Office—No. 224 Main Street. Up Stairs

Yazoo City, April 5, 1889

LOCAL JOTTINGS.

The Knights of Pythias Lodge meets tonight at 7 o'clock sharp.

A few April fools were caught on Monday.

Trinity Guild meets next Thursday at Mrs. N. T. Pugh's.

Easter will be in two weeks from Sunday next. Lent is nearly gone.

Early vegetables have been putting in an appearance for some time.

The Wesleyan Society meets next Wednesday evening at Mrs T B Craig's.

The Good Templars Lodge meets on Monday night at the rooms of the Y M C A.

We are glad to note that Mrs I Morris is recovering from a recent spell of illness.

The Georgia Pacific now runs a train daily each way from Greenwood to Greenville.

There was a very pleasant childrens' party at the residence of Mr J. F. Goring on Friday night last.

Rev Dr R S Woodward will lecture on temperance tonight at the Baptist church at the request of the ladies of the W C T U.

Hon C H Lyons secured this week the pardon at Mr J S Winstead, who was convicted a number of years ago of incest.

Mr Robert Campbell is prepared as U S Commissioner to make out revenue license, and all who desire any should call on him.

Mr Doug Manor pleaded guilty of violating the local option law before Mayor Dees, was fined $25 and sent to jail for 30 days.

A pleasant entertainment was given to a few friends on Wednesday evening at Judge R Beaman's, complimentary to Miss Nannie Herrin.

We have been requested to announce that there will be services both in the morning and evening of Sunday next at the Baptist Church.

There will be the regular monthly business meeting to-night at 7:30 o'clock, of the Y. M. C. A. Every member is earnestly requested to attend.

We hear that several mules have died on the lower end of Silver Creek of glanders. The planters are making every effort to prevent its spread.

On our first page we have an article from the Commercial Herald on the "King's Daughters." We ask all the ladies to read it and think that Yazoo City should have a similar association.

We are requested to tender the thanks of the Baptist congregation of Yazoo City to the many, not of their communion, who assisted them to entertain their guests, in the choir and in many ways.

In the proceedings of the City Convention in last week's HERALD there was a mistake. It should have been stated that Mr. Theodore Beamon withdrew from the race for Aldermen while still in the lead.

Mr. Ben N. Ward, the son of Dr. Ben Ward of Leaks, who, with Dr. J P Moore, owns one of the finest places on Wolf Lake, carried off the honors for oratory at the junior exhibition of the Alabama University.

From all sides we hear splendid accounts of the excellent opening for the crop. Corn in most places is up and doing well, and some planted cotton two weeks ago. It we can count on the same season throughout this will be the best Yazoo has ever known.

A small vote was cast for Aldermen on Monday last. As there was no opposition whatever to the excellent nominations of E. B. Kelly and J. M. D. Haverkamp of Ward 1 and Jno. Lear and E. Luke of Ward 2, most of our citizens actually forgot that it was election day.

Mr. Sol Wolerstein has received a patent for a combined match-safe and ticket holder. Sol possesses genius in many lines, and his friends in Yazoo are always glad to hear of his success, and hope that his patent may prove as valuable as the capital prize in the Louisiana Lottery.

Mrs. Webb of the W C T U at Clinton, reorganized the branch here on Monday last, the officers elected are, President, Mrs W A Henry; Vice President, Mrs S S Shipp; Secretary, Miss Mabel Craven; Treasurer, Mrs R L Bennett; Organist, Miss Nannie Warford, Mabel Craven.

Decidedly one of the most elegant entertainments that have been enjoyed in Yazoo City was the fancy dress party given on Wednesday night by Mr. and Mrs. C. E. Crane to Miss Addie Crane. The costumes, some comic, many handsome, made an interesting picture, the supper would have tempted an epicure, and the music was entrancing.

One of the most important matters to our business men is a street sprinkler, and we are very glad to learn that Mr. Jno Deyoto has received the subscription of nearly every merchant on Main street to the project. Our space does not permit us to publish the list this week, but we will do so in our next issue.

The Y. & M. V. Railroad, like the Illinois Central, keeps endeavoring to accommodate the people in Tuesday-Wednesday territory it runs and will go to bring over at Jackson for the V. & A. [illegible] Miss Selma Asher to the m[illegible] brother, Mr. Henry Asher. Miss [illegible] had been visiting her sister, Mrs. L. S. Schwartz, at Birmingham, and her brother-in-law came with her.

We have heard the steam laundry extensively discussed and we do not see why some one does not take hold of it. It would not require any great amount of capital and would bring in a handsome revenue to the investor. Every week hundreds of dollars are spent, in cash, for washing, and a good steam laundry would get the most of this. Let some one go to work and make money for himself and benefit the town.

