The Total Population.

tendent Porter has completed etermination of the population of the country. The total dif- 1,710 from that contained in the ssued irom the census bureau r 28th. This change is due to a of the errors of what is termed r rough count, and the addition ascertained to have been omit- he enumeration.

fied population of the United 1890 is 62,622,250.

t populous state in the Union e, New York, with Pennsylva- second.

enjoys the distinction of being slimly populated state in the
