## SPOTSYLVANIA

The Roads—Quarterly Conference—Delegates Elected—A New Church.

Spotsylvania, Va., March 15, 1906.

The subject of bad roads is a trite one, but one who lives in seclusion and travels often over them is very apt to think about and speak of them in season and out of season. This scribe uses the roads a great deal, and the experiences he has had in traveling in mud and deep ruts made by the wheels of heavily loaded wagons is very vivid indeed. When will we get better thoroughfares in the country? The question, like some others, is a knotty one. Meanwhile if we can't solve it, we can speak of the nuisance in the way of airing a grievance, and agitation of evils is an important step towards reforming them.

But when the good weather comes the subject of bad roads will be allowed to go into "innocuous desuetude" until winter comes again when more cheap talk on the subject will be indulged freely by our rural residents, and little or no steps taken to get good roads, one of the greatest needs in the country today.

It was a great disappointment to the congregation that on the occasion of the second quarterly meeting for this circuit held recently at Tabernacle church, near Spotsylvania Court House, the presiding elder, Rev. Dr. J. T. Whitley, had to leave, on account of being sick, without preaching to them. The pastor, Rev. E. P. Parham, was also absent on account of preaching elsewhere, so Mr. T. E. Thomas gave the people a talk. The Quarterly Conference on Monday was presided over by the pastor, and was a very pleasant and harmonious meeting. At this meeting T. E. Thomas, C. R. Andrews and C. W. Jones were elected delegates to the Rappahannock District Conference, which will convene at Whitemarsh church, Lancaster county, July 11 to 13, 1906. The following were elected alternates: W. M. Thorburn, W. M. Alsop and John Carter.

Work has begun on Shady Grove Methodist church, near Hicks' Store, which will be rebuilt. This is a very much needed enterprise, which when completed will be a great help to the entire charge. E. P. P.

Church Notes—Some Things Our Correspondent Would Like to Come to Pass—Personals, Etc.

Spotsylvania, Co., March 14, 1906.

Rev. C. S. Samadis preached a very interesting and instructive sermon at Mine Run church last Sunday. Mr. S. had for his subject the 37th verse of the 12th chapter of Matthew. Attendance good. There will be preaching again at Mine Run church on the 4th Sunday at 2 p. m.

Supervisor R. L. Pendleton has gone to Richmond to be examined by a specialist. Mr. Pendleton has been in poor health for some time.

Messrs. N. P. Payne and C. R. Pritchett have their new saw mill in place and have started sawing lumber for Maj. Embrey.

We have here a glass jar of Maryland peaches put up many years ago, and they are still good. A few of the seeds were planted at the time the peaches were canned and one came up. That one was transplanted and is now a large tree and has been bearing fruit for several years. The peaches are yellow and very large.

Mr. Everett J. White has almost recovered from his recent illness.

Mr. Nelson P. Payne and family have moved up here on Hogan's Alley. We are glad to have them as neighbors.

Shady Grove people are building a new church. Mr. H. G. Kinsey is the builder.

The ladies in charge are improving the looks of the cemetery at the Court House, and we are glad to see this. Still there are other things we would like to come to pass, viz: The trolley line from Fredericksburg to the Court House, a different method of working our roads, Hon. A. T. Embrey a member of Congress, Hon. Harry St. George Tucker governor of Virginia. But then, these things are no business of mine, some one will say.

A SUGGESTION

Spotsylvania Co., Va., March 16.

To The Free Lance:

Why not have memorial services at the Confederate Cemetery at the Court House on the 4th of July next and invite everybody, and the old soldiers especially, and last, but not least, invite that brave soldier, patriot and orator, Judge John T. Goodrick, to make an address? This will put some enthusiasm into the work of beautifying the last resting place of the brave boys who wore the gray.

Options are being taken by Northern capitalists upon all the mountain land on the south side of the Blue Ridge between Middle river, in Greene county, and Turnerton's Gap, in Rappahannock county. These options are principally for the control of the timber rights, though the lands are said to be rich in minerals.

## FROM JAIL TO WEDDING

The Bride Paid For the Marriage License.

Some days ago Lewis Nelson, colored, who is serving a term of twenty days in jail for disorderly conduct, wrote to Mayor Wallace, asking to be released on the grounds that he wanted to be married Monday. The mayor sent him word that if he could raise a dollar to get his marriage license he would release him. Lewis appealed to his friends for the dollar, but it was not forthcoming until Thursday, when his intended placed a dollar in the sergeant's hands for the license.

She was told to be at the clerk's office at 9 o'clock Friday morning. At ten minutes to nine Rose Clayborne put in her appearance at the clerk's office, and a little later Rev. R. A. Brown appeared to tie the knot. Lewis was brought up and the license gotten. The marriage then took place at 9:15 in the clerk's office, witnessed by Clerk A. B. Yates, Deputy Clerk John S. Berry, Mr. B. P. Willis, attorney; Sam Coleman, Major T. E. Morris and Sergeant J. C. Chichester.

CATARRH THE PLAGUE OF WINTER

Every Catarrh sufferer dreads the return of cold weather, for at the first cold breath of the season this plague of Winter is fanned into life with all its miserable symptoms. The nostrils are stopped up, and a constant dropping of mucus back into the throat keeps up a continual hawking and spitting, the patient has dull headaches, ringing noises in the ears and a half sick, depressed feeling all the time. Every inner lining and tissue of the body becomes inflamed, and secretes an unhealthy matter which is absorbed into the blood and distributed to all parts of the body, and the disease becomes constitutional. The catarrhal poison brings on stomach troubles, affects the Kidneys and Bladder, attacks the soft bones of the throat and head and if not checked leads to Consumption. A disease so deep-seated and dangerous cannot be washed out, neither can it be smoked away. Sprays, washes, inhalations, etc., are useless, because they only reach the membranes and tissues, while the real cause of the disease is in the blood. S. S. S. cures Catarrh because it attacks it through the blood; it goes into the circulation and drives out all unhealthy accumulations and catarrhal matter, and when this is done every part of the system receives a supply of rich, pure blood. Then the inflamed membranes and tissues heal, all discharge ceases, the depressed feeling of the body is relieved, and every symptom passes away. S. S. S. goes to the very root of the trouble, and by purifying and enriching the blood and building up the entire system, cures Catarrh permanently. If you have Catarrh do not waste time with local remedies, but begin S. S. S. and write for our book and any medical advice without charge.
