Special Notices.

Hair Dye.—This Dye is perfect—harmless—reliable. The Compound, as connected with all Pulmonary complaints and kidney troubles, it heals, strengthens and removes the disease, and adds an increased vitality to the part affected.

Night Sweats in Four—In selecting a Hair Restorative, see that you buy the liquid—not the bottle. Barrett's boils eight degrees—others four to the.

J. W. Pulsifer's Humor Healer, which by the way, is the standard medicine of the day for the cure of Scrofula and all Diseases of the Blood, and is put up in large bottles, and for sale by all druggists.

We judge from the immense sales that Mrs S. A. ALLEN'S RESTORER (new style) HAIR RESTORER or DRESSING (in one bottle) is preferred by every one. Every Druggist sells it. Price One Dollar.

The Difference.—One of the chief points of difference between civilized and barbarous man kind is in the attention given to the natural covering for the head; the one being carefully cut cleansed and brushed, and the other allowed to remain dirty and unkempt. The use of "Barrett's Vegetable Hair Restorative" will ensure all that could be desired.

Purchase only the best.—In a majority of advertised bitters important ingredients of the quality of which are plainly indicated, are omitted, because of their high prices; in others, the proportions and combinations of the ingredients are in defiance of all settled principles of pharmaceutical chemistry; others, again, are merely rot gut, made up of pale whiskey slightly tinctured with aloes and colored in such a manner as to deceive the unwary, and are so nauseating as to be unworthy of criticism and to the patient the remedy is worse than the disease, while years of experience and trial have proven *Dr. Roback's Stomach Bitters* to be, just as recommended, one of the best remedies extant where a stomachic tonic and stimulant are required. They never fail to strengthen the weak, impart vigor to the strong, and are, in every particular, just what a stomach bitters ought to be. If you have symptoms of Dyspepsia, take them freely to aid digestion. If you reside in bilious districts, they should be taken as a sure prevention of Bilious Fever and Fever and Ague, Liver Complaint, Jaundice and in all that class of diseases where due to a general depression of the nervous system, loss of muscular energy, weakness, lassitude, want of appetite, faintness, chilly sensations and aching of the bones, &c. And, as a remedy for female weakness, leucorrhœa, or Whites, Roback's Stomach Bitters have no equals. They are prepared with special reference to this complaint, and act like a charm. A few days trial will satisfy the most sceptical of the real merits of this really valuable medicine. Hershiser & Myers, Sole Agents, Tiffin, O.

PUBLISHERS' NOTICE.

All advertisements intended to appear in the current week, must be handed in as early as Wednesday morning.

We aim to make the TRIBUNE a repository of Local Events, in all parts of the county, and we would thank our friends in the different Townships for any items of interest they may send us.

Town and Country.

THURSDAY MORNING, OCT. 22, 1868.

We direct the attention of Lumbermen to the advertisement of the Tiffin Agricultural Works in today's paper.

Gives 'Em Fits.—Mr. Ryan's new cutter Mr. C. Limbach, has the fact of giving those having their boots made to order at that establishment, fits, whether they want them or not.

The Little Corporal.—This vivacious and excellent journal for young folks, has donned a new suit, and looks like a brigadier in its blue overcoat. The paper is principally edited by Emily Huntington Miller, one of the most readable writers in our country. Price $1.00 per year. The two numbers of this year will be included, if subscriptions are sent this month. Address Alfred L. Sewell, Chicago, Ill.

Correction.—In our report of the Republican case the evidence stated that John Willcox restored the pistol to Witter previous to his departure. It should have read John Cook. This was an error, for Mr. John Willcox was not implicated in the matter in any manner.

Y. M. C. & L. A.—The regular monthly meeting of the Young Men's Christian & Library Association will be held in the City Hall, on Monday evening, Oct. 26th, commencing at 7½ o'clock. An essay will be read by Prof. S. J. Kirkwood, and short addresses will be delivered by T. J. Bacher and T. G. Mc Calmont, who have just returned from the meeting of the State Convention at Cleveland. An intermission will be given to afford an opportunity for introductions and social intercourse. Let every one who is interested in the moral and religious welfare of our city, be in attendance.

Masquerade.—The first Masquerade Dance of the season will come off at the National Hall, on the evening of the 27th of this month, being next Thursday. The best of order will be maintained and it will be taken care that nothing occurs to mar the pleasure of any one. The music for the occasion will be furnished by Boos and the WAGNERS, which is guarantee sufficient to know that the music will be first-class. We hope to have a good turn-out and a lively time.

