MEMPHIS, Nov. 11.—The Tri-State Medical Association of Mississippi, Arkansas and Tennessee, met in regular annual session this forenoon, Vice President G. B. Gillespie, of Covington, Tenn., in the chair, W. B. Rogers, of Memphis, secretary. There were fully eighty members in attendance. The session opened with prayer by Rev. H. A. Jones, of Memphis. An address of welcome was delivered by Col. B. W. Estes, of Memphis, after which the usual routine business. Thirty new names were enrolled as members. The annual address of the president was read, owing to illness of President T. K. Powell, of Dancyville, Tenn. The afternoon session was devoted to the reading of papers on various subjects.

Mysterious Sickness of a Number of People.

CHATTANOOGA, TENN., Nov. 11.—About ten days ago three members of a family named Morris, who had been receiving their water from a well near the cotton factory, became very ill, and a day or two afterwards four other members of the same family became ill. Soon there were twenty people in the locality quite sick, and the manager of the mill became a victim. Last night six more persons were taken down, and several, it is feared, cannot recover. An investigation has been commenced, and it is thought some miscreants have poured a quantity of poison into the well. Fully forty persons are already sick.

Students Suspended for Going to a Theatre.

CLEVELAND, O., Nov. 11—Sixty students of the Ohio Wesleyan University, at Delaware, recently attended the opera-house to witness a production of Richard III by Fred Warde. They did so in violation of a rule of the institution. To-day nine students were suspended for the remainder of the term, the other fifty-one being compelled to sign an agreement not to repeat the offense. The suspended students were to leave town at once. There is said to be great indignation among the pupils, but the faculty are firm in their determination to enforce the rule.

State Fair of North Carolina Colored People.

RALEIGH, N. C., Nov. 11—The seventh annual State fair of the North Carolina Industrial association (colored) was opened here to-day by Gov. Scales. Hon. Montford McGee, State commissioner of agriculture, in a speech, advised his hearers to acquire land, and assured them of the earnest sympathy and constant aid always of the white people of the entire State.

Sent to Constantinople.

WASHINGTON, Nov. 11—The president to-day appointed D. John G. Lee, of Philadelphia, secretary of legation at Constantinople. Dr. Lee is a friend of Minister Cox and is understood to have been appointed on his personal solicitation. He is familiar with the modern languages and is said to be peculiarly fitted for the position.

Precautions Against Pleuro Pneumonia.

INDIANAPOLIS, IND., Nov. 11—Gov. Gray's anti pleuro pneumonia proclamation will be issued to-day, to take effect at once. Parties intending to ship cattle to Indiana from the States of Connecticut, New York, New Jersey, Delaware, Maryland, West Virginia, Illinois, Kentucky, Missouri and the District of Columbia must make the customary affidavits.

An Epidemic of Suicides.

BERLIN, Nov. 11—There has been a large increase in the number of suicides in this city within the past several months. Cases are reported daily, and some days number as high as ten. To-day a retired banker named Warkawald died in a mysterious manner, and his wife shot herself with a revolver. Both of them left instructions to have their bodies cremated.

English Capital for Texas.

EL PASO, TEX., Nov. 11—A general agent of an English syndicate has been in the city several days, and has made a proposition to leading business men to erect large smelting works here to smelt ore from Mexico. The company offers to invest a quarter of a million if the citizens of El Paso will raise $50,000 toward the same. The offer has been practically accepted, and the necessary money nearly all subscribed.

Sentence Commuted.

OTTAWA, ONT., Nov. 11.—The death sentence passed on those recently convicted of murder in connection with the northwest rebellion, will be commuted in several cases, but will be carried into effect with the remainder on the date fixed, the 27th inst.

LOCOMOTIVE engineers are said to be as superstitious about their locomotives as sailors about their ships.

DR. C. P. DUNCAN'S

Great Vegetable Summer Remedy,

MEDICATED BLACKBERRY ELIXIR,

For the next several months the various troubles of the bowels and stomach, which are so annoying and so often fatal to all ages, sexes and classes of humanity, will no doubt prevail as usual to a great extent. These afflictions are sometimes sudden and always painful. A speedy and effectual cure depends mainly upon a quick application and efficient remedy, and just here we desire to say that Dr. DUNCAN'S Medicated Blackberry Elixir, is **the medicine** of all others to cure all bowel troubles, such as Diarrhœa, Cholera Morbus, Dysentery, Summer Complaints, Cholera Infantum, Flatulence, Flux, Pains in the Bowels, etc. The elixir may be given with perfect safety to the most delicate children in doses as directed, as it contains no hurtful ingredient. For sale by all druggists, **Price, 50 Cents.**

DR. C. P. DUNCAN'S

LIVER and KIDNEY MEDICINE,

The great superiority of this medicine over all other Liver Medicines, consists in the combination of those vegetable compounds which possess the wonderful power of arousing all the secretions of the whole human system to a natural and healthy action. It acts upon the liver directly, and at the same time sets up a proper secretion of those glands situated in the stomach and bowels. It is a locking up of the secretions of these glands that brings on dyspepsia, indigestion, sour stomach, heart-burn, palpitation of the heart, vertigo or swimming of the head, sick or nervous headache, constipation of the bowels, accompanied at the same time with pains in the shoulders, back, sides and limbs. To treat the above symptoms intelligently and successfully, as in all other cases, you must use the medicine that strikes at and removes the causes from the system that produce and bring on the disease. This is effectually done with Dr. Duncan's Liver and Kidney Medicine. **Price, 75 Cents.**
