SECTION XII.

soil pipe in every build- Globe shall be venti- same by means of by a height of not less above roof of the build-

SECTION XIII.

No meat, fish, birds, fowls, fruit, vegetables or milk not being then healthy, fresh, sound, wholesome and safe for human food, nor any meat or fish that died by disease or accident shall be brought into the City of Globe or offered or held for sale as such food anywhere in said City, nor shall any such article be kept or stored therein.

SECTION XIV.

Every person being the owner, lessee or occupant of any room, stall or place where any meat, fish, fruit, or vegetables shall be stored or kept or shall be held or offered for sale, shall put and keep such room, stall and place and its appurtenances in a cleanly and wholesome condition.

SECTION XV.

No milk which is watered, reduced or changed in any respect by the addition of water and other substance or by the removal of cream, shall be brought into the City of Globe, or kept, sold or offered for sale at any place in said City, nor shall anyone keep, have, sell or offer for sale in the said City, any such milk. The term "adulterated milk" when used in this ordinance means: First, milk containing more than eighty-eight per cent of water or fluids; second, milk containing less than three per cent of fats; third, milk drawn from animals fifteen days before or five days after parturition; fourth, milk drawn from animals fed on distillery or brewery waste or other substances in a state of fermentation or putrefaction or any other unwholesome food; fifth, milk from which any part of the cream has been removed; sixth, milk which has been diluted with water or any other fluid or to which has been added or into which has been introduced any foreign substance whatever; provided, that buttermilk and skim milk, when specially labeled and sold as such, are excepted from the terms of this section.

SECTION XVI.

Any milk found to be adulterated which has been brought into the City of Globe, or is held or offered for sale in the said City, may be seized and destroyed by any inspector or other officer of this Board.

SECTION XVII.

No milk shall be received, held, kept, delivered or offered for sale in the City of Globe without a permit from the Board of Health and subject to the conditions thereof.

SECTION XVIII.

Upon any cattle, milk, meat, birds, fowls, fish, fruit or vegetables in a condition unfit and unwholesome for use as human food being found by the Health Officer, or any of his deputies, he is empowered, authorized, and directed to immediately condemn the same, and from and after the condemnation by said officer, it shall be unlawful for the owner or person in charge thereof to sell such substances or to use or allow them to be used for human food until authorized so to do by the Board of Health; immediately upon such substances being condemned, the officer so condemning shall report the same to the Board of Health and unless said Board of Health shall within twenty-four hours reject the report of said officer so condemning said substances, the owner or person having charge shall immediately destroy the same or they may be destroyed by the officer making such condemnation. The owner of said substances shall at the time of condemnation be notified by the officer making such condemnation thereof and shall have the right to contest the same before the Board, upon his notifying the officer of such intention.

SECTION XIX.

Every butcher or milk dealer or dealer in fruit, fowls, birds, fish or vegetables and other agents shall allow all officers authorized by this Board to freely and fully inspect the cattle, meat, fish, fruit, fowls, vegetables and milk held or kept by them or intended for sale, and will be expected to answer all reasonable and proper questions asked by such officer relative to the condition thereof and of the places where such articles may be.

SECTION XX.

It shall be the duty of every person, officer, department and Board having any authority and control in regard to any water designed for human consumption to take all usual and also all reasonable measures and precautions to secure and preserve the purity and wholesomeness of such water.

SECTION XXI.

No cattle, sheep, swine, horses, goat, goose or mule, or any dangerous or offensive animal shall be allowed by any owner or person having charge of the same to go at large in any street or public place in the City of Globe.

SECTION XXII.

No cow shall be kept in the City of Globe without a permit from the Board of Health.

SECTION XXIII.

No person shall take or drive or allow to go or be taken any horse or other animal or any vehicle drawn by any animal upon any sidewalk or foot path in the City of Globe or across the same, except at regular crossings of streets and alleys or such places as may be established and designated by the owners of lots for entrance to and exit from the same.

