LOCAL AND OTHERWISE.

Jake Speilman and wife were up from DeLamar on Monday.

Four teams loaded with concentrates from the Summit mill on Monday.

Sheriff Freudenthal was expected home from Salt Lake this morning.

Mrs. Bawden spent several days in town from DeLamar this week on business.

T. J. Osborne visited State Line district on Saturday and Sunday on legal business bent.

The personal property of the Eliza Lawson estate was sold on Tuesday as per notices given.

Frank Wilson and W. J. Dooley went out to State line on Saturday and will spend a week or so there.

Will Hartman, of the Salt Lake Wine Co., was interviewing his friends in town this afternoon.

Candidate's cards, of elegant stock, various tints, fair prices and excellent work, turned out at the Record Office.

If you want to wear a campaign badge get the pin of a gold bug pierced by a silver arrow, designed by Bob Schofield.

Bob Schofield has received a lot of the campaign pins designed by him, that is, a gold bug, pierced by a silver arrow, and is ready to fill all orders.

McKinley men are saying "Protection, Progress and Prosperity." For alliteration that sounds all right, but what is the matter with "Bryan, Bread and Butter?"

A ten-inch seam of high grade ore was opened up in the Old Timer claim last Monday. It will result in more men being put on. May it lead to a bonanza.

Anything wanted in the way of campaign printing can be turned out at the Record office, from a candidate's card or envelope to a three sheet colored poster.

The new officers of the Silver party are C. C. Powning, chairman, and Nat Roff, secretary, both of Reno. This removes the party headquarters to Reno from Virginia city.

The post office has been loaded this week with tax list notices. It will be difficult in some quarters to raise the wherewith to square this annual donation to the government.

A general round up of cattle is in progress in the vicinity of Spring valley. The recent rains have started grass all through the mountains and cattle consequently are in good condition.

Hon. Geo. S. Sawyer left for Parowan, Utah, on Sunday, going via State Line district, to try a suit brought by the Rice Bros. of Spring valley, against parties in State Line who have jumped one of the Rice boy's silver claims.

Mrs. Alex. Harrison spent several days in town last week and this, preparing for shipment to DeLamar, all her household effects. After several days' visit with friends she returned to Lincoln county's metropolis on Tuesday's stage.

Singing has been introduced as the first morning exercise in our public school. Miss Evans of the primary department takes the entire school in charge for this purpose. She is an accomplished musician, and the children already appreciate her efforts to advance them in this very desirable accomplishment.

Bayard T. Bulmer, the Nevada boy who recently passed the competitive examination for the Annapolis Naval academy, has also successfully passed the entrance examination and will begin his studies at once. The boy had just completed his sophomore year at the Reno University, where he was studious and attentive to his work, and was liked by all his companions.

N. Wescoatt died of heart failure at the home of his son, Oscar Wescoatt, at Bellevue, near San Francisco, on the morning of the 8th inst. He was apparently quite well until a few minutes before he died. Mr. Wescoatt was a mining engineer and operated here in the early '70's, going from here to Eureka, where he resided a number of years, and going from there successively to Colorado, Washington, Oregon and finally to California.

Spring valley is securing some substantial additions to its improvements. The latest is a six-roomed cut-stone dwelling which is being built by James Rice on the west side of the valley opposite the old Walker ranch. Oscar and Geo. Rice recently erected a neat dwelling of the same material at the Oscar Rice place. A very beautiful and durable building stone is found along the edges of the valley which is light brown in color and works easily, hardening with exposure to the weather.

The Fusion Convention.

The Democratic County Fusion Convention will be held here on Saturday next. The promoters of the party are endeavoring to secure a good personal representation from all over the county.

The question has been raised however, that this a new political organization, and as such cannot legally make nominations under the provisions of the Australian law. If such is the case the best the convention can do will be to indicate its preference, and then complete nominating by petition, as is being done by a number of the candidates already. Several of the promoters of the convention are said to recognize this view as the correct one. The Fusion party will be placed on its feet as a political organization, by this convention, and at coming elections may nominate and make direct certificates of the fact. To place nominees on the election ballots unlawfully, whether through a mistaken idea of the law, or otherwise, creates complications which a little forethought at this time may easily avoid.

Wanted at Once.

Active agents for each county. Exclusive control and no risk. Will clear 12 to 25 hundred dollars a year. Enclose stamp for full particulars or 25c for $1 sample Big Rapids Mineral Water Co., Big Rapids Mich.

State Line District.

State Line continues to attract general attention. The large canyons there afford numerous good camping places, and it is estimated that at least 150 men are scattered throughout the district. Every inch of ground for several miles in extent has been staked off, and vigorous prospecting is going on in several quarters.

Line city contains seventeen houses at present with several more to be immediately put up. Mail facilities are badly needed, and a post office meeting, so called, was held there on Sunday. Mail is at present sent via Desert Springs, Utah, or via Newlands postoffice in Spring valley, Lincoln county. J. A. Denton is arranging to put on a regular service for mail and passengers from Desert Springs station, the distance from there to Line city being about 16 miles. Next to a postoffice the greatest want of the district is wet grocery, but the high tariff license of Utah on this class of business promises to give the Nevada side of the line a monopoly of it, and already an enterprising individual has a log house nearly finished, placed about 1000 feet west of the dividing line, which is to be used for this purpose. Sunday is generally observed as a day of rest, all the boys laying off that day and doing up chores for the week.

