CORRESPONDENCE.

MATAMORAS.

Miss Ida E. Westbrook, a trained nurse from Columbus, Georgia, who has been visiting relatives for two weeks, returned to the south on Monday. Her many friends in Matamoras greatly regret her departure.

The Busy Bees society will hold a meeting on Saturday afternoon at the home of Miss Nellie Westfall on Third street. They contemplate giving an entertainment at the church on Washington's birthday, Feb. 22, in the evening.

Miss Helen Young of Dimmsburg, Pa., is the guest of Miss Nellie Keyes on Rive street.

John Keyes of New York city, who has been spending some time in Matamoras, has returned. He is engaged in business there.

The presiding elder, Rev. J. R. Wright, D. D., will preach at Epworth church Friday evening and hold the fourth quarterly conference.

The L. A. society will give a chicken supper at the church on Tuesday night, Jan. 14th.

Mrs. M. Dagle of Hornellsville, N. Y., who has been spending some time with her daughter, Mrs. La Forge Nyce, on Division street, returned home Sunday night.

Paul Krann, who has been living on Division street, has changed his residence to Biddis street.

Mrs. Elmer Dubois and two children, who have been residents of Port Jervis for some time, have moved to their former home on Division street. Mrs. Dubois is the widow of Elmer Dubois, who was killed on the Erie road a short time ago.

Dr. Ralph French of Philadelphia returned to that city Sunday. He spent the Christmas holidays with his family on Pennsylvania avenue.

The L. A. S. met this week on Tuesday afternoon at the parsonage at Mrs. T. G. Spencer's on Third street.

The Matamoras Social Club did not meet on Saturday night. It will meet next Saturday evening at Miller's hall.

Miss Edna Van Aken, a teacher in a New York grammar school, who has been spending her vacation with her parents, Mr. and Mrs. John Van Aken, on Cunningham street, returned to the city Sunday evening.

Miss Emma Billman, a teacher in the Matamoras high school, who has been spending her vacation in New York and Paterson, returned home Sunday evening.

Prof. Houck of the Matamoras high school, returned from Hawley on Sunday.

The holy sacrament was administered on Sunday morning at Epworth church. Thirteen persons united with the church on probation.

The Blue Ribbon Lodge will meet at the church on Friday afternoon after school hours.

The revival services were continued in Hope church on Monday, Tuesday and Wednesday evenings of this week.

DELAWARE.

Our mountain roads are in bad condition owing to the recent heavy rains.

Many removals are to be made near this place next spring. Ira Heater will vacate Henry C. Bawen's place and move to Egypt Mills where he will farm for J. E. Nyce the coming season.

John Heater of Delaware has leased P. A. L. Quick's farm near Egypt Mills now occupied by Oscar Courtright. George P. Snyder will move back to his own farm again.

Miss Minerva Heater has gone to Stroudsburg to spend the balance of the winter.

Adam Cambell and Lester Heater are the champion fox hunters of this place, having already killed five.

Wallace Beasley is having the foundation laid for a new barn. James Depew and son are doing the work.

The carpenter work on the new dwelling of John Gould's is completed.

The Saw Creek, Pine Ridge, Barn Dinner and Hemlock Grove schools have been closed by the board of directors on account of the small-pox scare.

George Brosmeser, Jr., has accepted a position near Branchville.

Andrew Beasley is going to enter into the butcher business.

SANDYSTON.

The iron water box in the Delaware mill bursted a few days ago and as it will be some time before repairs can be made Jacob will have a rest.

Miss Sadie McCracken of Layton was the happy recipient of a piano on Tuesday last as a New Year's present from her father. The piano is from the factory of Cornish & Son of Washington, N. J., and is good in tone and most handsomely finished.

The cold weather is making fine ice and some will begin filling their ice houses this week if the cold continues.

On New Year's day I received a letter from Chas. A. Hill, Troop M, 3d U. S. Cavalry, Isle of Luzon, in which he says the natives are going about with little or no clothing, and selling bananas six for one cent and other fruits in the same proportion. I wish we had a little of that weather here just now and the bananas, too, but no Philippines for me.