Any person violating the provisions of this section shall be guilty of a misdemeanor and upon conviction thereof shall be fined in any sum not less than Five nor more than Fifty Dollars and stand committed to the jail or calaboose of the City until the payment of such fine or shall be confined at hard labor upon the streets or public works of the City for a period not exceeding thirty days.

SECTION XXIV.

The business of slaughtering cattle, sheep, swine or pigs shall not be conducted in the City of Globe.

No person shall have or permit any offensive water or liquid or other substance on his premises or grounds to the prejudice of life or health, whether for use in any trade or otherwise.

SECTION XXV.

It shall not be lawful for any person or persons to carry on, establish, prosecute or continue within the City of Globe the occupation or trade of bone boiling, bone burning or grinding, skinning of dead animals, glue making and hide curing.

SECTION XXVI.

No part of the contents of or substance from any sink, privy, or cess pool nor any manure or other offensive substance shall be by any person deposited or allowed to run or drop into or remain in any street or public place.

SECTION XXVII.

No person shall gather, accumulate, store, expose, carry or transport in any manner through the streets or public places of this City in or to any cellar or house in said City, any bones, refuse, rubbish, or garbage, or other offensive material without a permit from the Board of Health, nor shall any person throw ashes, offal, dirt, waste paper, garbage, rubbish, waste or offensive matter of any kind into any street, alley or public place in the City of Globe, nor within the fire limits of said City build, or cause or allow to be built any fire, or cause or allow to be built, any fire, except in a stove, furnace, fireplace or other similar suitable place designated or used for such purposes.

SECTION XXVIII.

No swill, brine, urine of animals or other offensive matter nor any noxious liquid or other filthy matter of any kind shall by any person be allowed to run or fall into or upon any streets or public places or be taken or put therein.

SECTION XXIX.

No person shall draw or allow to run off into any ground, street or place of this City, the contents or any part thereof of any vault, privy, cistern, cess pool or sink, nor shall any owner, tenant or occupant of any building, to which any vault, sink, privy or cess pool shall appertain or be attached, permit the contents or any part thereof to flow therefrom or to rise within two feet of any part of the top or permit said contents to become offensive, nor shall any vault, privy, cistern, cess pool or sink, be filled with or covered with dirt, until it has been emptied of its filthy contents.

SECTION XXX.

No person shall throw into or deposit in any vault, sink, privy, or cess pool, any offal, ashes, meat, fish, garbage or other substance except that of which any such place is the appropriate receptacle.

SECTION XXXI.

Neither the contents of any tub, or any receptacle, cess pool, privy vault, sink, water closet or cistern nor anything in any room, excavation, vat, building, premises or place, shall be allowed to become a nuisance or offensive so as to be dangerous or prejudicial to life or health. No cess pool, vault, privy, water closet or cistern shall hereafter be constructed within the City of Globe except upon permission of the Board of Health and any such structure shall be constructed and maintained strictly in accordance with the provisions of said permit.

SECTION XXXII.

It shall be the duty of every owner, tenant, lessee and occupant of any and every building or place of residence or business in the City of Globe forthwith to provide, or cause to be provided, and at all times thereafter to keep and cause to be kept and provided within such building or place of business or residence or upon the lot of which said building, place of business or residence is erected and for the exclusive use of such building, residence or place of business, separate receptacles for receiving and holding all the ashes, garbage, or rubbish which may accumulate from said building, residence or place of business, or the portion thereof of which such persons may be the owner, tenant, lessee or occupant. Every receptacle designed and used to hold ashes or garbage shall be made of or lined with metal or have a tight cover; every receptacle for the use of rubbish may or may not be of metal; all ashes, garbage and rubbish which may accumulate aforesaid upon said premises shall be separated and put into their proper receptacles and such receptacle shall not be filled within more than four inches of the top thereof; all garbage placed in the receptacles as aforesaid shall be removed from said premises at least once every seven days after being so placed. Every owner, tenant, lessee or occupant as aforesaid may make such arrangement as he may desire for the removal of such ashes, rubbish or garbage according to the terms of this section, provided, that every person engaged in the occupation of removing garbage, ashes or rubbish (excepting for himself and not for others), shall first secure from the Board of Health a permit entitling him to carry on such business as hereinafter in this ordinance provided.

