Men are Mighty Particlar—

About their Shoes these days. Formerly Style did not cut much of a figure. It only mattered whether soles were as thick as a beefsteak, toes copper plated and heels benailed like a riveted boiler plate.

But nowadays men demand Style—and more than that, little touches of individuality and personality such as are only found in

ROTARIANS INTERESTED IN CINCINNATI MEET

International Association of Rotary Clubs Will Meet on July 16, 17, 18, 19 and 20.

CINCINNATI, Ohio, May 9.—Preparedness, the European War, Mexican troubles and all other subjects must bow to the weather as a topic of conversation. The weather at Cincinnati in July, during which month the International Association of Rotary Clubs will hold its annual convention, is receiving great consideration by delegates from all over the United States and Canada who expect to attend the Rotary Convention July 16 to 20. The Convention entertainment committee has had issued a statement which must interest not only Rotarians but members of 125 other national and international organizations which meet in Cincinnati this year.

The United States Weather Bureau was appealed to for figures on a five year basis governing the temperature in Cincinnati during the period of the Convention. It was found that the warmest day during such period in five years showed a temperature of ninety-seven degrees. This was the 17th of July 1913. In direct opposition to this a low temperature of fifty-eight degrees was on the 15th of July 1914. The daily average temperature during this period for five years was seventy-seven degrees.

It is pointed out that Cincinnati can blame no other agency than itself for its reputation on temperature. The basic principles of the Weather Bureau, as now operated by the United States Government, were invented at Cincinnati and operated there for a long time by the Cincinnati Chamber of Commerce before the United States Government took over the proposition. Hence, it will appear that hundreds of billions of pounds of wasted compressed air annually expended in conversing about the weather originated at Cincinnati. Any Rotarian who has found the weather available as a topic of conversation, should in justice, attend the 1916 Convention at Cincinnati.

TAKE PO-DO-LAX IN SPRING

In winter our blood gets thick, our pores close, we feel tired and dull when hot days come. What we need is a spring liver tonic, something to rid our system of winter's accumulated waste. Po-Do-Lax will do it. It stimulates the bile, empties the bowels. The organs become more active and in a little while you feel like new. Don't neglect cleaning out your system. Take Po-Do-Lax and you will feel fine. 50c. at your Druggist.—Advertisement.

SHERMAN, May 10.—The thirteenth annual convention of the State Council, Knights of Columbus, in session in Sherman, is one of the most largely attended of those so far held.

The state council is the guest of Sherman Council No. 1289, and the visitors are loud in their praise of the manner in which they are being entertained.

The Edward Furman Parent Teachers will meet Thursday afternoon at four o'clock for the last business meeting of the year.

Mrs. West who represented the Association at the Parent Mothers Congress in Austin, will give her report.

Messrs. E. H. Furman, W. F. Redfield and J. M. Taylor will be hostesses.

Important business matters will come before the Association. All members are urged to be present.

Amusements

Cleo Ridgeley and Wallace Reid in "Their Golden Chance" at the Amusu Today

Widely known in motion picture circles throughout the country, Cleo Ridgeley and Wallace Reid, both of whom frequently have appeared in the principal supporting roles of famous stars, will make their first appearance as co-stars in the Lasky Feature Play Company production "The Golden Chance." This is a play of modern life in its various shades written by Jessie MacPherson and produced by Cecil B. DeMille.

Both Mis Ridgeley and Mr. Reid for some time have been members of the Lasky organization and have won great popularity in Paramount theatres. Miss Ridgeley's last appearance and most notable one was in the title role of the Lasky presentation of the famous stage success "The Chorus Lady." Mr. Reid appeared in the production, but his chief claim of popularity has been by reason of his remarkable performance as Don Jose in support of Geraldine Farrar in the Lasky production of "Carmen."

In "The Golden Chance" these two exceptional artists will be seen to their best advantage. Miss Ridgeley as a poor seamstress suddenly confronted with an opportunity to enjoy for a brief period the luxuries of life and to forget her own poverty stricken state at the chance Cinderella like she meets a financial prince, Wallace Reid, who falls in love with her. Circumstances compel the seamstress to hide her real identity and refuse her golden chance. Subsequently, however, these complications are overcome after a series of exciting and dramatic situations and the audience is given to believe that all ends happily.

Cleo Madison Featured in "Her Bitter Cup."

