DANGEROUS JOB.

Three Game Wardens Killed, Nine Wounded, Fifteen Shot At, and Two in Jail.

"It is mighty tough being a game warden in this State," said Secretary Kalbfus, of the State Game Commission, Monday morning. "In the past year," he continued, "three game wardens have been killed, nine wounded, fifteen shot at, and two are in jail charged with murder. One was shot near Altoona on Friday last, and badly wounded, and one was killed in Schuylkill county yesterday, and his murderer is still at large.

"The two men in jail in Wilkes Barre caught a Hungarian shooting robins, and when they tried to arrest him he fired point blank into their faces. They shot him in self-defence, and then were arrested. It is tough that men who are sent to enforce the game laws have so much trouble. And the worst of it is that there are few who sympathize with the unfortunates. Take the case of the two men in jail at Wilkes Barre. I am taking up a collection now from sportsmen in the State, asking fifty cents or a dollar each, to defend these two men, for they are poor and have no money, and the State gives a miserable pittance.

"The worst violators of the game laws are the foreigners They shoot without a license, as the law requires, and they kill everything in sight—song birds, insectiverous birds, game birds, in season and out of season, it is all one to them, they kill anything that wears feathers or fur. On Saturday last Warden Joseph Berrier went over to Enola to arrest a man who was charged with shooting robins. He is a Hungarian, and when he saw Berrier coming, he threw the shells out of his gun and handed it over to him Berrier arrested him and took him before a justice of the peace, who fined him $10 each for shooting 27 robins, and in default of the payment of the fine the fellow was sent to Carlisle jail for 270 days, or ten days for each $10 of fine. In Lancaster county a Hungarian was caught shooting rabbits on Sunday and the justice fined him $10, but he appealed and on the technicality that no fine could be imposed on Sunday he was let go, and he is free now. It is most discouraging to the men who want to see the game laws enforced and the true sportsman given a chance."

To protect the little ones and for the information and satisfaction of mothers the contents of each bottle of that wonderful children's remedy, CASCASWEET, have been placed on every label. Cascasweet is a harmless compound of vegetable extracts that is wonderful in its beneficial effects on the stomach of babies and children. Recommended and sold by Trout's drug store.

BATTLE OVER.

Republicans Win in State; Democrats in County.

STUART BEAT EMERY ABOUT 80,000.

Focht's Majority Over Alexander for Congress 5,000. Miller will Probably be the Senator--Margin Narrow.

Reynolds Successful in Congressional Fight in Nineteenth District But Lost His Home County.

SIPES' MAJORITY 289.

Harry Thompson Wins Legislative Fight in Blair County.

One of the most hotly contested political battles ever fought in this State, came to a close on Tuesday evening. Notwithstanding the fusion on the part of the Independent Republicans and the Democrats, the opposition to the Regular Republican ticket in the State was not sufficiently strong to overcome the immense majorities of the past. A reduction of a majority of half a million, two years ago, to less than a hundred thousand now, should make the fusionists feel that they are making substantial progress.

It is yet too early to give anything like accurate information as to exact results, as the official count of the vote will not be made until noon to-day. The figures given in the table of the vote in this county are, we believe, correct, as they were carefully copied from the returns made yesterday by the Return Judges of the several districts.

The Republican State ticket was elected entire by a probable majority of 80,000, while the County ticket was elected in full, by about 300.

Hughes, Republican, was elected governor of New York. The bitterly contested fight between Reynolds and Thropp of Bedford county for congress, in the Nineteenth District, was won by Reynolds by a majority estimated at 4,000.

Forty two states and three territories held elections Tuesday. In twenty three states a governor and state officers were chosen, and in twenty of them also a Legislature. In ten was elected minor state officers or justices of the Supreme Court; in two of them, Congressmen and a Legislature were the offices voted for; in seven, Congressmen only were elected. In Oklahoma a vote was taken on a state constitution, and in New Mexico and Arizona was settled the question of joint statehood. The latter election was of general interest, there being some opposition to the pooling of the two southwest territories.

Davie Knepper of Taylor, was among the visitors to the County Seat yesterday. It was to suspend the kettle on the tripod used for hanging up hogs when butchering.

The best treatment for indigestion and troubles of the stomach is to rest the stomach. It can be rested by starvation or by the use of a good digestant which will digest the food eaten, thus taking the work off the stomach. At the proper temperature, a single teaspoonful of Kodol will wholly digest 3,000 grains of food. It relieves the present annoyance, puts the stomach in shape to satisfactorily perform its functions. Good for indigestion, sour stomach, flatulence, palpitation of the heart and dyspepsia. Kodol is made in strict conformity with the National Pure Food and Drug Law. Sold at Trout's drug store.

Our old friend J. F. Early of Wells, dropped into our sanctum while in town yesterday to entwine digits with the editor. Foster looks like his digestive apparatus was O. K.

When the tip of a dog's nose is cold and moist, that dog is not sick. A feverish dry nose means sickness with a dog. And so with the human lips. Dry, cracked and colorless lips means feverishness, and are as well ill appearing. To have beautiful, pink, velvet like lips, apply at bedtime a coating of Dr. Shoop's Green Salve. It will soften and heal any skin ailment. Get a free trial box at our store, and be convinced. Large nickel capped glass jars, 25 cents, at Dickson's drug store.

Fined $50.

Alvin Barnhart of Hancock, was fined $50 by Judge Dayton at Martinsburg for opening a letter belonging to his employer and abstracting a check for $130, says an exchange. The scheme was planned by a companion of Barnhart's and the latter made restitution. In view of the extenuating circumstances the court dealt in a lenient manner with the accused.
