YAZOO CITY HERALD.

Office—No. 92½ Main Street, Up Stairs.

Yazoo City, July 22, 1887.

LOCAL JOTTINGS.

Trinity Guild meets Wednesday at Mrs R P Byatt's.

The biggest crowd at all the precincts since 1875 as the result of pro-rating.

We have tried pro-rating and like everything about it except the counting.

We are under obligations to Mr. Sol Wolerstein for interesting New York papers.

Mr. George H. Quekemeyer of Yazoo City, was in town Friday.—Brookhaven News.

Barring the inconvenience, pro rating is the best system ever adopted in Yazoo county.

The only trouble about pro-rating is that it went too far. First choice was far enough.

If anybody finds the HERALD especially prosy this week attribute it to the effect of pro rating on the editor.

A number of the young people spent a delightful evening last Friday at the residence of Mrs P. H. Saunders.

It is hardly necessary to remark that we have had some of the hottest weather this summer that we ever knew.

No one could be blamed for beginning the conversation about the weather. It is a wonder how people can stand such fearful heat.

Fully 200 white votes were cast in the Yazoo City precinct convention and one colored, the biggest precinct convention ever held here.

J. B. Wilson, Esq., is advertising Yazoo land in Neshoba county and proposes going this fall amongst the people of the Eastern counties.

Mr. G. W. Brantley was presented this week by Mr. I. R. Dement with the boss watermelon, weighing 37 pounds, raised on his Burtonia place.

The YAZOO HERALD says: "Valley has a free mail delivery, and expects electric lights soon." Look here, is that honest?—Commercial Herald.

At H. C. Tyler's the thermometer stood 98 degrees in the shade on Saturday; 100 on Monday and 101 on Tuesday during the hottest part of the day.

We neglected to note last week that Mr. Chas. Olsen had returned to Yazoo City. He has the contract for building the house of Hon. C. H. Williams.

The YAZOO CITY HERALD, one of the brightest and most sparkling sheets in the State, has just completed its 14th volume.—Corinth Bulletin and Democrat.

We are informed by a gentleman who saw the rehearsal of Pygmalion and Galatea, that Miss Lulie Gadberry is magnificent in the character of the heroine.

At the meeting of the Building and Loan Association on Monday night, seven shares were loaned at 30 per cent. premium and one share at 20 per cent premium.

Miss Rennie Richardson, one of Greenwood's most bewitching and lovely young ladies left by the 2.50 passenger train today for Yazoo county, where she goes to visit relatives and friends.—Greenwood Enterprise.

Mr. Frank Hirsch, wife and niece, arrived this morning from Satartia, by the steamer Katie Robbins. The ladies departed by the Anchor line steamer City of Vicksburg this morning for St. Louis. Mr. Hirsch returns home from here.—Vicksburg Democrat, 16th

The Normal College of Buena Vista has what is much needed in every College, a Teachers' term, which is now in session and well attended. Profs. Dickey are doing much to elevate the standard of education in the State. Instruction in Art, Education, Type-writing, Shorthand, Vocal and Instrumental Music can be obtained from the best of teachers.

Capt. Stanhope Posey, Messrs. R G Hudson, E H Kelley, E Luke, J G McGuire, Ben Exum and A M Rosch counted ballots at the Opera House until three o'clock Monday night when they adjourned to finish the next morning. Mr. H. H. Anderson stuck up with them to see the fun. If anybody thinks counting over 250 pro rated ballots for second choice is fun we advise them to try it. Tuesday morning they met again and kept at work from half past nine until three.

The many friends of Mr. A. A. Parisot were sorry to hear of his death, which occurred at his home at Palmette Home on Wednesday, connected with a number of our leading families. A man of integrity, we regret his decease and extend our sympathy to his sorrowing family. He was buried yesterday at Palmetto Home.—Mrs. F. Barksdale, of our town, and Capt. S. H. Parisot, his brother and sister, had been for several days in attendance on his bed-side. Mr Parisot was 55 years of age.