Premium Work.—In our article on the Fair, last week, we inadvertantly neglected to mention the display of boots and shoes. This was a great oversight, for there was on exhibition two cases of very neat work, and we particularly desire to notice the work of Messrs Martin & Shields. Their goods were put up as only such work ought to be, and as an evidence of its superiority of workmanship would state that it received four premiums out of five, devoted to their line of business.

Defeated, but Not Whipped.—Gen. Gibson left the first of the week to make speeches in the State of New York, and in the New England States until the first of November, when he will return to vote for Grant. Though defeated for Congress in his District, he is still on the "war path" confident of victory in November. He says it is not the first time he has been beaten.—He has fought them on many a battle field, and once or twice been whipped, but in the end his arms were victorious and the rebels went down. They will go down again.

WALKS AND TALKS.

Wanted—a democratic candidate for President—"no Irish need apply."

Birds of Paradise will ornament the fashionable hats this winter. So the milliners tell us.

The long-needed repairs in the macadamizing of the south end of Main street, are being prosecuted.

The past fortnight has been noted for the absence of sunny days and moonlight nights. Let us have—a piece.

Cider is remarkably plenty this fall and brings a fair price. We may safely say there is a right smart chance for vinegar.

The Shawhan House, we understand, is to go to have a change of Landlords. A gentleman from Indiana, takes the house and Sheriff Myers retires.

A couple of severe frosts, last week, have harvested up our farmers to unusual exertions in behalf of their still exposed crops. "Jack" is a lively and trump, this season, with his tricks.

The M. E. Sunday School has lately been reorganized with P. J. Wilson as Superintendent, Mr. John G. Gross retiring. The school is prospering.

We will publish the list of Premiums awarded at the recent County Fair, in our next issue,—it not having been furnished us in time to publish entire this week.

Mr. Joe Zimmerman will please accept our thanks for telegraph favors. Our readers wanting anything done in that line will find the Western Union the line and Joe the boy to do it satisfactorily. You bet.

New York fashions for gentlemen are more ridiculous this fall than ever before. Tight pants, short coat, and feet large enough to contain organs of respiration and digestion.

President Johnson fixes and sets apart Thursday, Nov. 26, as a day of national thanksgiving. By that time the nation will have Grant and Peace, and a thankful people will attest their gratitude.

The Ohio Stove Works have more orders than can be filled. Forty men are at work and still are not able to meet the demand. With proper railroad facilities for bringing raw material and shipping manufactured goods this establishment would rival any in the West.

HERE AND THERE.

John A. Bradney, Esq., was elected Justice of the Peace in Loudon township, on last Tuesday.

The people of Ottawa County have voted, by a majority of fifty, to remove the county seat from Port Clinton to Oak Harbor.

If Huron County gives Grover 1,800 majority as is now reported, Dickinson's majority, frauds and all, will not exceed 1,250 in the District.

Ex-Gov. Beall, of Wisconsin, a son-in-law of Fenimore Cooper and brother-in-law to Hamilton Fish, has been brutally murdered in Helena, Montana.

The Sunday School Conference and Normal Institute, of Sandusky District, Northern Ohio Conference, Methodist Episcopal Church, will be held at Clyde, on the 27th inst.

The German Sacengfest, which closed at Sandusky Friday, was a complete success in every respect. Upwards of three thousand and four thousand delegates from foreign societies were present, and took part in the concert, Thursday afternoon. Friday was spent by the visitors on Kelley's Island.

The above couple have our congratulations for their future happiness and prosperity. YOU ALL

HAVE HEARD OF

HOOFLAND'S GERMAN BITTERS,

AND

Hoofland's German Tonic.

Prepared by Dr. C. M. Jackson, Philadelphia. Their introduction into this country from Germany occurred in

1825.

THEY CURED YOUR

FATHERS AND MOTHERS.

And will cure you and your children. They are entirely different from the many preparations now introduced into the country called Bitters or Tonics. They are no tavern preparation, or anything like one; but good, honest, reliable medicines. They are

The greatest known remedies for

Liver Complaint,
DYSPEPSIA,
Nervous Debility,
JAUNDICE,
Diseases of the Kidneys,
ERUPTIONS OF THE SKIN,
and all Diseases arising from a Disordered Liver, Stomach, or *IMPURITY OF THE BLOOD.*

Constipation, Flatulence, Inward Piles, Fulness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn Disgust for Food, Fulness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried or Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a Lying Posture, Dimness of Vision, Dots or Webs before the Sight, Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, etc., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil and Great Depression of Spirits.

