EDITORIAL NOTES.

During the week just closed Oliver Wendell Holmes was laid away to rest. He was the quaintest, most original and most sensible of all American writers. His humor was always clean, his logic terse and scholarly, and his poems will always live in the hearts of entire[illegible] people. He was a lovable, sympathetic man and death had its terror taken from him [illegible] His life had been full of sunshine and [illegible] will never be filled. The good old "Autocrat of the Breakfast Table" led a pure life and from the day he penned the delightful imagery of the "Chambered Nautilus" to his death, his fame as a poet and philosopher has been a part of America's literature.

The News promised its readers if it was mistaken about Jones to make proper apology. So far no apology has appeared. The character of an honest man has been wantonly assailed and now that the defense on the charges has been clear and explicit, it would seem that it would not take long to make the amends honorable. The News and the charges the Enterprise copied them Yesterday the people scanned the columns of these papers in vain. There was no apology in either. They simply had nothing to say, but their silence spoke volumes.

"Tip Top" Buddington, who has been stirring up strife among Silver men here for a month or more, is said to be in the employ of the National Republican Central Committee [illegible] Railroad company [illegible] Nevada.

[illegible] at State Dem. [illegible] W. Dangerfield of Douglas and A. E. [illegible] of Eureka county have over and over again withdrawn from the People's ticket, but the secretary of State insists that these men shall be on the ticket. The sage Republicans will [illegible] a few chances at keeping up the people's bogus ticket even on [illegible] Ticket—Good Luck—Will.

The free coinage of silver is gaining ground everyday, and it will no longer be a "heresy" in Nevada to retain the [illegible] position taken two years ago. Our political "enemy" [illegible] we have no standing as a party [illegible] following, it [illegible] to take it as a party [illegible] of the Silver party platform [illegible] to stand, and will [illegible] in good standing in the Silver party [illegible] who did not [illegible] experience in [illegible] Democratic [illegible] Democrats who [illegible] the Silver party platform [illegible] Democratic [illegible] Democrats who [illegible] Democratic [illegible] Democrats who [illegible] Democratic [illegible] Democrats who