We direct attention to the advertisement elsewhere of Messrs. J. Wolerstein & Son, who are now receiving and opening a magnificent and extra large stock of Spring and Summer Millinery, Dry Goods, notions, Dry Goods, Notions, etc. In every department the stock is full and complete, bought by Mrs. Wolerstein in New York, who as well knows the wants of their customers. Do not buy your spring goods until you have examined this stock.

Meeting County Alliance.

The County Alliance will meet in Yazoo City on the third Thursday of April, (18th) Black quarterly reports will be handed to the Secretaries of Sub-Alliances as soon as possible. The Secretaries are requested to be careful in making their report. J. R. McCutchen.

Proceedings of Yazoo Central Baptist Association.

The District Meeting of Central Association met at Yazoo City Friday morning March 29, 1889, and was called to order by Rev. Dr Sproles.

After singing and prayer Rev Dr. Sproles was made Chairman and F. L. Dunn chosen Secretary.

First discussion was on Ministerial Purity. An essay by Dr Pitman was read by Brother Sproles, and discussed by brethren Woodward, Lovell and Sproles.

It was ordered that this meeting join in with Yazoo Association and have Dr. Pitman's essay on Ministerial Purity published in the Baptist Record.

It was made a special order that Sabbath School work be taken up for discussion Saturday night at 7.30 o'clock.

The discussion on Women's Work to be taken up Sunday evening at 3 o'clock.

Questions of Missions set for Saturday 10 o'clock a. m.

Educational Work, by Bro. Lovell set for Friday night, 7.30 o'clock.

The meetings of this body will be: 9 a. m., adjourn 1 p. m. Evening Session, 3 to 5:30. Night Session 7.30 o'clock.

2D DAY—MORNING SESSION.

Brother Sproles read a paper from Rev. H. W. Bowen, absent. The paper contained suggestions as to how the white people could contribute to the propagation of the Christian Religion among the colored people to help them build churches and educate their young preachers, and an invitation extended to his white brethren to assist in all these works. In the minutes was a strong letter. Dr. Sproles made a splendid argument on this question; also short speeches were made on this point by the two colored ministers, T. L. Jordan and —— Boulden.

It was ordered that H. W. Bowen's paper be published in the Baptist Record.

Question of Mission.—A paper on this subject was read by Rev. Wm McMurtry, and commented on by Bro. Lovell. This was a splendid paper.

Personal Christian Consecration, Rev Jno R Croom. This subject was discussed by Bro. Croom in his usual persuasive way, which is his mode of handling all momentous questions, followed by Bros McMurtry and Sproles.

EVENING SESSION.

Discussion of Lay Members Criticising Pastor's Duty to Church members.—This subject was well handled, and those pastors present, no doubt, made valuable notes for further guidance.

Fidelity to Religious Conviction, introduced by Dr. Sproles. This was a delicate point, but being an old soldier, he elevated his field pieces and brought them to bear on both wings of the enemy, while a middle was kept on his center.

Missionary Conviction.—This subject was reduced to writing and was read by Rev Dr. Sproles with comments.

NIGHT SESSION.

Sabbath School Work. This interesting subject set for this hour, was opened by the Chairman's reading a paper contributed by Bro. Jno. T. Buck. After comment from Bro. Sproles, the gifted Miss Nannie Warford read a splendid essay on this work. The work was commented on by brethren R. L. Bennett, J. G. McGuire and Rev. Dr. Woodward. This Christian gentleman (Dr. Woodward) had something to say on almost every subject brought up, and his way of arranging and presenting a subject was highly interesting, and showed a splendid store of knowledge on the various topics of religious theory.

3D DAY—SUNDAY MORNING.

After Sunday School exercises, Rev. Dr. Sproles preached the morning sermon; and again at night.

3 p. m.—Mrs. Webb, of Clinton, made a long and instructive talk to the ladies on Woman's Work.

The meetings of the Association are deeply indebted to Misses Nannie Warford and Mabel Craven for the splendid music furnished, with the assistance of Messrs. R. L. Bennett, S. S. Shipp and lady, and a host of other good singers.

LIST OF DELEGATES.

Rev. Wm McMurtry, Yazoo City.
Rev. H. F. Sproles, Jackson.
Rev. Jno. R. Croom, Yazoo City.

A Good showing for the County

Below we give the settlement of poll tax with the Auditor made by the Sheriff in 1888 and 1889, for the years preceding, which shows up well for Yazoo county:

1888.	
Total polls	5[illegible]
Amount collected	2[illegible]
Delinquent	22 9
1889.	
Total polls	6[illegible]
Amount poll tax	1481
Delinquent	207

According to this there were in 1888 645 more male persons over 21 and under 55 years, not liable from poll tax in Yazoo county, than in 1887. Noting the proportion to increase in people at the rate of two each year, we have; 1888 more people in 1888 than in 1887, a fair gain for one year. According to the reports the difference in collection of poll tax was $700 in favor of the latter. In many ways our county is improving.

