DEATH OF AGED LADY.

Mrs. Whitfield Passed Away After Weeks of Suffering.

Mrs. Whitfield, an old citizen of the city, died yesterday morning at her home with her son, J. H. Whitfield, on South Stuart street. The deceased would have been 80 years old next April. She has lived in this city a year coming from Garland.

She was a splendid woman, a member of the Methodist church, living a consistent Christian life.

Her children were all at her bedside when she died. They are J. W. and J. H. Whitfield of this city, G. A. and W. E. Whitfield of New Mexico, Mrs. L. P. Cavness and Mrs. J. W. Fleamor of Garland. A grandaughter was present from Denton, and another from Oklahoma City, also a great grandchild or so from Oklahoma City.

The remains were taken to Garland yesterday afternoon for burial. Rev. J. L. McWhirter of this city conducted services at the home before the departure. At Garland services were conducted by Rev. J. J. Morgan of Terrell, a former pastor of deceased.

The family have the sympathy of many friends in their bereavement.

Cole's Hot Blast

A Stove That is Imitated-Get the Original.

Imitations of the original Hot Blast are many. None of them have the absolutely air-tight and gas-tight construction throughout which Cole's Hot Blast has by reason of its numerous patents. A patented steel collar connects the elbow draft to the stove body and cannot open by action of the fiercest heat. The patented compound hinge on the lower draft cannot warp, and the ash door closes air-tight by its own weight. The patented smoke-proof feed door prevents smoke, dust or gas escaping when fuel is put in the stove. Perfect results, therefore, from soft coal. The heavy fire box protects the points where other stoves burn out first, and insures great durability.

Remember imitations lack the special features because these are fully patented and protected. All imitations soon open up seams and cracks which make them fuel eaters rather than fuel savers.

The name "COLE'S HOT BLAST FROM CHICAGO" will be found on the feed door of each stove. Be sure that you get the "ORIGINAL HOT BLAST." The most economical stove in the world for hard coal, soft coal, wood or cobs. Requires no change for hard coal, wood or soft coal.

"I am much pleased, to be able to write and thank you for what Cardui has done for me," writes Mrs. Sarah J. Gilliland, of Siler City, N. C.

"Last February, I had the Grippe, which left me in bad shape. Before that, I had been bothered with female trouble, for ten years, and nothing seemed to cure it.

"At last, I began to take Cardui. I have taken only three bottles, but it has done me more good than all the doctors or than any other medicine I ever took."
