The way the firecrackers went off last evening caused some people to think there was a Chinese New Year being celebrated instead of a Republican speaking.

Queries Regarding Randall.

ED. APPEAL:—In looking over the published tax list for the year 1894, I found the name of W. R. Randall. To ascertain the correctness of the list, I called on Auditor Ellis and examined the roll. Not finding his name there I asked to be shown the roll for 1893, 1892 and 1891. The roll shows that Mr. Randall was assessed in the years 1892 and 1893, or furniture $50, but nothing before or since.

Query: Does Mr. Randall own a dollar's worth of property in this county of any kind? Or is Mr. Kersey partial to his friends? Or was he careless in assessing?

THE REPUBLICAN CONSPIRACY.

HOW CURLER AND DOUGHTY FIXED THE BUSINESS.

Doughty Merely a Republican Cat's Paw.

The Republican Party early in the campaign looked over the situation. They saw defeat staring them in the face. They realized the earnestness of the silver sentiment in this State. They felt the utter hopelessness of making a square, open fight on issues backed up by the Republican party's past record on silver. These abandoned political desperadoes, convinced that the only hope of success lay in the diversion of the silver forces, commenced a quiet and subtle sowing of distrust. A few men whose cupidity and innate vanity could be pandered to, were selected as fit instruments for this nefarious work. A large number of honest and sincere Populists were worked upon. Once started the dissentions were rapidly fanned into flames of bitterness. At the solicitation of et and through the instrumentality of Republicans, the sore headed sentiment was crystalized into party organization. Their work was only half done now. With characteristic generosity they assisted in the selection of candidates. Doughty was nominated for Congress. Doughty is a brother-in-law of Summerfield, who with Collins prostitutes the principles of true Republicanism. Doughty spent most of his time in Summerfield's office prior to and subsequent to his nomination for Congress. It is a well known fact that Summerfield, who is a Republican candidate for State Senator from Washoe county, wields a great personal and family influence over Doughty. Here was a fit and willing instrument with which to accomplish the defeat of the head of the Silver ticket and thereby let Bartine step in. Curler, one of the veriest demagogues, who two years ago was the recipient of esteemed monetary consideration from the Silver party, and from whose hands he sought the nomination this fall, actuated by revenge, was selected to accompany Doughty.

The Republicans sent him into the eastern part of the State, where they would appeal to prejudice and take votes from Newlands. If both parties to this unholy alliance deny it, we ask them the following questions and let the public draw their own inferences.

Why have the Republican papers on all occasions treated with such distinguished consideration the Curlerites? Is it a common thing, this tender solicitude for political opponents' feelings? Masters of vituperation and abuse, does anyone suppose the journalistic trinity constituting the goldbug press of Nevada would be so sparingly of the Curlerites unless they deemed them valuable allies? These same papers denounced them two years ago. Why this change of heart? The glitter of gold is the throne before which these sycophantic asylucks bow. Have they suddenly discovered the germs of statesmanship in Doughty? Why did a Republican in Eureka ask the commissioners for the use of the court house for Doughty to speak in? Why did Republicans meet them with a warm reception and tender them the freedom of the city? Why did Republicans preside? Why did Republicans applaud Curler's sentiments? Why did the Republicans of Austin, Elko and Winnemucca proffer the same sympathetic support?

The Republican Meeting.

There was a large audience to greet the candidates on the Republican State ticket at the Opera House last evening. Bartine and Cleveland were the principle speakers and were enthusiastically received. The fair sex were out in full force.

THE EMPIRE RALLY.

The Banner Precinct Greets the Silver Candidates.

Last evening a train of silver men visited Empire and were received with anvils and bonfires by the citizens. Empire fairly sustained its reputation as the banner precinct of the county last night. The hall was crowded with enthusiastic silver men.

The meeting was called to order with Sam Longsbaugh in the chair and the speaking was done by John E. Jones the Editor of the APPEAL and the county candidates.

Mr. Davis spoke on the financial saving that the party had secured to the county and as he quoted from the books of the county, Mr. Ellis, County Recorder, corroborated him in every particular. The APPEAL is willing to leave the verdict to the voters of Empire as to whether the statement made by John D. Kersey regarding this financial statement is true or false.

Mr. Folsom, Dr. Herrick and Mr. Lesbaise addressed the meeting and were received with applause and cheers.

When the Gubernatorial candidate rose to speak he received an ovation. Kinney and McGowan were given a warm reception by the packed audience.

Auditor Ellis also reviewed the saving affected by the Silver party and stated that his books were open to inspection at all times.

After the meeting, which adjourned with three cheers and a tiger for the ticket, was over, there was a ball and the candidates took in the town.

The citizens regard it as the most enthusiastic meeting of the campaign and pledge a handsome majority to Silver on Tuesday.

Notice.
