ELEGANT BARGAINS

Everybody has a desire to possess something that they can call their own—many fancying a home or a farm above all things else.

To all such I say, "Welcome the idea and put forth the effort" I am in the Real Estate business—not to "do" you but to help you attain your wants and I can show you such genuine bargains in farms—Improved and unimproved—that you never heard of yea, dreamed of existing, and the prices and terms are all that could be asked or desired.

Get in communication with me, let me know your wants, I can fit you up with a good home or a splendid farm and this section is an ideal one for grain, stock, fruit and chickens.

Corn and cotton grow well here too—it is an ideal farming country.

I am listing property every day. A few of the many "good deals" over here, to be had in large and small farms at low prices and reasonable terms which I particularly wish to sell to my Pickens county friends is:

A nice 160 acre farm for \$1800. It lies well, is 2 1/2 miles of Turnerville and 2 miles of Hollywood; 40 acres cleared. 2 good houses on it. A great place for stock, dairy or poultry.

150 acres for \$1500. Has good house on place; in 1/2 mile of Hollywood; 21 acres cleared. Splendid farm with good school and church advantages

20 1-2 acres—half cleared; 1 mile of R. R. Station; 1-2 mile of school. Good 4-room house and out buildings. A fine little place and awful cheap at \$550;

150 acres, 2 miles of railroad station. Good house and plenty of out buildings. Well watered and cheap at \$1250.

This is just a few of the bargains that I have to offer you and they are "dirt cheap."

Come over and see this country. It is only a day's drive from Pickens and 27 miles from Walhalla.

You will never have another such opportunity to buy good land cheap.

Two Ways of Killing Corns

Some persons prefer a corn plaster, others prefer a liquid treatment for ridding themselves of corns

So long as it does the work required, either method of treatment is right.

Dike's Corn Ease

A liquid that dries and forms a thick, medicated, protective covering over the corn, while loosening the hardened tissue so that it can be easily removed after a few applications.

Dike's Korn Plaster

Acts quite similarly! It has one advantage over the liquid; it is very convenient for the use of travelers and those who do not like to be bothered with a liquid.

The most important point is that either Dike's Corn Ease or Dike's Korn Plaster will rid you of both these evils.

Other Dike remedies for other every-day ills—each as good for what it is intended to relieve as can be made.

Commencement at the Wesleyan Methodist College, Central, S. C.

Believing that the people of Pickens county will be interested in an account of the Commencement Exercises of the only College in its bounds, we say that the Fifth commencement of the Wesleyan Methodist College of Central, S. C. was the best in its history. The presence of the Official Board of the Denomination added much to the dignity and interest of the occasion. Rev. W. J. Seekins, Connectional Agent, preached the Baccalaureate Sermon on Sunday morning May 14th, Rev. A. T. Jennings, Editor of the Wesleyan Methodist, give the address to the Literary Association and led a Memorial service for the Rev. L. J. Harrington, first President of the institution. Rev. E. D. Carpenter, Educational Secretary, gave a Missionary Address. These three gentlemen were all from New York, and together with Rev. E. T. Teter, the Missionary Secretary from Indiana, formed an Executive Board for the consideration of questions relative to the improvement of the school. It has been currently reported that the school is to be moved, and the Board considered this subject very carefully. Tempting offers were made by North Carolina and Georgia, but the geographical location, the healthfulness of this region, together with the fact that the school has won the respect and confidence of the people, locally, decided the Board to retain the school at Central. This decision meets the approval of the many friends of the college. The only change made in the Faculty was the election of Miss Beth Harrington as Primary teacher, in place of Miss Grace Clayton, resigned.