"Topaz" Cinchona Cordial and "Topaz" Liver Pills are the best remedies for Chills and Fever. Malaria &c., now in use.

Mr. Will Cowan, who is a fleecy worker in the interests of Greenwood, landed in this week a circular using the sale of town lots at auction, which takes place on the 5th. They are in Greenwood and be known the Georgia Pacific and the Y. and M. V. Railroad. Greenwood is on a boom.

DIED

At Fort Riley, Kansas, on Wednesday, March 27th, 1889, Dr Richard Barnett, aged forty years.

The deceased was born in Yazoo City, on April 13th, 1849, and was the son of one of the ablest physicians and most prominent men, of our county. Devoting himself to the profession which his father adorned when quite a young man he obtained the appointment of surgeon in the United States Army. Possessed of an excellent mind, handsome person and pleasing address, he mingled in one of the best families of our State, he made warm friends and admirers wherever he lived. His remains arrived in Yazoo City Tuesday and were taken to the cemetery for interment. Rev. Mr Hallam the Episcopal clergyman of Jackson, coming over on the train to perform the last services of the church. His remains were delivered to the tomb by a number of our citizens who had been attached to the family. Dr. Barnett was the brother of Hon. O. R. Barnett of our town.

To the bereaved friends and relatives we tender our sympathy.

In Yazoo City, on Monday, April 1st, 1889, Mr. Henry Asher aged 21 years.

The deceased was born in Yazoo City on Feb. 12th, 1868, and was cut down in the blood of youth, just budding into verge of manhood. He was one of the most attentive boys to business that our town possessed and had given proof, even at his early age, of ability to manage affairs. A devoted son and brother, a warm friend and pleasant companion, his loss will be felt and his untimely death deeply mourned. The entire community sympathize with a father, mother and sorrowing sisters and brothers.

The Best Town in the State.

Elsewhere we publish a Directory of the business houses of Yazoo City, which we may say was gotten up by the merchants of Yazoo City and direct the attention of all who have any business with Yazoo City or any trade to its columns.

Favored in many ways, there is no doubt but what prevent the rapid success of Yazoo City as a business point and every reason to expect that our trade will continue to expand. The railroad has opened up new avenues of commerce which have brought a more cotton, more people to buy various things from our merchants and business men. The last season was a bad one for the planter. The cotton crop was short. It we had the sense to see at hand we are sure we could show that no town in Mississippi has done any better than ours. Our solid merchants have passed through unscathed and only one failure occurred, this if we are sure even more to the sensitive scruples of the members of the firm, fearful of adding a doubt that perhaps they might not pay, than necessity. We have one of the healthiest places in the United States, one of the prettiest towns in the South and one of the best governed. Each year trade more and more centralizes in Yazoo City and with a good crop there would be such an influx to business as would give redoubled life.

We have only one complaint to make, our capitalists, our big merchants do not use their advantages as they should. Greenville, Vicksburg are ever on the alert to secure new railroads and the best rates. They continue work until they accomplish their object. It is easily within the power of Yazoo City to do the same thing. Another thing, they do not make the effort to secure the new business they could easily get. We have repeated time and again that Yazoo City could get thrice the business it does, and there is no question and the correctness of this assertion.

Notice.

Paterno & Covert requests the white teachers of the Public Schools of the county to call at their Studio as they wish to finish up the group of teachers.

Dr. H Yandell.

Dr Henry Yandell, for many years one of the leading physicians of this county, a most excellent citizen, Christian gentleman, and who has friends all over the State, left yesterday evening for Washington Territory, where he expects to make his home in future. Dr. Yandell leaves Yazoo on account of his health, which he hopes will improve by his removal. Always an active, vigorous, progressive man, he has been one of prominence in this county, and his departure will be a source of much regret. In his profession, as well as a citizen, he made friends who acknowledged his ability and admired his open, frank manner of expressing himself. The HERALD regrets his leaving, but trusts that the change of scene in health and financial prosperity may be his in his new home. Mrs. Yandell, with the two younger boys, will leave next week to spend a while with friends in Louisville, Ky., and with her family will go to Washington Territory early in the summer. The loss of this family will be sorely felt, and to one and all of them the HERALD in wishing them success, but reflects the sentiment of many friends and admirers.

Petty Pilfering

For some time past the HERALD office has been annoyed by petty pilferers.—They enter the office and steal therefrom all the postage stamps that we can buy, and help themselves to stationery. It is kept up we do not doubt, but that the thieves will serve a term on the county farm. A word in the wise might to be sufficient.

