VARDAMAN LECTURE AT HIGH SCHOOL ON MONDAY NIGHT

Former Governor of Mississippi to Lecture at Auditorium at 8:00 O'clock.

Senator Jas. K. Vardaman will deliver a lecture at the High School auditorium tomorrow night at eight o'clock. This the second number of the winter lyceum course, and it is generally expected that this will prove one of the most successful and popular numbers of the entire course.

Jas. K. Vardaman, former Governor of Mississippi and now United States Senator from that state, is a unique figure. In the South, noted for its brilliant orators, he has gained distinction as one of the foremost speakers and lecturers on the economic questions of the day. Concerning Mr. Vardaman, the Des Moines (Iowa) Register says:

"Gov. Vardaman told of going across his state six times while the chief executive officer to take negroes from the hands of mobs, because he wanted to see the country run by law. He said he realized that every time a white man takes the life of any one it is a step toward degeneracy and against law enforcement. Gov. Vardaman tried to show how hard it was to wait for justice to be meted out to such instances, but said: "We want a government by law, not by revolution, and if we are to have it the white man must occupy the position of supremacy. That Abraham Lincoln recognized the whites and negroes would never be politically and socially equal was held by the speaker, when he read a statement of Mr. Lincoln's views saying: "Inasmuch as there must be a division between the superior and inferior, I am in favor of giving the white man superiority."

CHORAL CLUB CONCERT AT K. OF P. HALL THIS AFTERNOON

Well Selected Program Has Been Arranged by Director Mayer—General Invitation to Attend.

An especially attractive program has been arranged for this afternoon's concert at 2:30 at the K. of P. Hall. Because of the enthusiasm exhibited at last Sunday's concert in spite of the inclement weather, it is believed that these Sunday afternoon concerts are destined to become very popular, especially as the Tourist Season is opening and many people will enjoy having a place to which they can take their friends for an hour's pleasure. These concerts are free to the public and on each program some of the very choicest talent of the city will be presented and Mr. Mayer will always sing on them.

Dr. Austin described the London concerts of like character, at last Sunday afternoon's meeting, which originated there some years ago and eventually became so popular that they were attended by thousands of people.

Commencing at 4:30 promptly, the rehearsal of the Big Festival Chorus will begin. The people of Corpus Christi are again urged to recognize the fact that this is a worthy enterprise and entitled to the support and co-operation of every citizen who can possibly give, even a little assistance. The demand upon singers is not exacting and even those who are of the opinion that they have not much voice, are requested to come and lend what assistance they can in order that the chorus may be swelled to one hundred voices as quickly as possible.

The program is as follows, for the concert:

Vocal Solo—"The Publican"—"Vas do Water"—C. J. Rodhouse.

Song Cycle—Summer Time—Clark—Miss Helen Lynch.

Violin Homesome—"Tor Aidin"—Miss Marion Avery Dugger.

Soprano Solo—(a) "In The Time of Roses"—"Richard"—(b) (Selected)—Mrs. Frank Allen.

Vocal Solo—"The Lord is My Light"—"Speaks"—Clarence Mayer.

Be sure to hear Governor Vardaman at the High School Auditorium Monday night at 8:00. Seats reserved at C. C. Book and Stationery Co. (628)

FRISCO CHANGES SCHEDULE BECOMING EFFECTIVE TODAY

Faster Running Time Provided in New Schedule of the Gulf Coast Line.

A new schedule that will meet with warm approval at the hands of the traveling public will today go in effect on the Gulf Coast line of the Frisco. The schedule as revised practically puts into effect the schedule that was maintained until the schedule that last night was changed, was put into effect.

Under the new schedule trains will be operated into and out of Corpus Christi as follows:

Trains depart for Brownsville at 5:20 a. m. and 4:30 p. m. Trains depart for Houston at 6:38 a. m. and 8:45 p. m. Trains from Brownsville will arrive at 11:05 a. m. and 10:25 p. m. and the arrival of trains from Houston will be at 7 a. m. and 6:10 p. m. A standard Pullman sleeper is operated on all night trains between Corpus Christi and Houston.

Schedules of the Brownsville branch of the Gulf Coast lines are tightened up, making a saving of more than an hour in the running time. The changes are made possible through recent improvement of the track.

As soon as the new equipment arrives, which will be some time this month, it will be put into service on the day trains. The cars have steel underframes and are modern throughout. No sleepers will be attached to day trains, the shortening of the time making them unnecessary.

Will deliver you a nice fish this morning if order received before 10:00 a. m. P. H. Watts. Phone 552—313 Starr street. (628)

SPLENDID EXHIBIT TO HOUSTON CARNIVAL FROM THIS COUNTY

PRODUCTS COMPRISING EXHIBIT WERE EXPRESSED LAST NIGHT.

Theodore Kreuz as Representative of Commercial Club Will Be in Charge of Nueces County Booth.