The following party went from Yazoo City on the Sea Coast encampment excursion Friday: Mrs. H. Yandell and son Claiborne, Mrs. Lucy Ratliff, Mr. and Mrs. W. W. Pugh, Mr. and Mrs Peter James, Rev. Dr. S. S. Woodward and Miss Ella Woodward, Mr. and Mrs. C. F. Cummins, Mrs. J. F. Powell, Mrs. C. L. Smith, Mrs. Geo. Blundell, Miss McKewn Misses. A. F. Gardner and Jno. Powell. From Benton: Messrs. Jno. and James Cowan and Philip Swayze. From Bentonia: Mrs. Sadie Rosenberg, Mrs. Nosmith, Miss Susie Lumbley, Mr. L. E. Lumbley.

Arkansas Traveller Tobacco is a house hold necessity with thousands of families all through this section. When a bill is made out, as to what the farmer is to buy when in town, the first thing on the bill is Arkansas Traveler. The first thing when the old man gets home, all the boys and ailedings of the family ask the question, "Did you get the Arkansas Tobacco for me?" "Surely I did." "Well hand it out, I'm dry for a chew; and so he'until each gets his plug, and begins to roll it as a sweet morsel under their tongues. It sells like hot cakes at every country store and is always in demand for its intrinsic excellence. It is manufactured by Winfree, Adams & Loyd, Lynchburg, Va., and is for sale here by Col. I. N. Gilruth.

Messrs. W. C. Craig and O. L. Putnam, of the firm of R. E. Craig & Co., of New Orleans, cotton factors, were in our town last Tuesday, making arrangements to establish an office here, and keep a cotton buyer here during the next cotton season. This house has most excellent facilities for handling cotton, and the establishment of an agency here will be of advantage to both our merchants and farmers. It is one of the most reliable houses in the United States.—Kosciusko Messenger.

J S. Williams offered the following resolutions, which were unanimously adopted:

WHEREAS, The next Legislature will be called upon to select a successor to Gen. E. C. Walthall in the U. S. Senate,

Be it resolved, That the Democratic party of Yazoo county in convention assembled instructs its Senator and Representatives to vote for that gallant soldier, distinguished citizen and able statesman to succeed himself.

Resolved, That the people of Yazoo county continue and shall always continue to resent the gross injustice of paying levee taxes whilst Holmes county, equally protected by the levees, is exempt therefrom, and that we do hereby instruct our Senator, Floater and Representatives to strain every nerve and use every means to put the swamp lands of Holmes county in the levee district.

R. S. Holt offered the following resolution, which was adopted by acclamation,

Be it resolved by the convention, That seven delegates be chosen, one from each Beat, to be selected by the delegates from the Beat, and two from the county at large to be selected by the chairman of this convention, to represent this county in the District Convention and that these delegates be instructed to vote for R N Miller for District Attorney.

Capt. Peter Simmons, of Holmes county, was nominated for Floater by acclamation.

J. S. Williams, in a splendid tribute to his worth as a man, citizen and Sheriff, here announced that Capt. Sim Harrison, returning heartfelt thanks to his friends for their generous support, and pledging his most hearty support to the nominee of the Convention, had withdrawn from the race for Sheriff.

R. G. Hudson moved that the Chairman of each precinct delegation hand in the tally sheet of his precinct to the Secretaries and that they tally the vote for each county office and announce the result to the Convention, the candidate receiving the lowest vote be dropped until nomination is reached, which was amended by J. S. Williams that one gentleman from each precinct be appointed a committee to receive the tally sheets, and tally the vote for each office and report the result to the Convention, which was further amended by D. R. Barnett by adding to the Committee the Secretaries of the Convention. The motion as amended was adopted and the following gentlemen appointed:

Capt F S Moore, T A Holloman, R G Hudson, F C Wilson, M W Richardson, D W Thomas, T C Gassaway, Wm Barksdale, J M Brumfield, W M Ball, W T Shurley, W R Bridgeforth, J Caruthers, T J Red, Hugh McNeill.

