UNITED STATES TROOPS ARE MOVING TO MEXICAN BORDER

(Continued from Page 1.)

border patrol will be kept up, however.

THINK TROUBLE IS OVER.

Caller-Herald Special.

SAN BENITO, Texas, August 16.—Either the officers have been doing a good job at exterminating the Mexican outlaws the past few days or else the troublemakers have found the pace too fast for them, for there has been no activity at all in this vicinity, or in most of Cameron County, in fact, during the past couple of days.

The confession by one of the Mexicans engaged in the Norias fight, who is now in jail at Brownsville, gave the officers much valuable information and corroborated the view that the raiders consist of Mexicans from both sides of the Rio Grande.

Opinions are expressed by local ranchmen that if the Mexicans should take notice of successful raids by rangers and troops in Texas and hold the idea is worth to be performed, the raid would be followed by a prompt visit of a strong Mexican force to the south side of the Rio Grande.

The rangers will be left to the best judgment the Board of Directors have—the right to reject any or all bids received.

The bids will be opened by the Board of Directors at a regular meeting of said Board to be held on Thursday September 2, 1915 and should be given as "Proposals for Pumps," and addressed to the Board of Directors of Cameron County Irrigation District Number One, Harlingen, Texas. (23)
