The POLITICAL CAMPAIGN

now pending is one of great importance considered in both its National and State aspects; a full Congressional delegation will be chosen; a Legislature is to be elected which will determine the successor to Hon. R. J. Oglesby in the United States Senate. Believing the success of the Democratic party to be essential to the maintainance of good government, the Bulletin will always be found advocating its measures and laboring for the success of its representatives. To promote these desirable ends every Democrat should exert himself in disseminating the truths of his party, and in no way can this be more effectually done than by the circulation of his home paper.

THE SILENT FOE.

WITH NOISELESS STEP HE CONTINUES HIS MARCH.

LEAVING DEATH AND DISPAIR TO MARK HIS COURSE—ONLY NINETEEN DEATHS RECORDED IN THE CRESCENT CITY, AND THE PEOPLE HOPEFUL THAT THE PEST HAS DONE ITS WORST—NO DIMINUTION IN THE MOTALITY AT MEMPHIS—HOLLY SPRINGS, MISS., ALMOST DEPOPULATED BY THE DISEASE.

NEW ORLEANS, September 5.—Mayor Norman Starke died to-day of the fever. He was the son of Gen. W. E. Starke, of the Confederate army, who was killed at Antetam. Only nineteen deaths reported up to 6 o'clock. Reports indicate a decline in the epidemic to-day.

Collector Smith has been notified by the commissary of the United States that 40,000 rations for the sufferers are at his disposal. To-day the collector called a meeting at his office of one representative from each charitable institution or society in the city. Various means were discussed as to the best methods to distribute the rations. No definite conclusion was reached. Another meeting will be held to-morrow, when a plan will be adopted to make distribution.

Applicants for food to-day in the shape of Peabody rations are not so great as on previous days, which to a certain degree is owing to the fact that a large number of destitutes were supplied for a week. The Young Men's Christian Association, as previously reported here, ceased the general issue of rations except on requisition and thus managed to keep their heardquarters well clear of the crowd of pecimunious, who, being stronger jostled out the weak and sick until they were served. The following is a summing up to noon of the sick and destitute roll: Young Men's Christian Association—Sick, new cases, 21; do destitute, new cases, 123. Howard Association—Sick and destitute 90. Total, Howard Association, 2,701. Total Young Men's Christian Association—Sick, 654. Total Young Men's Christian Association, destitute, 215.

Mr. Thomas Layton, on learning of the illness of Bishop Eldey at Vicksburg, appeared at the Howard Rooms seeking transportation for Father Duffo of the Church of the Immaculate Conception, who volunteers to go to Vicksburg and spiritually minister to the living and dying. As there was no boat leaving to-day a dispatch was sent asking that a special train be sent from Vicksburg to connect with the Jackson train, thus conveying Father Duffo to his destination.

Mrs. Laboard and Mrs. Kelly, nurses, who so faithfully discharged their duty at Port Eads and throughout this city, left for Holly Springs this evening.

This morning, while a large crowd of people were congregated at the depot of the Peabody Subsistence association awaiting their turn to receive rations, Robert Doyle became very boisterous and called on the crowd to break open the depot and provide themselves with supplies. He was promptly arrested and sent to the prison in default of bail for attempting to incite a riot.

Contributions for relief of the Crescent City Police Relief association are coming in and are needed, as the city owes members of the police force three months' pay which it cannot meet, as business is nearly suspended, and citizens unable to pay taxes.

Dr. Wm. R. Mandeville, who went to Grenada on the first call to aid the sufferers there and was taken down with fever on his return, is much improved and to-night pronounced out of danger.

The Odd Fellows' General Relief committee report a number of new cases to-day and much distress, whole families in some instances being down. Contributions from the various lodges of the United States telegraphed to-day amount to $400.

From 12 m. to 6 p. m. eighty-seven new cases of fever were reported at the office of the board of health, also nineteen deaths. The Young Men's Christian Association report eighty-six new cases since noon and 720 in their charge in all since August 22; also report a total number of families in their charge and destitute up to to-night, 409, averaging say five members to each family. They issue orders now only to their own sick.

MEMPHIS.

MEMPHIS, September 5.—Only 39 new cases were reported to the Board of Health to-day. Very few physicians are making reports. There were 92 interments—whites 61; colored 31; yellow fever deaths 89. Dr. Avent and Dr. Brown, Secretary of the Board of Health, are down; also Charles Numdinger, A. R. Humes, Druggist, and Henry White, business manager of the Appeal. Physicians are divided in opinion in reference to the fever, some contending that there is an abatement to-day, and that the late cases are not so violent, others holding the contrary opinion.

Martin Keyer, one of the volunteer telegraph operators from Louisville, died to-day, and John Connolly and E. W. Gibson, operators, were stricken down to-day. The force is now greatly reduced, the chief operator having but one assistant during the day and two at night. All have done double duty since the fever commenced.

