It is expected that the repair of the damage on the Pioche branch will be undertaken at once. This part of the construction will begin just as soon as the work below Caliente is finished.

PETER PAETKO VICTIM VILLAINOUS THUG

While on his way home Monday night Peter Paetko, a miner, was held up, roobbed and beaten by a thug. Shortly afterward, a Swede who gave his name as David Norberg, was arrested in the Wyoming saloon by Sheriff Smith.

When the sheriff confronted the prisoner with Paetko, the latter identified him as his assailant.

Norberg was locked up in the county jail and held to await a preliminry hearing which took place before Justice Thomas yesterday afternoon.

The evidence of guilt was not sufficiently stroong to satisfy the justice that the accused should be bound over to the grand jury and ordered his release from custody.

Paetko claims to have been robbed of $5 in money.
