TURKS ANNIHILATE TACOMA PITCHER

The whang of the bat was heard in the land yesterday, and when taps sounded Mike and the help were clinging to the heavy end of an 8 to 3 score.

Incidentally it was a real game of ball, and the Tigers took their beating without a whimper.

A certain Mr. Newlin, recently identified with the Indianapolis team of the American league, was billed to do things to us from the center of the diamond, but Mike and his merry ones fell upon the easterner with great glee, pinking him for 12 mature pokes.

The Tigers grabbed two runs right quick in the first session, and Mike's men came back with one. In the second verse the Dugs descended upon Mr. Newlin with a quartet of safeties which netted four tallies. The Tigers managed to squeeze over another in the sixth, while in the fourth we grabbed again. In the eighth Mike pinged one over the left boards, with Bennett on, and that ended the scoring.

CHICK HUDSON GETS MATCH

SAN FRANCISCO, June 25.—Aurello Herrera, the Mexican lightweight with the awful wallop, has been matched to meet Chick Hudson in a 20-round bout at Bakersfield on July 16. If Herrera wins he will be given a match with Young Corbett.

Herrera has not been in the ring since he was knocked out in the seventh round by Charlie Neary, in Milwaukee, on Aug. 17, 1906.

Betting on the Papke-Ketchel fight opened today, Ketchel being installed a 4 to 5 favorite. Very little money changed hands.

Charlie Neary will go with Billy Speck in Seattle Friday night as a preliminary to the Roller-Yousiff wrestling bout.

WOMAN SHOOTS WELL.

CHICAGO, June 25—Mrs. A. Topperwein, the only woman shooting in the preliminaries of the Grand American Handicap at the Chicago Gun club, made the high professional average today with a score of 79 out of a possible 80. Including yesterday's score, Mrs. Topperwein tied with Fred Gilbert of Spirit Lake, Ia., with 96 out of 100.

R. Snowden of Memphis, Tenn., is the favorite in the betting in the Grand American Handicap, 5 to 1.

Rube Waddell, pitcher of the St. Louis American baseball team, took part in today's practice and made some creditable scores.

THIS MOB DUE TO SCRAP IN SUNSET LAND

ISN'T THIS A SLAM BANG BUNCH?

San Francisco will be the battle ground of many important ring engagements within the next few months, and four championships are scheduled to be settled on the western slope.

Beginning with the Monte Attell-Frankie Neil go, which took place June 19, big matches are to be pulled off at intervals until Ketchel and Johnson make the big noise late in October.

Nelson and Johnny Thompson travel 45 rounds July 9. Papke and Ketchel may go it again July 5; Johnson and Kaufman are billed for the latter part of July or Labor day; Nelson and Freddy Welsh may be hooked up if Coffroth can arrange it, and Cross wants a crack at the Dane over a 45-round route. Every one of the crowd will get into a fight ere the snow flies.

STRAIGHT DOPE FROM FIGHT FOLLOWERS

SAN FRANCISCO, June 25.—Stanley Ketchel settled down to business this morning at Millet's and spent the day in limbering up his muscles for the big engagement he has on his hands for July 5.

Willie Britt is acting as the chief of camp and had to put the crusher on his man to keep him from overdoing the thing. Ketchel is one of those willing workers in the gym who tears in and never stops until the trainer gets on the job. The Tiger's weight was not given out but neither Britt nor Ketchel is worrying on that score.

Young Erne was content with just light work yesterday, as he considers himself to be in fine shape at present to go the 20 rounds with Lee Powell Friday night before the North End club. This morning the Quaker boy did a few rounds of boxing, but Manager McCarney says he feels satisfied with the lad's condition and will hold him down in the gym. Powell, at Millet's, is putting in hard licks.

Betting still remains at evens, but a change, with Erne favorite, is looked for.

It is evident by the Eastern money going in on Leach Cross that the New York boy is well liked in his coming battle with Dick Hyland Saturday afternoon at the Mission street arena. The East Sider has also made a favorable impression with local followers of the game, and it would not be surprising to find him a slight favorite over the local boy.

Young Erne was this afternoon made a 9 to 10 favorite over Lew Powell, whom he meets before the North End club tomorrow night. Until today the betting was at evens.

The Hyland-Cross betting continues at even money and both boys have plenty of supporters.

Base Ball Chatter

Such a welcome we gave to Mr. Newlin!

Mike was entitled to two homers yesterday. His first hefty slam struck the top of the netting of the left barricade.

Emil Frisk simply ate up everything tossed over by Newlin. In five times up Emil slammed out four raps. And each had bullet speed.

Ladies' Day brought forth at least one enthusiastic rooter yesterday. The young woman who came through with a mild war whoop as the battle progressed actually enjoyed the soiree.

Russ Hall held down a seat in the press box yesterday. Russ says he did not quit baseball because of trouble with George Shreeder, but simply because he saw a chance to make better money in other fields. In the future Russ says he will manage a dance hall in Tacoma.

Between nursing his busted thumb and watching the game from the press box yesterday, Danny Shea had a busy time. Danny almost became peeved in the first when Custer hesitated before pegging to Akin.

Frank Allen was also one of the pressbox colony.

Pug Bennett hit the ball hard and is credited with three safe raps in four times up. Pug also scored three runs.

Mike came in fast on a ball from Buster Bresino's bat and came within an ace of throwing him out at first. It made Buster hump hard to beat Mike's throw.

Coleman slammed forth a liner in the first session which nearly extinguished Bobby Carruthers. The ball pinked His Umps on the leg and Bobby limped for a while.

Cartwright was shifted to second base yesterday while Coleman went to third.

Bill Hayward, the famous trainer who turns out crack athletes, watched the game from the grandstand yesterday.

Some light fingered gent stole about $80 worth of tickets from Dug's office the other day, and now the Rotund One has purchased a real safe.

Lefty Miller let the enemy down with eight swats yesterday. The Tigers had several opportunities to amass tallies but Miller was stingy at times.

Ever notice Miller when he fans a man? He walks close to the left chalk line, picks up an imaginary pebble, tosses it out of the diamond, moistens his glove, and then back to the box. It happens invariably.

MARATHON RUNNER IS TAKEN FOR LUNATIC

William Stanley, the marathon runner who is in training in Tacoma for the race to be run there July Fourth, came very nearly landing in the bug factory yesterday according to reports from the city of Destiny.

Stanley was engaged in his daily run about the streets, when some good householder conceived the idea that he was escaping from Steilacoom, and phoned the police. An exciting chase followed, which resulted in a capture, and many words of explanation after which everyone took a laugh.

Hereafter while the ball team is away, Stanley will take his runs in the ball park, where the unsophisticated won't have dreams.

TURK CAUSES PANIC IN THE COLLEGE INN

"Go to it and eat up Doc Roller if you want to, but for Heaven's sake leave something for the rest of my guests." Thus spoke one Jaffey, owner and operator of the College Inn at Third and Pike sts. last night, unto one Yousiff Monagoff, a wrestler, who seemed in imminent danger of causing a shortage in the local meat supply.

In company with Jack Curley and several newspaper men, Yousiff was taken to the cafe last night for a little feed.

Not that Yousiff wanted the feed, in fact, he expressed himself forcibly against it, saying that he had no appetite of late, and could eat nothing at such an hour, but nevertheless he went along. Then while waiters and cooks sweated and persons nearby opened their mouths in astounded disbelief, he proceeded to clean up to double steaks, salads and vegetables galore, and finished off with two bottles of wine. Hence the agitation on the part of one Jaffey.

As far as is known this gives Yousiff at least one world's title.
