Uniform Ballots at School Election.

In answer to a letter of inquiry from Howard A. Gass, State Superintendent of Schools, the Attorney General has ruled that, "a county superintendent of schools is a public officer of a county," and under section 10,930, R. S. 1909, as amended by Session Acts of 1911, page 407, "it is provided that in elections for county superintendent the vote shall be by ballot, and that after the ballots are cast and counted they shall be sealed in a separate package and transmitted with the tally sheets to the clerk of the county court. This provision would indicate that a uniform ballot should be used at each precinct in the County."

Messrs. Moreau and Beauvais, of Ste. Genevieve, Mo., came here last Saturday evening to consult our committee, some of the village officials and other citizens in regard to the Electric light proposition. They had figures to show at about what cost they could put up a plant here. They left their proposition with a member of our committee and if the project gets that far along they will be notified so they can compete with other people, etc. Information is wanted just now and their visit here is a step onward.—Evansville, Ill., Enterprise.

Died.

Died, on Saturday evening, March 27, 1915, at the home of her parents, Mr. and Mrs. William Callier, their daughter, Bernadine Frances, aged 4 years, of appendicitis.

Many of the relatives and friends of the sorrowing family were present at the funeral, and as they looked upon the sweet, placid little body in its white casket and surrounded by beautiful and fragrant flowers—yet not more beautiful or pure than the little face within—their hearts swelled in sympathy for the bereaved family.

The funeral occurred from the Catholic church to Valley Spring cemetery Monday afternoon at 2 o'clock.

Another little lamb has gone,
To dwell with him who gave;
Another little darling girl is sheltered in the grave.
God needed one more Angel child,
Amidst his shining band,
And so he bent with loving smile,
And clasped our darling's hand.

Adolph P. Carron, one of Bloomsdale's oldest and most respected citizens died Tuesday, March 23, 1915, after a lingering illness, aged 70 years. He is survived by his wife Mrs. Mary Carron, nee Lawrence, five sons, four daughters, and a brother, Alexis Carron, of New Offenburg. The funeral was held from the Catholic Church at Bloomsdale Thursday morning at 9 o'clock. Several of our citizens attended the funeral.

Mrs. Maude McFarland, wife of Henry McFarland, died at her home in Festus, Mo., Sunday, March 14, 1915, on her 36th birthday. She was the daughter of Samuel Haney of this county. She leaves a husband, father, 4 children, 3 brothers and 4 sisters to mourn her loss. The remains were taken to Coffman, Mo., and buried in the family cemetery.

Mrs. Julia R. Moore, nee Bleck, wife of Oscar W. Moore, and mother of George M. Moore, died at her home in Waterloo, Ill., Monday, March 22, 1915. The funeral took place at Chester, Ill., Wednesday, March 24, 1915.

Clarence B. Beck, well known in our city, died at his home in St. Louis, Thursday March 18, 1915, aged 66 years, and was buried from his residence 3949 Delmar Ave. Saturday afternoon. W. M. Ziegler of this city attended the funeral.

Smokers Attention

If you feel like having a nice cool, mild smoke call for a Creole Cigar or Ste. Genevieve Made Cigar. It is a high grade Cigar and one of the best 5 cents Cigars in the Market. The quality is there, and all dealers in the county are to carry at least one box at all times in stock. It is the only cigar manufactured in the county and should be patronized. Therefore I ask all smokers to bear in mind that when they feel like smoking a cigar, or buy a cigar to call for the Creole Cigar, or the Ste. Genevieve Made Cigar. If your dealer has not got them keep calling for them until he buys a box and carries it in stock. All dealers should handle them and by that you would help out a home man instead of Eastern Manufacturers.

It starts tonight at the Nobby. Miss it only, if you must. It's much better than staying home; better than anything you've ever seen. Only 5 & 10 cents. adv

School Notes.

The following is an extract from a letter received from the State University:

University of Missouri,
Committee on Accredited Schools.

Secondary schools affiliated with the University are classified as FULLY ACCREDITED and PARTIALLY ACCREDITED.

A FULLY ACCREDITED school is one that maintains a four years' course of study in which all work given in subjects that may be accepted in fulfilling the entrance requirements of the University is approved, and that fulfills all other requirements for a fully accredited school.

A PARTIALLY ACCREDITED school is one that maintains a four years' course of study, but does not fulfill all the requirements for a fully accredited school.

Owing to changing educational conditions, it is obvious that the University must reserve the right to cease to accredit, at any time, a school that employs inefficient teachers or that otherwise fails to maintain the required standard.