The Convention then adjourned until 2 o'clock to give the committee time to tally the vote, at which hour it reassembled and the committee not being ready to report the Convention adjourned until four o'clock, at which hour it re-assembled, and the committee made a partial report showing the vote for Sheriff, Chancery Clerk and Treasurer as follows.

For Sheriff, Love, 81 09, Pearce 68.91.

Chancery Clerk, Griffin 90.25, Shannon 11 23, Swayze 42.52.

Treasurer, Powell, 71.42, Phipps 36.41, Manor 42.17. With Phipps out, Powell 85.62, Manor 54.38.

D. C. Love was declared the nominee of the Democratic party of Yazoo county for Sheriff, S. S. Griffin for Chancery Clerk, Geo. M. Powell for Treasurer.

The Convention re-assembled at ten o'clock and the vote was announced.

For Assessor, W. F. Stubblefield 55.35, John Berfield 44.55.

The committee here announced that they found after tallying the vote for the Legislative ticket and Circuit Clerk that it would be impossible to reach a nomination for the latter office and for only one candidate for the Legislature from said tally, the second choice which was expressed not giving any candidate a majority.

Maj. J. S. Hirt having received 110.79 votes for the Legislature was declared nominee for Representative.

Mr. J. S. Williams moved that the delegates cast the votes of their precinct for any candidate who is dropped or withdrawn in their discretion except when the vote is instructed for some other candidate, in which case instructions are to be followed. After much discussion this was adopted:

A ballot for Circuit Clerk was ordered. Messrs. Nesmith, Clark and Bowman were withdrawn, and Mr. Vaughan was dropped as the lowest candidate. The ballot resulted: Picket 82 and a fraction, Campbell, 67 and a fraction. Mr. Pickett was declared the nominee for Circuit Clerk.

A ballot for the Legislature was taken and resulted, Perkins 78.20, Holloman 76.25, Wallington 65.55, Newbaker 54.50, Hudson 52 30. Perkins and Holloman were declared nominees for Representatives.

D W Thomas was declared to be the unanimous choice for County Surveyor.

W J Royster was elected Coroner and Ranger.

R S Holt moved a reconsideration of his motion for the election of one delegate from each Beat by the delegates to represent the county in the District Convention, which was carried. Mr. Holt then moved that the chair appoint the delegates from those beats which have not chosen delegates and also delegates from the County at large. Carried. A motion by R. G. Hudson that the chairman be added to the delegation was carried.

The delegates to the District Convention are Messrs. Frank Hirsh, Beat 1; D Bunch, Beat 2; R S Holt, Dr H Yandell and W D Gibbs, Beat 3; W L Bridgforth, Beat 4, and W H Reid, Beat 5. Mr W A Henry was added by the convention.

The Beginning of the End.

The beginning of disease is a slight debility or disorder of some of the vital organs, the stomach, the liver or the bowels usually. There are dyspeptic symptoms, the liver is troublesome, the skin grows tawney and unhealthy looking, there are pains in the right side or through the right shoulder blade. The climax is often an utter prostration of the physical energies, perhaps a fatal issue. But if the difficulty is met in time with Hostetter's Stomach Bitters, which is always effective as a remedy, and it should be resorted to at an early stage, there will be no reason to apprehend those injurious subsequent effects upon the system often entailed by entirely cured diseases. For better is it, also, to employ this safe remedial agent in fever and ague, and other malarial complaints, than quinine and other potent drugs, which, even when they do prove effectual for a time, ruin the stomach and impair the general health.

The Brookhaven Dramatic Co.