SECTION XXXIII.

No person, not for that purpose authorized, shall interfere with such receptacles or the contents thereof, nor shall such persons in any way handle or disturb such contents.

SECTION XXXIV.

It shall be the duty of every owner, lessee and tenant of every vacant lot in the City of Globe, to keep the same at all times clean and inoffensive and free from any accumulation of ashes, rubbish, garbage, or other offensive things whatsoever. Any person, who upon notification by the City Marshal, fails to properly clean his lot from any accumulation as aforesaid, shall be guilty of a misdemeanor, and upon conviction thereof shall be fined in any sum not less than five nor more than twenty-five dollars, and shall stand committed to the jail or calaboose of the City until the payment of such fine or shall be confined at hard labor upon the streets or public works of the City for a period not exceeding thirty days.

SECTION XXXV.

No person shall engage in the business of transporting manure, swill, garbage, offal, rubbish, ashes or any offensive or noxious substance or drive any cart for such purpose in the City of Globe without a permit from the Board of Health; any person desiring to engage in such business as aforesaid shall apply to the Board of Health for a permit therefor and upon the payment of the sum of One Dollar for the term of three months upon the following conditions, to-wit:

(a) Every cart and vehicle used for carrying any such noxious or any offensive substance shall be strong and tight and the sides shall be so high above the contents that no part of such contents shall fall, leak, or spill therefrom and the vehicle or vessel shall be so covered as to be inoffensive.

(b) All putrid and offensive matter and all night soil and the contents of sinks, privies, vaults, cess pools and all noxious substances shall before their removal or exposure be disinfected and rendered inoffensive by the owner, lessee or occupant of the premises where the same may be or by the person or contractor who removes or is about to remove the same.

(c) The maximum charges which any person engaged in the business as aforesaid in this section mentioned shall be as follows:

For removing garbage, rubbish and ashes from any private dwelling of not more than eight occupants, twenty-five (25) cents per week; for removing garbage, rubbish and ashes from premises occupied by any hotels, boarding house, residence of more than eight occupants, store, saloon, or other like buildings, five dollars ($5.00) per week; for removing manure, garbage, rubbish, ashes, and the like accumulations from any stable, Five Dollars ($5.) per week; for removing garbage, rubbish, ashes or refuse from any other property not otherwise specified, Five Dollars ($5.00) per week.

SECTION XXXVI.

No person shall keep or retain or allow or cause to be kept or retained at any place within the City of Globe any animal having any of the diseases known as glanders, farcy, tuberculosis, or any other contagious disease, but shall forthwith report the fact to the Board of Health of this City and under the direction of the Health Officer, shall destroy or cause to be destroyed, and remove or cause to be removed, such animal or animals in a manner designated by the Health Officer.

SECTION XXXVII.

It shall be the duty of every physician to report to the Board of Health, in writing, the full name, age and address of every person suffering from any of the infectious diseases included within the list appended, with the name of the disease, within twenty-four hours of the time when the case is first seen:

Measles, rubella, scarlet fever, smallpox, varicella, typhus fever, relapsing fever, diphtheria, typhoid fever, Asiatic cholera, tuberculosis, plague, tetanus, anthrax, glanders, epidemic cerebro-spinal meningitis, leprosy, infectious diseases of the eye, puerperal septicaemia, erysipelas, whooping cough.

SECTION XXXVIII.

It shall be the duty of every physician to report forthwith in writing to the Board of Health the death of every person who dies from or while suffering with any of the above named diseases; and to state in such report the specific name and type of such disease; it shall be the duty of every person having knowledge of the existence of any person afflicted with any of the following diseases: Measles, diphtheria, scarlet fever, smallpox, chicken pox, epidemic cholera, typhus fever, rubella, plague and whooping cough, who he has reason to think requires the attention of the Board of Health, to at once report to the Board all facts regarding the disease, and no person shall interfere with or obstruct the entrance, inspection or examination of any building or house or the occupants thereof, by the inspectors and officers of this Board, when any case of one of the infectious diseases above specified has been reported as existing in such house or dwelling, nor shall any person interfere with or obstruct, mutilate, or tear down any notice of this Board posted in or on any premises of the City of Globe.

