POLL TAX PAYMENTS OF NUECES COUNTY AMOUNT TO 1,302

PAYMENTS YESTERDAY TO COLLECTOR OLIVER ONLY FAIR.

But Two More Weeks Remain in Which Poll Tax Receipts Can Be Secured.

Payment of poll taxes at the office of county Collector Oliver yesterday was only fair. A total of 1312 receipts, including all exemptions had been issued up to last night. Of this number more than half have been issued to residents of Corpus Christi.

A pretty race is on between Robstown and Bishop as to which of the two towns will pay the most poll taxes. Up to last night Robstown was leading with 192 receipts compared with 189 issued to Bishop citizens.

But two weeks remain in which poll tax receipts can be secured. Those who fail to pay their poll taxes by the night of January 31 will during the 1914 campaign, barring but scant exception from the candidates and chances of getting coats and breakfasts will be rather remote.

Total payments up to last night follow:

Precinct	Paid	Exempt
City One	183	23
City Two	52	32
City Three	174	67
City Four	101	28
City Five	181	61
Robstown	192	6
Bishop	189	5
Oso	34	4
Alta Vista	13	0
Calallen	23	1
Sherwood	21	2
Tuloso	7	1
Flour Bluff	3	0
Annie Dolan	15	1
Bernardo	19	1
Shoreland	7	1
Total	1302	219

In the city a number of poll taxes are being issued. State of Collector Mulligan. It is expected that 1500 or more poll taxes will be issued in Nueces at the city this year.

The State and County taxes for year 1913 are now due and payable at my office. Penalty of 10 per cent will be added after January 31st, 1914.

E. B. OLIVER, Collector, Nueces County.

JUDGE TIMON RECOVERING

Very Unlikely However that County Judge Will Be Able to Attend Court Tomorrow.

It is doubtful that the County Commissioners' Court will be in session tomorrow as had been expected. County Judge Timon, who has been ill with la grippe since the early part of the month but expected to be able to attend court by Monday, may not do so if his condition continues to improve, and if the weather reduces fair, but it is very likely that the term tomorrow will be continued for several days.

During all of the week Judge Timon had continued to improve and he now expects to be able to leave his room within a very few days, he confided this morning.

The January term of County Court was also scheduled to begin tomorrow morning, but will be postponed for another week. The next term of district court begins on Monday, February 2, four weeks from tomorrow.

Card of Thanks.

To the many kind friends and neighbors who were so kind to me and my children in the recent illness and subsequent death of my wife desire to express my heartfelt gratitude. To the fellow members of the Modern Woodmen especially grateful for the many acts of kindness shown.

WILLIAM SPIRT.

Notice.

The school taxes in the Calallen Independent School District are due and payable at the postoffice in Calallen, on Saturday of each week.

D. L. FULTON, Collector.

INSPECTION OF MUSKETEERS

Local Militia Will Be Inspected By State and Federal Officers On March 11.

Announcement has been made by the adjutant general's department of Texas of the itinerary of the federal and state inspections of the infantry of the Texas National Guard. The inspections will be made by Captain H. S. Wagner, United States Army and Col. E. E. Walker, resident quartermaster of the guard.

The Corpus Christi Musketeers will be inspected on Wednesday, March 11. The complete itinerary of the visiting officers follows:

January 19, Taylor; 20, Temple; 21, Waco; 22, Cameron; 23, Brenham; 24, Galveston; 25, Houston; 26, Orange; 28, Beaumont; 29, Groveton; 30, Timpson; February 2, Marshall; 4, Athens; 5, Corsicana; 7, Mexia; 9 and 10, Hillsboro; 11, Waxahachie; 12 and 13, Fort Worth; 14, Dallas; 17, Kaufman; 18, Greenville; 19, Sherman; 21, Gainesville; 23, Vernon; 24, Crowell; 26, Plainview; March 1, El Paso; 4 and 5, San Antonio; 7, Laredo; 8, Corpus Christi; 11, Brownsville. The inspection will close at Austin on March 14.

BANK REPORTS GRATIFYING

Total Deposits of Two Local Banks Nearly Two and One-half Million.