One of the best troupes that ever acted to a Yazoo audience is the Brookhaven Dramatic Company, and for amateurs they are certainly excellent. Mr. Lewis Gillespie is entitled to great credit for their training and having had experience as a member of Miss Mary Anderson's Company was especially well qualified for the task of instructing the actors in the various roles of plays given by it, Ingomar, the Barbarian, was well put on the stage. The costuming was very good, each actor did well his part and every one is deserving of special notice. Nature had given Mr. Wm. McGrath the frame and appearance for the character of the barbarian chief and he sustained it well throughout. Miss Lulah Bagsdale, the gifted poetess of Brookhaven, entered fully into the noble character of the heroine and brought out the beauty of the author's conception. Want of space alone prevents a review of the others. On last night Bulwer's great play of the Lady of Lyons was given. Miss Bagsdale as Pauline and Mr. Gillespie as Claude were very generally admired, and as before, the entire cast was good. To-night Pygmalion and Galatea, one of the plays which have added to the reputation of Miss Mary Anderson, as a great actress, will be given. To add to the attraction Miss Lulie Gadberry, a native of our town, will enact the heroine and we understand has very decided histrionic talent. A full house will no doubt attend.

The Company has kindly volunteered to play to-night for the benefit of the Presbyterian Church.

AMONG the people of to-day, there are few indeed, who have not heard of the merits of Prickly Ash Bark and Berries, as a household remedy. Teas and drinks have been made of them for centuries, and in hundreds of families have formed the sole reliance in rheumatic and kidney diseases. Prickly Ash Bitters now take the place of the old system and is more beneficial in all troubles of this nature.

Panic at the Opera House.

During the progress of Ingomar at the Opera House on Wednesday night a shower came up succeeded by a severe wind-storm. During its progress the ceiling near the stage was heard to crack twice and a rocking of the hall was felt in the gallery which was occupied by colored people. A break was made at once and men, women and children rushed pell mell to the door beiding down the stairs. The noise and confusion alarmed those down stairs where the white spectators sat, and but for the presence of mind of a few of the gentlemen, who at once called out for all to sit down, that there was no danger, the consequences might have been serious. As it was, very many were seriously frightened and many of the ladies made sick. A number of couples left the hall and one of the ladies was injured by falling off the steps at a side door. Many of the Silver Creek delegation to the convention attended and they do say that they were worse scared than anybody, but we regard this as a slander as each one insists that he felt no uneasiness himself. We heard one talk of undoubted courage admit that he had never been so badly frightened in his life.

It is a Fact,

that Dr. Harter's Iron Tonic is sending to the blood, entirely extensive propagation, and will safely tide you over that period contemplated by nonfarmers, bearing health, exhaustive upon effections, and will give strength and new life to the entire system.

MARRIED.

At the residence of the bride's brother, Mr. W. A. Henry, in Yazoo City, at 8 o'clock in the evening, on July 21, by Rev. Dr. J. Bardwell, Mr. J. L. MONTGOMERY to MISS ANNIE HENRY.

The fair bride never looked prettier. She was becomingly dressed in a beautiful costume of lawn colored silk. The groom was never handsomer than at the happy moment of his bridal. The ceremony was quite private, only a few intimate friends and relatives being present.

Mr. Montgomery is one of the most worthy young men in Yazoo county. Of one of our best families, intelligent and honorable, he numbers as friends all who know him. He is a popular and successful merchant and planter of Silver Creek. The bride has the good will of her entire acquaintance and well deserves it. One of the most attractive and prettiest of our young ladies, her great amiability and lovely disposition wins all hearts. Yazoo City will lose and the society of Silver Creek gain by her marriage.

Many costly and elegant presents were given.

In common with their very many friends we hope in their union their strongest anticipations of happiness and prosperity may be realized.

LIME AND CEMENT,

YAZOO CITY, - - - MISS.

Am prepared to make liberal advances to planters and merchants desirous of selling their cotton through me next season at Yazoo City. The fact that I have handled a large amount of cotton this season for my numerous friends at a considerable less cost than at the large centres, and at very satisfactory prices warrants me in saying I can save the shipper a whole lot of money over the old plan, giving them quick sales at full prices, and the use of their money early without that vexatious item of Exchange, to get their money here. Give me your liberal patronage and I'll help you to build up a market at your doors that will be naturally beneficial. I refer without permission to
