United States who does [illegible] in favor of free [illegible] as defined by this convention. We reserve to the silver leagues of Nevada, in Convention assembled, the right of directing said Presidential electors for whom to cast their votes, should contingencies require. GEO.