John J. Van Sickle and J. C. Kitchen in the three years previous to Aug. 15, 1901, shipped 1267 tons of hay, grain and straw, and now have as much more baled but are holding it for higher prices. They are doing business in Ohio, Michigan and other western states. Mr. Van Sickle does the buying and shipping while Mr. Kitchen attends to the eastern end in the way of selling and collecting. The bulk of their stuff goes east via the D., L. & W. to eastern cities, although some goes as far south as Tampa, Fla. The freight on the 1267 tons amounted to over $8000.

The young folks of Sandyston and Montague had a fine time at the party at Mrs. Nellie Bevans' on the evening of Dec. 31. Some thieves stole four or five of the best horse blankets found on the horses, thus leaving the poor brutes to suffer, as it was a severely cold night. A trip to Trenton might cure their thieving propensities.

Dr. Hughes of Layton, assisted by Dr. Chapin of Dingmans, removed a cataract from the eye of Mrs. Rolland of Bevans. The operation was successful and the lady is able to distinguish objects quite plainly.

The pupils of the Layton Sunday school on Sunday last presented their superintendent, Miss Myra Drake, with two pretty vases as a token of their esteem. Miss Mabel Smith made the presentation speech in a happy vein, to which Miss Drake feelingly responded.

Loss of mail matter is causing much complaint. One party mailed a small packet at Layton and it didn't go far before it came to Layton again, I think five times. The sender gave it up and sold its contents here. Another party mailed his insurance papers and $2 to the agent at Newton and has never heard of it since. And the greatest loss of all was a love letter and Uncle Sam's officials are hunting that up. I have heard of several other cases of lost mail, and some one may get caught.

Catalogues and price lists of magazines and periodicals are coming through the mail every week. Looking over the combinations in the club lists one is surprised to see how cheap he can get two, three or four magazines, and first class at that, for a very little money. There is no excuse for not having plenty of reading matter for the coming year.

One of the Newton banks wishes it understood that they will refuse to accept notes bearing date of 189- instead of 190-. Erasing the 189- and writing in 1902 won't fill the bill so just send to the bank and get notes uptodate and you are all right if your endorser is O. K.

The meeting held at the hotel of John A. Westbrook on Saturday last to see what arrangements could be made with Mr. Fulbosm in the purchase of milk for the creamery for the ensuing year arrived at no definite conclusion. Another meeting will be held in a few days and satisfactory arrangements made. More milk is assured this year and I hope to see the creamery in operation.

Coughing

"I was given up to die with quick consumption. I then began to use Ayer's Cherry Pectoral. I improved at once, and am now in perfect health."—Chas. E. Hartman, Gibbstown, N. Y.

It's too risky, playing with your cough.

The first thing you know it will be down deep in your lungs and the play will be over. Begin early with Ayer's Cherry Pectoral and stop the cough.

Three sizes: 25c. enough for an ordinary cold; 50c., just right for bronchitis, hoarseness, hard colds, etc.; $1, most economical for chronic cases and to keep on hand.
J. C. AYER CO., Lowell, Mass.

Something Good.

So many go to their druggists and merely ask for "something good" for a cough or cold. Now if the druggist has several remedies he certainly will sell the one that does not cost much. When you go to a drug store better know what you want. Ask for Mexican Cough Syrup if you want the nicest and quickest cough cure twenty-five cents will buy. Take no other.

Nauseating Medicine.

It is cruel to give your children medicine that tastes nasty to cure them of a cough or cold. A pleasant and effective remedy for sore throat, weak lungs bronchial affections and coughing spells is Mexican Cough Syrup, and please don't forget that it only costs 25 cents.

Better Health.

Better health always follows a use of Mexican Root Pills, simply because they cleanse the system of sickening and effete matter so thoroughly and completely. It is a sin to remain constipated when Mexican Root Pills only cost 25 cents a box.

It Is a Pity.

The human family are prone to pain. Pain in the joints, in the muscles, headache, backache, rheumatism, cramps, etc., certainly make life miserable. Therefore it is a pity that any such sufferers hesitate to expend 25 cents for Quick Relief, the always sure external as well as internal cure.

Piles.

You ought to thank God you do not suffer from piles. Inward or external, sore or bleeding piles are awful. Tell your friends who suffer that Pile-ine is guaranteed to cure or money refunded.