Any county that at the Houston Exposition this week may have a better and more varied exhibit of agricultural and horticultural products than included in the Nueces county exhibit will be entitled to all of the blue, red and white ribbons that the No-Tam-Oh Association may have on hand for bestowal upon prize-winners.

The exhibit that has been gathered by Theodore Kreuz, assisted by County Demonstration Agent Johnson, is probably the best and most complete exhibit of vegetables, grains and fruits that has ever been gathered for exhibition purposes.

Vegetables of All Kinds.

Imagine every kind of vegetable that you have ever heard of, omitting celery, and you will have an idea of the vegetable specimens that have been gathered and that were last night shipped to Houston. Also Soudan grass, milo maize, feterita, Egyptian wheat, sugar cane, oranges, lemons, grape fruit, figs, bananas and other grains, foodstuffs and fruits were included in the shipment.

Upon arrival at Houston the exhibit will be placed in the Nueces county booth and during the week will be viewed by thousands of visitors to the carnival. Mr. Kreuz, as the representative of the Commercial Club of this city will spend the week in Houston and will be in charge of the booth.

Products on Exhibit.

The various products that make up the Nueces county exhibit includes all varieties of grain seed to glass jars corn in the ear, popcorn, California beans, roasting ears, onions, asparagus, asparagus tops, snap beans, tomatoes, fresh Irish potatoes, radishes, cucumbers, egg plants, sweet peppers, milo maize, kaffir corn, Egyptian wheat, broom corn, Soudan grass, sugar cane, oranges, figs, lemons, grape fruit and many other agricultural and horticultural products.

Those Furnishing Exhibits.

The ear corn and milo maize is from the farm of J. H. McKelvey. The many varieties of seed are from the Kreuz farm. The turnips and kaffir corn from the farm of D. M. Dodson. Pitts Carlholm furnished the fruits. The kershaws and onions are from the farm of V. C. Arnold. The Soudan grass is six feet in length and is from the field of I. D. Mussett, from seed secured from Mr. Kreuz and planted last August. Poenisch Brothers furnished the feterita, broom corn and sugar cane. Many other farmers of the county assisted Messrs. Kreuz and Johnston.

On Exhibition Here.

H. W. Schaeffer, is the man who is responsible for the Commercial Club arranging with Mr. Kreuz to secure and take to the Houston Carnival the exhibit. Mr. Schaeffer is chairman of the exhibit committee of the Commercial Club. He stated last night that when the exhibit is returned from Houston that it will be placed on exhibition in some centrally located storeroom in this city, in order that Corpus Christians and visitors in this city may see for themselves what potential possibilities lie in store for those who till the soils of Nueces county with proper energy and knowledge.

WARD ISLAND DEVELOPMENT COMPANY SECURES CHARTER

Papers of Incorporation Filed With Capital Stock of $40,000. Company to Develop Ward Island.

A charter has been granted by the Secretary of State of Texas to the Ward Island Development Company of this city, a concern that proposes to develop Ward Island as a modern amusement park and to also develop adjacent property. The incorporation papers place the capital stock of the company at $40,000. The incorporators are C. Stout, Miss Mabel Caswell and W. G. Blake, all of this city.

UVALDE ROAD YESTERDAY RESUMED TRAIN OPERATIONS

Local Train Schedule of San Antonio, Uvalde and Gulf Has Been Changed.

The S. A., U. & G. Railroad resumed through passenger service to San Antonio last night after an interruption of ten days due to washouts on their tracks. A change in the local schedule has been made, the outgoing train leaving at 6:30 p. m. instead of 5:15 a. m. as formerly. The incoming train will arrive as usual at 8:15 p. m.

C. B. Woodul, local commercial agent for the road, states that extensive improvements have been made on the roadbed during the past few weeks, and the line is now in the best condition. Several culverts and trestles have been constructed, and ballast has been placed.

The officials of the road expect to have little difficulty in maintaining the schedule as announced, as provision has been made against future trouble, caused by excessive rains.

COMMISSIONERS COURT TO CANVASS ELECTION RETURNS

Returns Will be Canvassed at Monday Session of County Commissioners Court.

The County Commissioners Court meets tomorrow morning at 9 o'clock in regular monthly session. The commissioners will canvass the returns of the landslide of last Tuesday and will discuss of other matters requiring the attention of the court. Certificates of election will be issued to those who were elected last Tuesday and at any time within twenty days thereafter they can qualify for office.

On Monday, November 16, County Court meets for the term. It is very likely that the court term of November will be shortened to two weeks. The present court calendar calls for court terms, commissioner each month, and county each two months, making in all five weeks of each eight that Judge Timon must give to the courts. With an arduous campaign just closed and a comparatively light docket it is probable that the term may be shortened to two weeks for the November term.

T. W. Coolidge of San Antonio, E. W. Hall of Aransas Pass, C. T. Andrews of Dallas and W. S. Rainey of Nashville were among last night's arrivals at the Nueces.
