BAPTIST LADIES' AID

The "Get-together" meeting given by the Baptist Ladies' Aid, Thursday February 18, was a success inasmuch as the attendance was large and the spirit of good will reigned throughout the day.

The afternoon program having been given to some expected visitors from Corpus Christi, who failed to attend only a few numbers were given in the afternoon.

CAN'T BEAT "TIZ" WHEN FEET HURT

"TIZ" FOR SORE, TIRED, PUFFED-UP, ACHING, CALLOUSED FEET OR CORNS.

You can be happy-footed just like me. Use "TIZ" and never suffer with tender, raw, burning, blistered, swollen, tired, smelly feet. "TIZ" and only "TIZ" takes the pain and soreness out of corns, callouses and bunions.

As soon as you put your feet in a "TIZ" bath you just feel the happiness soaking in. How good your poor, sick feet feel. They want to dance for joy. "TIZ" is grand. "TIZ" instantly draws out all the poisonous exudations which puff up your feet and cause sore, inflamed, aching, sweaty, smelly feet.

Get a 25-cent box of "TIZ" at any drug store or department store. Get instant foot relief. Laugh at foot sufferers who complain. Because your feet are never, never going to bother or make you limp any more.—Advertisement.

KLEBERG COUNTY FARMERS TO RECEIVE CASH PRIZES

PLAN FORMULATED BY R. J. KLEBERG WILL BE CARRIED OUT BY COMMERCIAL CLUB.

(The Herald Special)

KINGSVILLE, Texas, Feb. 20.—Producers of large crops in Kleberg county are to receive cash prizes from the Commercial Club of Kingsville, according to a plan formulated by Mr. Robert J. Kleberg. Mr. Kleberg's plan includes first, making a large cash contribution to the work of the Texas Industrial Congress, and second, the raising of a fund to be distributed among farmers of the county whose yields according to the records of the Congress are most satisfactory, cost of production considered.

In order to benefit from county contest a farmer of Kleberg county will have to enter the contest of the Texas Industrial Congress, for which there is no charge. This is required because the records of the Congress are to be used in determining the prize winners in the county, and because the Congress and Club believe in the value of the information furnished by the contestants, and is convinced the congress should be unreasonably supported and assisted.

First, second and third prizes have been provided and two smaller prizes will be awarded. These are to be given to the contestants who make the greatest yields in the classes of the Texas Industrial Congress in which they are entered.

Few regulations are imposed in addition to those of the Congress, but contrasted with the Kenedy-Ville Congress of last year an agreement to furnish samples of prize winning crops to the Club for use as a permanent exhibit of Kleberg County products, is required.

Mr. Kleberg's plan will bring about a consolidation of the various agencies engaged in the county for the advancement of agriculture. It will harmonize and utilize the literature, speakers, lecturers, and information of the U. S. Department of Agriculture, the Extension Department of the University of Texas, the State Department of Agriculture, and the Agricultural agents of the railway companies. Both the club and Mr. Kleberg are very optimistic over the present prospects of this particular undertaking.

The price of eyeglasses is going up from 25 to 50 per cent. The blame for this too is laid to the war.

TOOK LOVE NOTE PLEDGE.

CHICAGO, Ill., Feb. 20.—George Le Fils will have to go to jail today unless Judge Sabath is certain that he has kept his "love note" pledge. George is sure he will get by, for he says he has plenty of girls now and does not need to lavish his love missives on Eva Petit, who disliked his appeals for "Just a little kiss," and so had him arrested. George took the "love note" pledge from Judge Sabath, who gave him two weeks to show that his ardor had been curbed.