I is acknowledged to all the superiority of Arkansas Traveler Chewing Tobacco over all other brands is a topic upon which all agree. For years it has been on the market and never has its sales been larger than at present, and never over there was more discussion of having Arkansas Traveler their own. This is due to the fact that the manufacturers, Messrs. Wallace, Adams & Lloyd, Lynchburg, Va., never use anything but pure and fine, in the choice perfecting any injurious compounds to get into the plugs. If your grocer has none on hand tell him to keep up with the progress of the age and order it at once. It sells all other tobacco.

Unkindly Laughed At.

The unthinking are prone to make game of nervousness. Yet this is a very real and serious affection, the harassing symptoms of which are rendered all the more poignant by ridicule. The stomach is usually responsible for these symptoms—its weakness and disorder find a reflex in the brain, which is the headquarters of the nervous system. As a nerve tonic and tranquilizer, we believe that not one can be pointed out so effective as Hostetter's Stomach Bitters. In renewing vigorous digestion, it strikes the key-note of recovery of strength and quietude by the nerves. Headaches, tremors in quiet sleep, abnormal sensitiveness to unexpected sounds—all these modify and ultimately disappear as the system gains strength from the great tonic. Dyspepsia, biliousness, constipation, costiveness and kidney complaints are subdued by the Bitters.

One of the strongest and handsomest sales ever in Yazoo City is the one put into the store of Mr. E. F. Searle this week. It is absolutely burglar and fire proof, and thieves will find themselves baffled should they ever attempt to break in one. It is made of steel throughout, has two combination locks, twelve strong bolts, besides many smaller ones, and the inner door is not solid steel but both thick, the joints fit so tight. It is a wonderful piece of mechanism.

On Monday night Magnolia Fire Company transacted considerable business.—J. F. Powell, Jr., was admitted as a member, the resignation of Geo. Brown as Engineer and Steward was accepted, and T. C. Gassaway elected in his place. Five delegates were appointed, and it was decided to have an anniversary celebration in May. E. B. Kelly, W. S. Yerger, J. S. Henderson and E. L. Becker were appointed a committee on ways and means to get it up.

J. B. WILSON

—IN—

YAZOO CITY, MISS.

YAZOO CITY, Jan. 1, 1889.

There has been a long felt and expressed desire in this section for a more stylish and better bred class of buggy and general driving horses that would combine speed, size and gentle disposition.

I think I have succeeded in obtaining such a horse in "STRATEGY" and I have no hesitation in saying that he is the finest specimen of the trotting bred horse ever seen in this part of Mississippi, and with his unexceptional breeding he can hardly fail to sire the finest of buggy and general driving horses.

At the same time it has been a matter of general complaint among all of our farmers on account of the universal smallness of the native mares of this section. They are generally under size—both as a brood mare when bred to the average horse and too small for general work. I think I have succeeded in getting in "TOM MORGAN" a horse that will meet this growing complaint. Persons having the average mare of this section will by breeding to Tom Morgan get a horse combining size, and at the same time a fast mover with good color and gentle disposition. For, in my opinion, "Tom Morgan" is an extraordinary fast moving horse for his size. Respectfully,

J. B. WILSON.

DESCRIPTION AND PEDIGREE OF TOM MORGAN.

Tom Morgan is a blood bay horse with black mane, tail and legs, stands 16¾ hands high and weighs 1300 pounds. He is sired by an English Shire and dam is Morgan trotting mare. LIME AND CEMENT,

YAZOO CITY, - - - MISS.

Am prepared to make liberal advances to planters and merchants desirous of selling their cotton through me next season at Yazoo City. The fact that I have handled a large amount of cotton this season for my numerous friends at a considerable less cost than at the large centres, and at very satisfactory prices warrants me in saying I can save the shipper a whole lot of money over the old plan, giving them quick sales at full prices, and the use of their money early without that vexatious item of Exchange, to get their money here. Give me your liberal patronage and I'll help you to build up a market at your doors that will be naturally beneficial. I refer without permission to

When You BUY FINE SHOES

Do not expect them to do the same kind of service required of a Plow Shoe. Do you put on your kid gloves to work in? Do you wear your "best suit" fishing, hunting or while at work? Would you enter a butting match with your "Derby" on? Then why require of a Shoe to do that for which it was not made? Remember that shoes are made of Leather. That water will wet it, fire will burn it, cheap polish or blacking will harden and crack it, and that with any treatment it will sooner or later wear out.

Buy Your Shoes from Us.

Buy them intelligently; that is, buy them for them for the purpose for which they were made, and you will save money.

Look out for this space in the next issue. We are going to tell you a secret

Yours respectfully,

P. B. Powell & Co.

Gold,

GOLD, GOLD.

We are prepared to offer money on more favorable terms than ever, and can promise loans on shorter time and better terms, on good real estate security, than any one in the business. We will give borrowers as long time as they want, not over ten years, and fix the payments to suit them. We will negotiate loans as small as $300. Apply to us or Major J. R. Bell, at Bentonia, who will examine the security offered and report without delay.
