Thankful to our friends and customers for past favors, we propose to continue giving our best efforts to our business, neglecting nothing that we can do for our customers' interests, believing them to be identical with our own. Though we have professed to sell goods only for cash, we have, from a spirit of accommodation, allowed goods to go out to a limited extent, without the money. We intend for the future to adopt the CASH SYSTEM STRICTLY. No goods will be considered sold until they are paid for, and goods sent out of the house will be accompanied by the bill. By keeping good goods, selling at the smallest possible margins, and being prompt and accommodating, we hope for a continuance of the patronage of the people of this and adjoining counties. Please remember that there will be NO exception to the rule. CASH ON DELIVERY.

MASS MEETING AT DOVER.

In obedience to only a few hours notice, one hundred and twenty-five of the best citizens of Dover township, met in mass meeting in Dover on Thursday, Feb. 1, 1872. The meeting was organized by calling David Groves to the chair and appointing Isaac Neale secretary.

The chair explained that the object of the meeting was to call forth an expression of the sentiments of the citizens of the township in regard to a bill now pending in the State Legislature, for redistricting the county, and enabling the people to elect judges of the county court.

On motion of J. M. Fleming, a committee of five was appointed to draft resolutions expressive of the sense of the meeting. Whereupon the chair appointed Col. G. R. Warren, J. M. Fleming, G. K. Campbell, Dr. W. C. Wells and J. Q. Platteborze, said committee. The committee after retiring a few minutes, entered with the following resolutions, which were unanimously adopted:

Resolved, That we, the citizens and taxpayers of Dover township, feeling the great necessity of a change, and reform in the management of our county finances, heartily endorse the bill now before the State Legislature, for the reorganization of the Lafayette county court, that we feel great interest in the success of said bill, believing as we do, that its passage will give great relief to the already over-burdened people of our county.

Resolved, That we the firm conviction and belief of the citizens composing this meeting that the above resolution embodies the sentiments, not only of a majority, but of almost the entire body of tax-payers and citizens of Dover township.

Resolved, That we heartily approve the action of one of our representatives, Hon. Z. J. Mitchell, in introducing and advocating the bill now before the Legislature for the reorganization of our county court, and we denounce the course pursued by Hon. M. C. Shewalter in opposing said bill, knowing as we do, that he does not represent the wishes and interests of the citizens and tax-payers of Dover township.

On motion the county papers are requested to publish the proceedings of this meeting.

DAVID GROVES, Ch'm'n.
ISAAC NEALE, Sec'y.

THE PEOPLE AROUSED

An Immense Mass Meeting.

The ENTIRE COUNTY REPRESENTED.

A GREAT NUMBER OF THE MOST SOLID AND INFLUENTIAL CITIZENS OF LEXINGTON AND OTHER TOWNSHIPS PRESENT.

A Series of Wise and Temperate Resolutions Unanimously Adopted.

MITCHELL AND HIS BILL ENDORSED AND APPROVED BY THE VAST BODY WITHOUT A DISSENTING VOICE.

At a mass meeting of the citizens and taxpayers of Lafayette county, held at the court house in Lexington, on Saturday, February 3d, 1872, Col. John Ford was chosen President, Thomas Shelby, Vice-President A. A. Lesueur, W. B. Steele and Jas. B. Kirtley Secretaries. The President explained the object of the meeting to be to endorse Mr. Mitchell's action in offering the bill for the reorganization of the county court in this county. By instruction, the President appointed Chris. Catron, of Middleton township, Isaac Neale, of Dover, Luther Wayman of Sniabar, Capt. Henry, of Washington, A. Stewart, of City, Maj. Geo. Gordon, of Davis, Maj. Wm. Hays and A. J. Hall of Lexington, committee to draft resolutions. Committee retired. Judge J. A. S. Tutt, in response to call, addressed the meeting as follows:

JUDGE TUTT'S SPEECH.

GENTLEMEN: The matter which we come to consult about to-day is a serious one. It is to look and examine into the actions of officers of our county. If they are honest men, and doing their duty, we have no fault to find with them. If they are not, they should be held responsible. Persons unused to our mode of in this matter seem not being officeseekers. I do not believe that on the sod, and certainly the men acting here present, are not. It is certainly proper and becomes us as tax-payers, to see that our private officers do their duty. Take the fees, they are given to the county. Take the fees given for themselves. We pay $15,220 county tax, $25,168.50 road tax, $9,048 poor house tax, $3,612.95 county interest, upon the assessed valuation of property of $3,613,500, as certified by the clerk. In addition to the above there is tax levied for other purposes, for the revenue of $3,000, for which we pay a tax of $3,000, and county interest on revenue of $43,000, and county interest on revenue of $13,000. The aggregate as you may see is, the county revenues are $48,500.29 without counting your poor house tax, your road tax, your school tax, or your railroad tax. The amount so assessed is deemed necessary merely to run the county. Every one concerned with the subject knows that with ordinary honesty an economical, this can be done for less a sum.

I say say that a commission is responsible for much of our debt. Had this board sat and do nothing, there is many thousands and dollars that we have to pay for doing wrong. Remember, gentlemen that in all cases, I am speaking in figures, from records, records of the court. In May 1868, we owed nothing. In 1871, whereas we owed nothing, and we put an aggregate tax on the county of $48,500. Where is the money? Where is the money? $48,500. Where is the money? Where is the money? Let the people answer. Let the people answer. Let the people answer.