SECTION XXXIX.

When any person may be discovered sick of any infectious disease under such circumstances that the continuation of such sick person in the place where he or she may be, is dangerous to the lives of other persons residing in the neighborhood, the health officer may cause the removal of such sick person to a pest house or hospital designated or established by the Board of Health.

SECTION XL.

No person shall within this city, without a permit from the Board of Health, carry, remove or cause to permit to be carried or removed, any person sick with any infectious disease from any building to any other building or to or from any vehicle in any part of the City.

SECTION XLI.

Adequate disinfection or cleansing or renovating of premises, furniture or belongings deemed by the Board of Health to be infected by contagious or communicable diseases, shall immediately follow the recovery, death or removal of the person suffering from such disease and such disinfection, cleansing or renovating shall be performed by the owner or occupant of said premises when ordered by the Board of Health in such manner as the Board may indicate.

SECTION XLII.

The Board of Health shall have the power, whenever in its opinion it may be necessary, to cause a compulsory vaccination of all persons residing or being within the City of Globe, under such terms and regulations as the Board of Health may see fit; provided, that no charge shall be made of any person vaccinated as above set forth.

SECTION XLIII.

No interment of the dead body of any human or disposition thereof in any tomb, vault, crematory, or cemetery, shall be made within the City of Globe without a permit therefor granted by the Board of Health, nor otherwise than in accordance therewith.

No new burying grounds, cemetery or vault for dead bodies shall be established, nor shall any existing burying ground, vault, tomb or cemetery be opened, exposed or destroyed except according to the terms of a permit therefor given by the Board of Health, and every body buried in any such place shall be buried to a depth of at least five feet below the surface of the ground.

SECTION XLIV.

No person owning, occupying or having charge of any building or premises shall keep or allow thereon or therein any animal or bird which shall by noise disturb the quiet or repose of any person therein or in the vicinity, to the detriment of the life or health of any human being.

SECTION XLV.

Any person violating any of the provisions of this ordinance for which another penalty is not provided, shall be guilty of a misdemeanor and upon conviction thereof shall be fined in any sum not more than three hundred dollars and stand committed to the jail or calaboose of the City until the payment of such fine or shall be confined at hard labor upon the streets or public works of the City for a period not exceeding three months.

SECTION XLVI.

The Board of Health established by this Ordinance shall be under the superintending control of the Territorial Board of Health.

SECTION XLVII.

This Ordinance shall be in force from and after the first day of March, 1907.

Passed and adopted the 21st day of February, 1907.

Approved: W. S. SULTAN,
(Seal) Mayor.
Attest: F. J. Elliott, Clerk.

ARTICLES OF INCORPORATION
OF THE
CALUMET & GLOBE DEVELOPEMENT COMPANY

Know All Men by These Presents:

That we, whose names are hereunto affixed, have this day associated ourselves together for the purpose of forming a corporation under the laws of the Territory of Arizona, and for that purpose do adopt the following charter:

ARTICLE I.

The name of this corporation shall be the CALUMET & GLOBE DEVELOPEMENT COMPANY.

ARTICLE II.

The names of the incorporators are James T. Fisher, Frank S. Carlton and Albert E. Petermann.

ARTICLE III.

This Company shall keep a local office at Globe, Arizona, and the principal office and place of business of this Company shall be at Calumet, in the State of Michigan, at which place all incorporators', stockholders' and directors' meetings may be held, and all corporate business may be transacted, and this Company may keep such other offices and places of business at such other places as the Board of Directors may establish.

ARTICLE IV.

