Tyrone Power and Kathlyn Williams in "Sweet Alyssum" at the Amuso Theatre Today

Kathlyn Williams and Tyrone Power in "Sweet Alyssum" an upcoming Bluebird story of the all birds produced by Selig will be the attraction at the Amuso Theatre today, afternoon and night.

The story of the play:

After Daisy Brooks, wife of Roanoke Brooks, finds that the wages of sin are death, the gold-crusted husband, with his daughter Blossoth, repair to a little farm. With the passing years the daughter reaches young womanhood and is known to her father as "Sweet Alyssum", for she, indeed, is lovely, resembling the fragrant little flower of that name.

Wynne, son of Robert Garlan, the man responsible for Daisy Brooks' downfall, is imposed upon by Thorlow, who steals Wynne's wife and causes Wynne to be sought for as a thief, although Thorlow himself is the real crook. Wynne, in terror of arrest, flees and arrives at Roanoke Brooks farm.

Wynne Garlan, under the name of Wyatt, meets "Sweet Alyssum", and they elope and are married. They are forgiven by Roanoke Brooks, who has struck off because of a dream related to him by his beautiful daughter.

Two years pass by and "Sweet Alyssum" has become the mother of a beautiful child. Thorlow, the crook, has not prospered, and, wandering to the oil fields, spies Wynne Garlan. Vindictively, he informs the Sheriff that Wynne is a crook and is guilty of bigamy.

And then how the sturdy Roanoke Brooks vows vengeance on the man he believes has ruined his daughter; how "Sweet Alyssum" gives her life's blood through great love, even being willing to sacrifice her first born; how grim justice takes a hand, the crook is shot, Wynne was quickly indicated or any [illegible] are all vividly presented in one of the most convincing film plays ever released.

She wrote under the pen name of "Frank Danby", a pseudonym which is known wherever English is read. Her real name was Mrs. Frankau and she died but very recently, having lived to learn the pleasure of literary fame in America.

Her first work of importance was published a number of years ago, under the pseudonym title "Pigs in Clover." Her sophomore title "Pigs in Clover." The plays with which all the world and his wife were acquainted, characterized at the time phenomenally successful to her the name of her first novel. This was a tale of [illegible] intrigue and was considered to be one of the most daring books ever written by a woman. She followed this novel with a "Dear Enemy" [illegible] uproarious and was a "real smash" in two countries, with another book given amount, which was called in the opening title of "Dear Enemy" and which dealt with the passion of jealousy.

The success of her romances was great when she produced the story from which the film drama has been made. "The Heart of a Child" is a tale of a little child and of simple affections and pure heart, with pathos in the end. This romance made in the film, like a romance made in the film, like a romance made in the film, like a