Cleo Madison, who plays the leading role in the Universal Red Feather production, "Her Bitter Cup," which comes to the Amusu Theatre, Sunday is an ex-

ELKS SELECT SAN ANTONIO

Corpus Christi Lost 1917 Convention Though One Day Visit Here Was Secured

CORPUS CHRISTI lost to San Antonio the 1917 convention of Elks. Reports from Dallas indicate that Sam Sparks, George Green and Jack Cook made a stiff fight for this city in the face of a number of handicaps.

The vote for San Antonio was cast for Corpus Christi was to be as the majority favors to before, each have being allowed a vote for a certain number of members in the home lodges. Twenty-five hundred Elks attended the convention.

The Elks voted however to limit their stay in San Antonio to three days and to spend one of the days of the convention in this city, the Sap and Link providing low rates for the occasion.

League Park has been placed in splendid condition for the opening of the season of the City Football League on Sunday, May 21, uniforms have been secured and all other arrangements perfected according to an announcement made Wednesday by Vann P. Winter, the secretary of the League. All line teams of the League, P. C. National Bank, C. C. Railway and Light Co., Gunderlach Cider Co. and G. C. Printing Co. will be seen in action on the opening day, a holiday besides being the card.

To keep shadows under cut of a per-son's eyes a pair of spectacles has been invented that are fitted to place in a cocked hand under the chin.

CONDITION OF TEXAS FIELD CROPS NOT SO GOOD AS LAST YEAR

WHEAT, IN PARTICULAR, SHOWS SHARP DECLINE IN ESTIMATED YIELD

PRICES GENERALLY LOWER

TEXAS LUNCHEON TO BE SERVED EDITORS OF UNITED STATES

DEPARTMENT OF AGRICULTURE HAS SPLENDID PUBLICITY PROJECT FOR JUNE 19

Members of National Editorial Association Will Be Given Demonstration of Superiority of Texas Products

Mr. [illegible], Commissioner of the State Department of Agriculture, is to arrange a Texas Luncheon in honor of the National Editorial Association at the Waldorf convention in New York June 19th.

Chas. W. Davis, Commissioner of Agriculture, has addressed the following letter to commercial organizations of the state, relative to the luncheon:

"The department of agriculture is planning to serve a menu of Texas grown and manufactured products to the National Editorial Association when convenes in New York June 19, 1916. Last December and we have his hearty co-operation in this project.

"Now, Mr. J. L. Landrum will go to Washington and meet the Executive Committee of the National Editorial Association and have personal conversation of the department. Your experience in the past with the press association will have nothing to do in further Texas interests. If you can attend the dinner we shall be delighted to have you."

HOUSTON, May 10.—Unable to wait after they had waited beyond the month Charles Hunt and Eddie Ho[illegible] were shot about 12 yesterday were dragged out of the county jail by a mob and hanged to trees at the county jail.

WITH THIS COUPON

HERMOSILLO, Mexico, via radio to San Diego, Calif., May 10.—The Americans and one Chilean, officers of an American schooner which was destroyed by fire in the harbor of Guaymas on April 12, have been arrested by Mexican port officials of that city in connection with the loss of the vessel. They will be tried and, if found guilty, will be executed.

FEEL BILIOUS? CALOMEL SICKENS! CLEAN LIVER AND BOWELS MY WAY

DON'T LOSE A DAY'S WORK. IF CONSTIPATED, SLUGGISH, HEADACHY, TAKE A SPOONFUL OF "DODSON'S LIVER TONE."

Listen to me! Take no more sickening, salivating calomel when bilious or constipated. Don't lose a day's work!

Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel when it comes into contact with sour bile crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out," if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour just take a spoonful of harmless Dodson's Liver Tone.

Here's my guarantee—Go to any drug store and get a 50 cent bottle of Dodson's Liver Tone. Take a spoonful tonight and if it doesn't straighten you right up and make you feel fine and vigorous by morning I want you to go back to the store and get your money. Dodson's Liver Tone is destroying the sale of calomel because it is real liver medicine, entirely vegetable, therefore it can not salivate or make you sick.

I guarantee that one spoonful of Dodson's Liver Tone will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tone will keep your entire family feeling fine for months. Give it to your children. It is harmless, does not gripe and they like its pleasant taste.—Advertisement.
