### ELECTION ORDER.

An Ordinance to provide for the submission to the qualified tax paying voters of the city of Corpus Christi the question, "Shall the City Council of the City of Corpus Christi, Texas, be authorized to issue the bonds of said city in the sum of three hundred thousand dollars payable in forty years after date and redeemable at the option of said City at any time after twenty years from date thereof and bearing interest at the rate of five per cent per annum and to levy a tax of twenty-five cents, or so much thereof as is necessary on each one hundred dollars of the taxable values of the said City, annually, to pay the interest on said bonds and create a sinking fund sufficient to redeem said bonds at maturity for the purpose of improving, enlarging and extending the waterworks system of said City," and declaring an emergency.

Whereas, the Municipal Waterworks System of the City of Corpus Christi is entirely inadequate to supply a sufficient amount of water to the inhabitants of said City, and the quality of the water furnished is not suitable for the needs of the people, and

Whereas, the said City has secured a permit from the State to appropriate sufficient water for the use of the inhabitants of the City, and it will be necessary to improve and enlarge and extend the present waterworks system in order to secure the advantages of such increased water supply to the inhabitants of the City, therefore,

Be it ordained by the City Council of the City of Corpus Christi, Texas:

Section 1. That an election be held in the City of Corpus Christi, on the 3rd day of September, A. D. 1914, at which election the following proposition shall be submitted: "Shall the City Council of the City of Corpus Christi, Texas, be authorized to issue the bonds of said City in the sum of Three Hundred Thousand ($300,000.00) Dollars, payable in forty years after date and redeemable at the option of said City at any time after twenty years from date thereof and bearing interest at the rate of 5% per annum and to levy a tax of twenty-five (25) cents, or so much thereof as is necessary on each one hundred dollars of the taxable values of the said City annually, to pay the interest on said bonds and create a sinking fund sufficient to redeem said bonds a maturity for the purpose of improving, enlarging and extending the waterworks system of said City."

Section 2. Said election shall be held at the City Hall and Fire Station in Bond Election Precinct No. 1, and the following named persons are hereby appointed managers of said election:

R. T. Savage, Presiding Judge,
E. Cubage, Assistant Judge,
Lester Gunst, Assistant Judge.

Section 3. Said election shall be held under the provisions of Chapter 149, Acts of the Twenty-sixth Legislature, Laws 1899, and the only qualified voters, who are property taxpayers of said city, shall be allowed to vote, and all voters, desiring to support the proposition to issue bonds, shall have printed on their ballots the words, "For the issuance of bonds," and those opposed shall have printed on their ballots the words "Against the issuance of bonds." The manner of holding said election shall be governed by the laws of the State regulating general elections.

Section 4. A copy of this order, signed by the mayor of said city, shall serve as a proper notice of said election, and the mayor is directed to cause notice of the election to be posted up at the places designated for holding said election at least thirty days prior to the date of said election.

Section 5. The fact that there is urgent demand for an increased and improved water supply for the inhabitants of the City of Corpus Christi creates a public emergency and a public imperative necessity, requiring a suspension of the charter rule providing that no ordinance or resolution shall be passed finally on the day it is introduced, and that such ordinance or resolution shall be read at three several meetings of the City Council, and the Mayor having declared that such public emergency and imperative public necessity exists, and requested that said charter rule be suspended and that this resolution be passed finally on the date of its introduction, and that this ordinance take effect and be in full force and effect from and after its passage, it is so ordained.

Passed the 21st day of July, A. D. 1914.

Approved the 31st day of July, A. D. 1914.

(Signed) ROY MILLER,
Mayor of the City of Corpus Christi.
P. J. MULLIGAN,
City Secretary of the City of Corpus Christi.

Irrigates the Blood Knocks Rheumatism
A Remedy That Flushes the Blood from Head to Foot.

To get rid of rheumatism requires that the blood be completely flushed—not a mere makeshift as by salts and pain killers. The long record of S. S. S. is important to know. It has found its way into every section of the nation. It is the most widely used and most widely talked-of remedy there is for all blood troubles. And it is a known fact that rheumatism is primarily a blood trouble.

It is conceded by the closest students of the subject that rheumatism is caused in most cases by an acid condition of the blood and aggravated by the remedies commonly used for relief. In other cases rheumatism is the result of nerve depression; in still others it is the effect of some vitiated blood condition, having been treated with mercury, iodides, arsenic, and other poisonous mineral drugs.

The recoveries of all these types of rheumatism by the use of S. S. S. is a wonderful tribute to the natural efficacy of this remarkable medicine, for it is antiseptic just as naturally, just as specifically, and just as well combined to the most acceptable, most palatable and most readily digested food. Do not fail to get a bottle of S. S. S. today, but before you buy S. S. S. Don't accept a substitute. You will be astonished at the results. If your rheumatism is of such a nature that you would like to consult a great specialist concerning it, write to the Medical Dept., The Swift Specific Co., 536 Swift Bldg., Atlanta, Ga.