Notice.

J. Eisenmann desires to inform the public that he has still on hand quite a number of useful articles in the hardware and house-furnishing lines, which he will dispose of in the next thirty days at prices to suit the purchaser. Come and examine the remnants of the stock, you will surely find something you need, which you can buy for half its value. Those who are indebted to me will please come forward at once and settle, either by cash or note.

J. EISENMANN.

FROM DELAMAR.

Our markets are well stocked with fruits and vegetables, good potatoes are the cereals scarce.

George Cook has been appointed school trustee to fill the vacancy created by the recent resignation of Mr. Ralph Nichols.

The rivalry manifested at the primaries last week bids fair to result in some slashing on the day of election to even up things.

Genial Bosko, of liquid fame, is in town taking new orders for winter stock, and supplying the boys with a fund of new gags.

The family of Mr. Player, the blacksmith at the DeLamar mill, arrived from Salt Lake on the 13th, and will reside here in the future.

Our ever welcome friend, Gov Goodrich, county clerk, has been paying us a visit for several days; he returned to the county seat on the 15th inst.

Lists were started on the 14th inst., soliciting funds for the Bryan and Sewall campaign, and the miners and town people are contributing liberally.

Another candidate from DeLamar for State Senator is spoken of. This will make two candidates from this place and three from Pioche for this office.

The DeLamar's pay day on the 7th inst. was the liveliest the camp has had since its foundation. Several of the boys had lots of fun (?) but everything went peaceably.

Our lovely winter climate is attracting a great many new comers, and though a large force are employed in and about the mines and mills, if the increase continues it will be impossible for all to find employment.

Building is on the increase again; some very nice dwellings are being erected. Mr. Chris Moletesta has just completed and moved into his house on the summit of Nob Hill. It is one of the finest in DeLamar.

The number of aspirants for county offices continue to show up, and are anxious to know the result of the Democratic Fusion Convention on the 19th inst. at Pioche, it is rumored that the Silver Party will also hold a convention. Democratic candidates, Silver candidates and petition candidates in the field, the prospects are good for a red hot election, and a good set of officers ought to be selected.

The Democratic fusion primaries in DeLamar on Thursday last was a general surprise, two tickets were in the field. It was the general belief that it would be a tame affair, but the introduction of the second ticket caused a friendly rivalry, and great skirmishing was done to bring voters to the polls. Everybody seemed to take interest on one side or the other, and from the spirit manifested at the primaries, we may look for the liveliest election in years.

WANTED—SEVERAL FAITHFUL MEN OR WOMEN to travel for responsible established house in Nevada. Salary $780, payable $15 weekly and expenses. Position permanent. Reference. Enclose self-addressed stamped envelope. The National, Star Building, Chicago.

Awarded Highest Honors—World's Fair.

Of DeLamar, announces himself as a Silver Party candidate, by petition, for election to the office of

STATE SENATOR,

Subject to the decision of the voters of Lincoln County, at the polls, at the coming election.

A Generous Offer.

Word was given out to-day, the 14th, that the DeLamar Co. had generously promised to erect a large, substantial school house, 25x53 feet, in DeLamar, free, providing the citizens select and prepare the site. A call for a meeting on the evening of the 15th has been made to meet a Vietti's hall to appoint committees to select a suitable site, and such other business as may be necessary to prosecute the good work with all possible speed. Now let the citizens put their shoulder to the wheel and do their part. With a large census of children of school age, and others continually coming, a commodious and comfortable schoolhouse will indeed be a blessing, and the thanks of the whole community are due the DeLamar Co. for their more than liberal offer. In addition to the above they have also offered the town the use from their main of what water may be needed for fire purposes for $100 a year. Now let the people as a unit take action.

RECEIVER'S SALE

Under Final Decree and Order of Sale.

IN THE DISTRICT COURT OF THE FOURTH Judicial District of the State of Nevada, sitting within and for the County of Lincoln.

James Taylor, John Bullock, Arthur [illegible], Plaintiffs,
vs.
The Keystone Mining Company of Nevada, a corporation, and Isaac E. Blake, Defendants.
Consolidated Action.