The general nature of the business in which this Company shall engage is as follows, to wit: In general, to engage in and carry on the business of mining, refining, smelting and manufacturing, any and all kinds of ore, minerals and metals; to purchase, lease or acquire, by license, bond, concession, grant or otherwise, to own, exchange, sell or otherwise dispose of, to pledge, mortgage, hypothecate and deal in, mines, mining claims, lands, mineral lands, mineral rights, buildings, easements, rights or privileges, machinery, plant, ores, metals, oil, gas, asphaltum, petroleum, water and water rights, or other effects whatsoever, which this Company may think proper from time to time to be acquired for any of its purposes; to prospect and search for ores and minerals, to develope, mine and grant licenses for mining in and over any lands which may be acquired by this Company; to sell and otherwise dispose of the lands, mines or other property of this Company; to build, acquire, lease and operate, works for refining and smelting ores and metals; to buy, sell, manufacture and deal in, minerals, plant, machinery, implements, conveniences, provisions and things capable of being used or necessary in connection with mining operations, or acquired by workmen or others employed by this Company; to do a general real estate and mercantile business; to own, handle and control letters patent and inventions; to borrow money, and execute mortgages or deeds of trust to secure the same; to construct, carry out, improve, manage, work, control and superintend any roads, ways, railways, bridges, reservoirs, dams, water-works, water courses, aqueducts, wharves, furnaces, mills, crushing works, hydraulic works, electric works, factories, warehouses, telephone and telegraph, and other works and conveniences which may seem directly or indirectly conducive to any of the objects of this Company, and to contribute to, subsidize or otherwise aid or partake in any such operations; to engage in the business of treating, smelting and refining gold, copper and other ores, and articles made wholly or in part of the same; in manufacturing, buying, selling and dealing in gold, copper and other ores, and metals and articles made wholly or in part of the same; to buy and sell or otherwise dispose of stocks, bonds, or other securities of this, or any other corporation, and in general to do any and all acts and things and transact any and all other business incidental to the purposes aforesaid or necessary to the proper conduct of the business of this corporation, not inconsistent with the laws of the Territory of Arizona or of the United States of America.

ARTICLE V.

The amount of the capital stock of this Company shall be three hundred thousand (300,000) dollars, divided into sixty thousand (60,000) shares, of the par value of five (5) dollars each, and said capital stock shall be paid in, at such time as the Board of Directors may designate, in money, property, labor or any other valuable right or thing, and the judgement of the Board of Directors or managing officers as to the value thereof, shall be conclusive.

ARTICLE VI.

The time of the commencement of this corporation shall be the date of the filing of these Articles of Incorporation in the office of the County Recorder of Gila County, Territory of Arizona, and a certified copy with the Territorial Auditor of the Territory of Arizona, and this corporation is formed to endure for twenty-five (25) years thereafter, but its charter rights may be renewed (before this charter expires) from time to time for periods not exceeding twenty-five (25) years at a time perpetually.

ARTICLE VII.

The affairs of this Company shall be conducted by a Board of seven directors, who shall be elected annually, as the By-Laws provide, by the stockholders of this corporation. The members of the Board for the current year and until their successors are chosen and qualified are: John P. Petermann, James T. Fisher, Frank S. Carlton, John Vertin, Edward M. Lieblein and Albert E. Petermann.

ARTICLE VIII.

The highest amount of indebtedness that this corporation shall subject itself to any one time, shall not exceed One hundred and fifty thousand (150,000) dollars.

ARTICLE IX.

The private property of the stockholders and directors of this corporation shall be, and is hereby FOREVER EXEMPT from all liabilities for its debts or obligations.

In Witness Whereof, We have hereunto set our hands and seals this Sixteenth day of January, A. D. 1907.

Hollow Concrete Building Blocks
MADE TO ORDER DIMENSIONS
ADVANTAGES OF HOLLOW CONCRETE BUILDINGS
Cheapness of construction; buildings warm in winter, cool in summer, dry ventilated walls, fire and dust proof; insurance is cheaper; requires no painting or repairs; blocks can be laid in the wall rapidly and require but little mortar; plastering may be done on the back of the stone, saving lathing; free from rats, mice or vermin; perfectly sanitary, resists rain and dries quickly, while solid walls remain damp.
I use the Right Process, the Right Material and have the Right Kind of Blocks, also the Right Kind of Machinery. Estimates on Building Promptly Furnisned. Call at