One of the most interesting events of the Commencement was an Orotorical Contest, Monday night. Through the generosity of one of the leading merchants of Central, a ten dollar prize was offered for the best original oration, second prize, five dollars. There were five competitors—H. A. West, of Bryant, Ind. W.-M. and Virginia Lawrence of Calhoun, F. V. Clayton and Beth Harrington of Central. The productions were excellent, and were marked upon thought, composition and delivery. The judges were Rev. A. T. Jennings of New York, Prof. Morrison, of Clemson College, and Prof. Haynes of Central Public Schools. Miss Harrington was awarded first and F. V. Clayton, second, prize. On Wednesday morning Rev. W. H. L. McLauren, of Latta, S. C. addressed a graduating class of eight—six young men, and two ladies. The address was fine and the class was complimented on their choice of speaker. Most of the young people are expecting to return for the College Course.

From J. D. Moore.

My ups in life have all been downs. I thought when we lost our son Sloan that it was bad enough, but when I lost my wife I lost all. We had lived together for 30 years, and she was always good to me, no matter what I done.

I received a letter from Mrs. Dr. Maxwell the other day, expressing her sympathy for me. She told me I would miss "Cousin Nancy," and wrote: "Well, for so I do." Drops of grief can never pay the debt of love I owe her. Lord! I give myself away, it's all that I can do.

J. D. MOORE.

Marietta, R. 2.

Mr. and Mrs. Johnnie Capell were visitors at Mr. Daniel McJunkin's last Thursday night. Miss Leila Jones visited Miss Ida Phillips, Sunday afternoon.

Miss Minnie McJunkin visited her sister one day last week.

The infant child of Mr. and Mrs. John Friddle died on the 9th ult. The little one had been a great sufferer ever since it was so badly burned. One joint of its backbone was gone. And the Lord said: "Little one, thou hast suffered enough," and sent a guardian angel to bear the little one above. We weep for the loss, but will shout to meet with it where its sufferings are no more.

Miss Mittie Heaton visited Miss Ida Phillips last week.

Mr. Edward Roper attended Miss Minnie McJunkin to Shady Grove, Sunday.

Miss Ida Phillips entertained her welcome beau last Sunday afternoon.

Mrs. W. M. Jones has been very ill for the past week. Her many friends hope for her a speedy recovery.

Mr. Jack Stansel has worked his corn over the third time, and is resting, while some of our lazy people are not yet through planting.

Mr. W. M. Jones has a regular snake-killing dog; the animal destroyed three of the reptiles one day last week.

LONELY SWEETHEART.

Pickens, R. 2.

Health of this community very good at present, except the baby of Mr. and Mrs. John Bear-den, and Wayne, the little son of Mr. and Mrs. D. E. Garrett, who has been ill for some time, but is better at this writing.

Thinning cotton is the order of the day. Some of the farmers are nearly through.

Commencement services were held at the school auditorium Friday and Friday night, May 19. All present must have enjoyed themselves, the writer surely did. The children had a very interesting programme. Five gold medals were awarded Friday night. Miss Hattie Boroughs won the declaimer's medal; Mr. Olin Craig the debater's medal; Miss Inez Purvis the essay medal; Mr. Waco Holliday the Latin medal; Mr. Leland Bolding the mathematical medal, of which all should and did feel proud. Rev. Crim will serve as principal the next term of school, which will begin Sept. 11.

Mr. and Mrs. W. R. Garrett visited Mr. and Mrs. D. E. Garrett, Sunday.

Mr. and Mrs. W. C. Garrett and little daughter are on a visit to Mr. G.'s sister in Louisiana, Mr. Garrett has sold his stock of goods to Messrs. P. M. and Mack Durham.

A number of people around Six Mile attended the all-day singing at Camp Creek, Sunday.

Rev. and Mrs. C. R. Abercrombie are on a visit to their place in Chochee, where they are expecting to move in the fall.

Most of the boarding students have gone home to spend their vacation, and the rest, we suppose, will go to the cotton patch.

SUSIE.

Don't let the sting of calumny sink down into your soul. Birds pick at the best fruits, wasps light on the best flowers, but the garbage can is filled with flies, and like a slanderer, overlook the good things about them and alight upon sores.