Pursuant to the following given in that cause and by virtue of a certain decree of the District Court of the Fourth Judicial District of Nevada, sitting within and for Lincoln County, duly made, entered and given on the 20th day of February, A. D. 1896, in the above entitled action, wherein I am commanded to sell the property hereinafter described, to satisfy the costs of said defendant, The Keystone Mining Company of Nevada, and to satisfy a special mandate to the sum of $[illegible], besides accruing costs,

I will, at 12 o'clock noon on Tuesday,

The 22d Day of September, A. D. 1896,

at the front door of the said Keystone Mining Company's office, now occupied as an office by The Lincoln Consolidated Mining and Milling Company, the lessee of the property hereinafter described, situated upon the Keystone Mining claim in Yellow Pine Mining District, Lincoln County, Nevada, at public auction, sell to the highest and best bidder, for cash, in lawful money of the United States, all the right, title, interest and equity of redemption of the said defendant corporation, of, in and to the following described real and personal property, situate, lying and being in the Yellow Pine Mining District, County of Lincoln and State of Nevada, to-wit:

The Keystone Lode and Mining claim, as recorded in record book No. 2, of said district, at page 4, and in book "B" of Mining Notices, at page 399, and in the addendum thereto, recorded in book "D" of Mining Notices, at page 444, in the office of the County Recorder of Lincoln County, and bounded as follows:

Beginning at the discovery monument, which is on the east slope of the Keystone Mountain, fifty feet northeasterly of the mouth of the Keystone Discovery Tunnel, and running thence 730 ft. to a monument of stone marked "Keystone North Centre end Line;" thence northwesterly 300 feet to a stone monument marked "Keystone N. W. Corner;" thence southwesterly 1,500 feet to a stone monument marked "Keystone S. W. Corner;" thence southeasterly 600 feet to a stone monument marked "Keystone S. E. Corner;" thence northeasterly 1,500 feet to a stone monument marked "Keystone N. E. Corner;" thence northwesterly 300 feet to the place of beginning.

Together with all the lodes, ledges and deposits of metal bearing rock, gold, silver and other metals therein, and all the dips, spurs, angles and variations thereof.

Also, the Whatnot Lode and Mining Claim, located July 10th, A. D. 1892, as recorded in said district record book No. 2 on page 176 and in said book "D" of Mining Notices at page 472, the same being a rectangular piece of mining land 1,500 feet in length by 600 feet in width, commencing at a monument of stone, and extending along the north end line of the Honduras Mine, hereinafter described, and the east side line of the Keystone Mine, hereinbefore described, 1,500 feet to a monument of stone; thence 600 feet in an easterly direction to a monument of stone; thence 1,500 feet in a southerly direction to a monument of stone; thence 600 feet in a westerly direction to the place of beginning. This mine adjoins the northeast end of the said Honduras Mine and the east side line of the said Keystone Mine.

Together with all the lodes, ledges and deposits of metal bearing earth or rock therein carrying gold, silver, and other precious metals, and the dips, spurs, angles and variations thereof.

Also, the Honduras Lode and Mining Claim, located March 25th, A. D. 1888, as recorded in said district book No. 2, page 3 and in said book "D" of Mining Notices, at page 398, the same being a rectangular piece of mining land, 1,500 feet in length by 600 feet in width, commencing at a monument of stone and running 1,500 feet in a southerly direction, and 600 feet in a northerly direction, the ends and sides thereof being marked by monuments of rock, situate about one mile in a northerly direction from the Kirby Mine. And all of the lodes, ledges and deposits of metal bearing rock therein carrying gold, silver and other metals, with all the dips, spurs, angles and variations thereof.

Also, all of the Mesquite Mill Site, situated about six miles west of the said Keystone Mine and is described more particularly in a Notice of Location thereof recorded on page 174, in said district record book No. 2, to which reference is hereby made for greater certainty, and which said mill site consists of five acres of land, more or less, as marked by monuments on the ground.

Together with the ten stamp mill erected upon said mill site, and all of the buildings, machinery water rights, improvements, tools and implements situated thereon and contained therein.

And also, all the personal property belonging to the said corporation, and now in the possession of the said receiver, and more particularly enumerated and described in said receiver's inventory now on file in the Clerk's office of this court, to-wit:

AT THE MILL.

30 gallons coal oil, 3 gallons machine oil, 25 lbs. quicksilver, 1 grindstone, 1 fire box boiler, 2 retorts, 3 shovels, 1 clock, 1 vise, 1 saw, 1 square, 6 chairs, 1 set gas pipe dies & stock, 1 boiler, 1 pump, 1 stilson pipe wrench, 1 gas pipe cutter, 2 monkey wrenches, 1 stove & pipe, 1 wheelbarrow, 1 ten ton wagon scale, 1 gold bullion scale, 1 washstand, 2 beds & bedding, 3 lamps, 1 looking glass, 1 office safe, 1 frame office & lodging building, 1 engine, 1 bumping table and all machinery, pumps, engines and fixtures connected with and comprising the pumping or water plant at said mill.

Notice for Publication.

UNITED STATES LAND OFFICE, CARSON CITY, NEV., Aug. 10, 1896.

TO WHOM IT MAY CONCERN: NOTICE IS hereby given that the State of Nevada, under the act of June 16, 1880, has filed in this office a list of lands situated in the township as described below, and has applied for a patent for said lands; that the list is open to the public for inspection, and a copy thereof, by descriptive subdivisions, has been posted in a conspicuous place in this office for the inspection of all persons interested, and the public generally.

Within the next sixty days following the date of this notice, protests or contests against the claim of the State of Nevada to any tract or tracts described in the list on the ground that it is more valuable for mineral than for agricultural purposes, will be received by the General Land Office.

The following is the list:
