SENECA COUNTY FAIR, 1860.

10th Annual Fair of the Seneca County Agricultural Society, to be held on Wednesday, Thursday and Friday, 3d, 4th and 5th of October.

PREMIUMS AND REGULATIONS, FOR THE FAIR.

Exhibitors are requested to have their articles entered on the books of the Secretary, before they are placed within the enclosure.

This entry may be made upon the books at any time during the 20 days next preceding the Fair, and on Wednesday the first day of the exhibition.

On the entry of articles and animals, cards will be furnished by the Secretary, upon which will be entered the number and class, as upon the books, which are to be placed upon the animals and articles to be exhibited, but the names of Exhibitors will not be put upon the cards.

No article entered for exhibition shall be removed from the grounds, except by permission of the President. Every exhibitor must have his article on the ground on Wednesday. The membership fee of $1,00 must be paid prior to, or at the time of the entry of articles for exhibition upon the books of the Secretary.

Applicants for premiums on field crops must send in their statements, certified to under oath, as required by the Constitution of the Society, to the Secretary, previous to the first of January 1861.

JUDGES.

Judges are requested to report themselves at the business office Thursday, 9 o'clock A. M. They are expected to make written reports of their awards, giving reasons for preference to articles and animals, upon which premiums are awarded.

All reports of Judges are expected to be handed in by 12 o'clock M. Friday, the 3d day of the exhibition.

SPECIAL INSTRUCTION TO JUDGES.

Judges of animals will have regard to the symmetry early maturity and size, and make due allowance for age, feeding, etc. They are especially requested not to give encouragement to overfed animals for breeding purposes. No person, except a member of the Board, will be allowed to interfere with the Judges during their examinations.

The Judges are requested to examine all cards upon animals and articles offered for examination, and ascertain if the same belongs to the class upon which they are appointed to make awards.

Upon finding animals or articles within the enclosure without the proper card attached, they will report the fact to the Secretary, whereupon the Marshal will remove the same from the grounds.

The board and the public are fully aware of the increased interest which is kept up by the free circulation of Agricultural papers. It is therefore resolved, that in keeping up this custom we will so arrange, that all successful competitors will receive an Agricultural paper for one year, in addition to the cash premium.

A fine diploma, same as awarded at the "State Fair," will be added to all first premiums.