Reports of the Corpus Christi National Bank and of the First State Bank, made at the close of business on January 12, disclose total deposits of nearly $2,000,000.

The total deposits of the two banks:

Corpus Christi National	$1,452,401.65
First State Bank	492,423.17
Totals	$1,945,824.82

While the deposits of both banks at this time are slightly less than those recorded at the previous call, late October 21, it is considered very gratifying, as at this time of the year the deposits are expected to be lighter than at other times especially during the marketing of crops.

Comparisons considered the deposits in the local banks exceed in the aggregate any other Texas city. Waco a city of 40,000 population has deposits in the national and state banks of that city amounting to approximately $7,000,000 compared with the total deposits of approximately $2,500,000 of this city with a population of 14,000.

APPLEBY PICKS SAM SPARKS

Bell County Man is Being Most Talked of for Governor Says L. E. Appleby of Bishop.

"Sam Sparks of Bell county, for two years state treasurer and for several terms president of the Texas Sheriffs' Association, is the man that is being most talked of as a candidate for the democratic gubernatorial nomination next July," stated L. E. Appleby of Bishop, who yesterday returned from a week's business trip to Hogansville, Waco and other points.

"Many people seem to think that shortly Mr. Sparks will make a formal announcement of his candidacy for the governorship," stated Mr. Appleby, "and when he does I look for a rallying to his support that will prove very surprising to many of the other candidates and very pleasing to Mr. Sparks and his supporters.

"While Mr. Sparks is an anti-prohibitionist, he is not a radical, by any means, and numerous men and professional men, with whom I talked were of the opinion that he is just such a man as Texas now needs as governor.

"State Comptroller W. P. Lane, is the avowed candidate, who is being considered as the strongest pro candidate, and regardless of how many planks that primaries are held by the pros, the general feeling is that Lane will poll a heavy vote next July.

"Beyond saying that he was still in the race for the nomination Mr. Appleby had nothing to say relative to his own candidacy for county judge of Nueces county.

Fred H. Smith left last night for San Antonio for a several days' business trip.

H. Kinsberg, proprietor of the Model Bakery is expected back today from San Antonio where he has been for several days.

BONDSMEN WITHDREW FROM BONDS OF BUD ARNOLD AND P. O. COX

FOLLOWING SUCH ACTION BOTH WERE PLACED IN JAIL.

With Joe Burns, They Are Charged With the Theft of Copper Wire From Phone Company.

Following the request of bondsmen that they be released from the bonds of P. O. Cox and Bud Arnold, Sheriff Wright yesterday afternoon placed in the county jail both Cox and Arnold, who with Joe Burns, are charged with the theft of copper wire from the Southwestern Telephone Company. When the three men were arrested two weeks ago Cox and Arnold furnished bond in the sum of $500 and were released from jail.

The examining trial of the three defendants, in this case, was started last Wednesday morning but was carried over until Monday morning on account of the absence of John Pendergrass, one of the main witnesses for the state. When Pendergrass failed to appear, after having been summoned, Judge Whelan fined him $100 for contempt of court and issued an attachment for him. The state expects to proceed with the examining trial tomorrow morning.

Bellamy Returns.

Deputy Sheriff Oscar Bellamy yesterday morning returned from Crowley, having in custody E. J. Reeves, who by complaint of R. O. Bidwell, proprietor of the Bidwell Hotel, is charged with theft of property valued at more than $50. F. A. Boettiger charged with a similar offense, was arrested early last week in San Antonio. Both Boettiger and Reeves will be given an examining trial early this week before Justice Whelan.

E. W. Thompson Arrested.

At the request of the authorities of Houston county, Sheriff Wright yesterday morning arrested E. W. Thompson, a white man of this city. He is wanted at Crockett to answer to the charge of disposing of mortgaged property. An officer of Crockett is expected to reach here tomorrow to secure the prisoner, who is now in the county jail.

Cantu Case Monday.

The examining trial of Alberto Cantu, charged with statutory assault, is set for tomorrow, before Justice Whelan. The complaining witness in this case is Stella Vasquez.
