GENERAL PASSENGER AGENT LUPTON HEADED RAILROAD PARTY HERE TO ATTEND SAP DAY AT THE GULF COAST EXPOSITION.

VISITORS WERE GUESTS AT LUNCHEON GIVEN AT NUECES

The bond of friendship between the San Antonio and Aransas Pass Railroad and the people of Corpus Christi was more firmly cemented by action of the officials of the road in "invading" Corpus Christi in force Friday, as a contract in Exposition of Texas and Corpus Christi generally for demonstrating Friday as Sap Day at the Gulf Coast Exposition.

The invasion recalled the fact that for thirty years, and 1916 the San Antonio and Aransas Pass has served the people of Corpus Christi, through both of prosperous and hard times, always loyally supporting its city, and now more merrily. The color officials of the road with J. S. Lupton, General P. Agent, and others here from San Antonio, and others here from Aransas Pass, were joined by a delegation of Corpus Christi men, a delegation from Kingsville and Alice, and a large number of the employees of the road in this city.

It was herald through the streets and was in the Republic traveling passenger agent, and was the first time in the history of the road that the entire force of the road in this city was marched out in a procession.

Several Pass officials and employees of the road were here for the day. At noon they were joined by the Worthwhile Boys' Band and other local people and Business men, a hundred strong, of Alice, Kingsville, Corpus Christi, Aransas Pass and Sinton, marched in a procession to the Nueces Hotel, where a luncheon was served.

NUECES COUNTY CLUB GIRLS AND BOYS TO MEET AT EXPOSITION

MRS. LANDRUM HAS ARRANGED GENERAL MEETING FOR THIS AFTERNOON AT TWO O'CLOCK

Members of Clubs Outside of Corpus Christi Will Be Admitted Free and Extended Courtesies of Worthwhile Shows.

Girls and boys from the farms and the smaller communities of the county, together with the club girls of Robstown, Bishop, Calallen and other larger schools are to be royally entertained at the Gulf Coast Exposition today.

Members of the County Girls' Home Economics Clubs are to meet at the Main Exposition Hall this afternoon at two o'clock for a joint meeting with members of the boys and girls Agricultural Club of the county. Mrs. Landrum has charge of the meeting and is being assisted by County Demonstration Agent H. E. Caldwell and Mrs. E. H. Miles, a Corpus Christi woman who is devoting a large share of her time to work that will make the lives of the children in Nueces county more pleasant and profitable.

The boys and girls are to be admitted free into the Exposition grounds by the Exposition Association and they are also to be extended the courtesies of the Worthwhile Pickwick Chorus Wednesday, that Mrs. Landrum yesterday had been instructed to allow the girls and boys wearing the membership badges into the attractions free of cost.

It is expected that several hundred children will attend the opening which will start promptly at 2 o'clock.

The address will be delivered by Mayor Hulsi who will be followed by Judge W. C. Timon, County Superintendent Nat Dodson, Mrs. Landrum and Mrs. E. H. Miles in short talks.

During the week the various members have been entertained in members of the clubs from Corpus Christi schools. Friday afternoon the girls of the Edward Coppinger school were the guests of the Corpus Christi Business girls at a luncheon given in their honor.

While this campaign is accomplishing its big work it is known to the report of the club work in several of the counties. In Hale county the members of the clubs the organized two years ago have already earned $100 worth of fruits and vegetables. Nueces county girls are just $60 ahead their 1916 earnings from the Exposition period. In the county where the boys and girls are interested in the work that Mrs. Landrum is directing, ten of the members bring in this month.