All these indicate disease of the Liver or Digestive Organs, combined with impurity of the blood.

Hoofland's German Bitters

is entirely vegetable, and contains no liquor. It is a compound of Fluid Extracts. The Roots, Herbs, and Barks from which these extracts are made are gathered in Germany. All the medicinal virtues are extracted from them by a scientific Chemist. These extracts are then forwarded to this country to be used expressly for the manufacture of these Bitters. There is no alcoholic substance of any kind used in compounding the Bitters, hence it is the only Bitters that can be used in cases where alcoholic stimulants are not advisable.

Hoofland's German Tonic

is a combination of all the ingredients of the Bitters, with three Years Cruz Rum, Orange, etc. It is used for the sick & invalids, at the Bitters, is extremely pure alcoholic stimulant is required. You will hear in mind that these remedies are entirely different from any others advertised for the cure of the diseases named, extracts, while the others are mere decoctions of rum in some form. The TONIC is decidedly one of the most pleasant and agreeable remedies ever offered to the public. It is delicious to the taste, a pleasure to take it, while its life-giving, exhilarating, and medicinal qualities have caused it to be known as the greatest of all tonics.

DEBILITY.

There is no medicine equal to Hoofland's German Bitters or Hoofland's German Tonic in cases of Debility. They impart a tone of vigor to the whole system, strengthen the appetite, cause the enjoyment of the food, enable the stomach to digest it, purify the blood, give a good, sound, healthy complexion, make the yellow tinge from the eye, impart a bloom to the cheeks, and change the pale, sickly face, of a short-breathed, emaciated, weak, and nervous invalid, to a full-faced, stout, and vigorous person.

Weak and Delicate Children are made strong by using the Bitters or Tonic. In fact, they are Family Medicines. They can be administered with perfect safety to a child three months old, the most delicate female, or a man of ninety.

These remedies are the best

Blood Purifiers

ever known, and will cure all diseases resulting from bad blood. Keep your blood pure; keep your Liver in order; keep your digestive organs in a sound, healthy condition, and by the use of these remedies, no disease will ever assail you. The bad men in the country recommend them. For years of honest reputation go for anything you want try these preparations.

FROM HON. GEO. W. WOODWARD,
Chief Justice of the Supreme Court of Pennsylvania.

PHILADELPHIA, March 16, 1867.

I find "Hoofland's German Bitters" is not an intoxicating beverage, but is a good tonic, useful in disorders of the digestive organs, and of great benefit in cases of debility and want of nervous action in the system.

Yours truly,
GEO. W. WOODWARD.

FROM HON. JAMES THOMPSON,
Judge of the Supreme Court of Pennsylvania.

PITTSBURGH, Pa., April 20, 1867.

I consider "Hoofland's German Bitters" a valuable medicine in case of attacks of indigestion or Dyspepsia. I can certify this from my experience of it.

Yours, with respect,
JAMES THOMPSON.

FROM REV. JOSEPH H. KENNARD, D.D.,
Pastor of the Tenth Baptist Church, Philadelphia.

DR. JACKSON—DEAR SIR—*I have been frequently requested to connect my name with testimonials of diseases cured by your medicines, but regarding the practice as one of my exclusive sphere, I have in all cases declined; but such a clear proof in various instances, and particularly in my own family, of the usefulness of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that for general debility of the system and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fail, but unstinted use, for a reasonable time, will be very beneficial to those who suffer from the above causes.*

Yours, very respectfully,
J. H. KENNARD,
Eighth, below Coates Street.

CAUTION.

Hoofland's German Remedies are counterfeited. The genuine have the signature of C. M. Jackson on the front of the outside wrapper of each bottle, and the name of the article blown on each bottle. All others are counterfeit.

Price of the Bitters, $1 per bottle; Or, a half dozen for $5.
Price of the Tonic, $1 50 per bottle; Or, a half dozen for $7 50.

The tonic is put up in quart bottles.

Recollect that it is Dr. Hoofland's German Remedies that are so universally used and so highly recommended by the press and almost all the Druggists to induce you to take anything else that the may say is just as good, because he makes a larger profit on it. These Remedies will be sent by express to any locality upon application to the