The force of compositors on the morning papers is reduced to two each.

Owing to the inability of the county undertaker to bury pauper dead, the Citizens' Relief committee to-day took the matter in hand, districted the city and employed undertakers and a force of men to assist them in finding and burying the dead.

At Father Matthew's camp, where over 300 Catholics and others have found refuge, a novena to the sacred heart of Jesus commenced to night in which all faithful and religious are asked to unite that the plague may cease. All the priests here have been stricken down except Fathers Kelley, Aloysius and Wm. Walsh.

Captain Cummins, of the steamer Coahama, was taken off his boat this evening sick with fever.

LATER.—The Howard medical corps report 140 new cases additional to the reports made to the board of health.

Jno. F. Page died to-day. His father, Capt. J. W. Page, is down with fever.

Twenty-four sick were received at the Howard Infirmary to-day.

HOLLY SPRINGS, Miss. Sept. 5.—Over 70 cases. Deaths to-day—James Fort, Robert McLean, Mrs. E. A. Thomas, Mrs. Knapp, B. P. Oliver, E. K. Bateman's child, Mrs. Hogan, of Memphis, Mrs. James Nutall, and others will follow to-morrow. The disease is very fatal, taking rapidly from among the best of our people, Dr. Choppin, of New Orleans—God bless the man—sent us fourteen nurses and Dr. Bailey to-day. Like angels of mercy they seemed. The postmistress and assistants are all down. The operator and expressman deserted their posts. An operator from New Orleans took charge this morning. He has done three days' work in one and is still at it. We need doctors and more nurses badly. Drs. West, Davey, Damil and McKee are all down with the fever. Mobile offers to send nurses but wants to know the price we pay. Contributions have been received by the relief committee.

THE GLOOMIEST DAY AT VICKSBURG.

VICKSBURG, September 5.—Weather cloudy and damp in the moening, but cleared up late in the evening; now clear. To-day has been the gloomiest known in Vicksburg, the interments being forty-three. New cases are estimated at 180.

Among the deaths are Dr. P. F. Whitehead, a native of Kentucky but a resident of Vicksburg for many years.

Jno. D. Roach.

Miss Addie Barnett.

M. McManus, merchant, and Dr. A. R. Green, colored.

The following explains itself:

DELTA, La., September 4.—To the Associated Press:—Our little town has been stricken with fever. Almost every one is down with it, and one out of two doctors. It is a terrible sight Let it be known through the press that we are badly in need of assistance. Those who are up yet are nearly on starvation point. If any funds can be offered, let them be sent to Lewis D. Allen, Jr, Monroe, Louisiana, subject to order of the relief committee.

THE PLAGUE REACHES CHICAGO.

CHICAGO, September 5.—Numerous alleged cases of yellow fever have been run down by reporters and physicians within a month, but not one has been found genuine. To-day, however, a refuge from Memphis, Jacob Misch, was found on Schiller-street with a real case of the fever. He was removed to quarters outside the city limits, where, it is believed careful nursing will effect a cure.

GRENADA.

GRENADA, September 5.—Six deaths to-day. Five new cases. The fever is extremely malignant. The greater portions of deaths occur from suppression of urine. Will Ayers, a heroic citizen, died to-day. Dr. Woolfolk of Paducah, is sick.

QUARANTINED.

SAN FRANCISCO, September 5.—A Mrs. Hare and family, from Memphis, August 16, are quarantined on the Central Pacific railroad near Verdi. The eldest daugter died on the train yesterday from supposed yellow fever.

LEXINGTON.

LEXINGTON, Ky., September 6.—Hon. J. T. Frazer, mayor of Lexington, authorizes the statement that all reports to the effect that there is any yellow fever in this city are entirely without a shadow of foundation.

LIVER IS KING.—The liver is the imperial organ of the whole human system, as it controls the life, health and happiness of man. When it is disturbed in its proper action, all kinds of ailments are the natural result. The digestion of food, the movements of the heart and blood, the action of the brain and nervous system are all immediately connected with the workings of the liver. It has been successfully proved that Green's August Flower is unequaled in curing all person's afflicted with dyspepsia or liver complaint, and all the numerous symptoms that result from an unhealthy condition of the liver and stomach. Sample bottles to try 10 cents. Positively sold in all towns on the western continent. Three doses will prove that it is just what you want.

HENRY SHUCK has reopened the barber shop adjoining his cigar store, No. 142 Commercial avenue, between Eighth and Ninth streets. Recognizing the necessity which exists in these hard times to cut down expenses, he hereby informs his old patrons and the public that he establishes a new scale of prices, viz: Shaving, 10 cents, Hair Cutting, 25 cents, all days of the week, including Sundays.
