PROPOSED AMENDMENTS

RESOLUTION NO. 4823
PROPOSED AMENDMENT NO. 1

A Resolution and Proposition to amend Section 1 of Article XVIII. of the city charter of the City of Seattle by providing a preferential system of voting and providing for the submission of such proposed amendment to the electors of the city for their ratification or rejection at the general municipal election to be held in the City of Seattle on the 7th day of March, 1916.

BE IT RESOLVED, BY THE CITY COUNCIL OF THE CITY OF SEATTLE:

That Section 1 of Article XVIII. of the charter of the City of Seattle be amended to read as follows:

Article XVIII., Section 1. There shall be held in the City of Seattle on the first Tuesday following the first Monday in March a general municipal election. Such election shall be held annually as to members of the City Council in accordance with Section 2 of Article IV. of this charter adopted, in March, 1911, and as to the submission of charter amendments and other propositions, and shall be held biennially in the even numbered years as to all other elective officers, for the terms provided for in this charter. Special elections shall be held at such times and for such purposes as the City Council may by ordinance prescribe, subject to such limitations and pursuant to such requirements as are provided in this charter, or in the laws of the State of Washington; provided, that at least thirty days' notice shall be given of the time, place and purpose of any special election by posting notices and making official publication thereof.

The manner of election of all elective officers of the City shall be as follows:

First. The name of any candidate shall be printed upon the official ballot, when there shall have been filed in his behalf a declaration of candidacy, on blanks to be furnished him for such purpose, in the manner and form and under the conditions hereinafter set forth.

Not earlier than sixty (60) days nor later than thirty (30) days before the election any person, who shall be eligible to become a candidate for any office, shall file, in the office of the city comptroller and ex-officio city clerk, a declaration of candidacy, accompanied by a fee equal in amount to one per cent of the annual salary attached to the office for which he desires to become a candidate.

It shall be the duty of the city comptroller and ex-officio city clerk to furnish, upon application, the form of such declaration of candidacy, which shall be substantially as follows:

I herewith accompany this declaration with the sum of $_____, the fee required by law for becoming such candidate.

Second. Any person whose name has been presented as a candidate may, not later than fifteen (15) days before the election, cause his name to be withdrawn by filing with the city comptroller and ex-officio city clerk a request therefor in writing, over his own signature, duly attested by a notary public, and no name so withdrawn shall be printed upon the official ballot. No portion of the filing fee shall be returned in case of withdrawal of candidacy.

Third. All names of candidates to be voted upon at any municipal election shall be printed upon the official ballot in groups under the designation of the respective titles of the offices for which they are candidates. Nothing on the ballot shall be indicative of the source of the candidacy or of the support of any candidate. No ballot shall have printed thereon any party or political designation or mark, and there shall not be appended to the name of any candidate any such party or political designation or mark or anything indicating his views or opinions. All ballots printed shall be of precisely the same size, quality, tint of paper, kind of paper, kind of type and color of ink, so that (except for the consecutive numbers printed on the perforated corners for removal when the ballots are voted as provided by general law), it shall be impossible to distinguish one ballot from another.

When there are four or more candidates for any office, then the ballot shall provide for first, second and third choices. When there are three, and not more, candidates for any office, then the ballot shall provide for first and second choices only; when there are less than three candidates for any office, all distinguishing columns as to choice and all reference as to choice shall be omitted.

(Designation of precinct to be printed or stamped).

INSTRUCTIONS TO VOTERS

You may write in the blank space provided below each group the name of any person or persons for whom you desire to vote, or attach a paster bearing the printed name of any such person or persons. To vote for any person mark a cross (X) in the square to the right of the name. Vote your first choice in the first column. Vote your second choice in the second column. Vote in the third column for as many other persons as you wish to support. Do not vote more than one choice for any one person, as only the one choice will count. Vote for only one first choice and only one second choice, except where two or more persons are to be elected to offices having the same title, and in such cases do not vote for more persons for first choice or second choice than are to be elected. Vote as many third choices as you wish. Vote first choice for each office to be filled or your votes for all persons for such office will be void.

Where two or more offices having the same title are to be filled, vote first choice for each such office or your votes for all persons for such offices will be void.

Second and third choice voting is not compulsory. All distinguishing marks, except as above indicated, make the ballot void.

If you wrongly mark, tear or deface the ballot, return it to and obtain another ballot from the election officers.

Following the above heading and instructions to voters shall be arranged in separate columns the titles of the respective offices to be filled, and under each title the names of the candidates therefor, in the following manner:

For Mayor (one to be elected).

FIRST CHOICE	SECOND CHOICE	THIRD CHOICE
Name .....X.....	Name	Name .....
Name	Name .....X.....	Name .....
Name	Name	Name .....X.....

For Councilmen (three or other proper number to be elected).

FIRST CHOICE	SECOND CHOICE	THIRD CHOICE
Name .....X.....	Name	Name .....
Name	Name .....X.....	Name .....
Name	Name	Name .....X.....
.....		

Squares shall be provided to the right of the name of each candidate in the column for each choice, wherein to place the cross (X) mark, and at the bottom of each group of names shall be provided, at least, one blank line with the squares in each column to the right of the same for use in writing or pasting in any name and voting therefor.

ORDER OF NAMES ON BALLOT

The names of all candidates for each office shall be arranged in alphabetical order of the surnames.

After the ballots have been printed, they shall be printed or stamped for the respective precincts in which they are to be used, and they shall be numbered consecutively for use in each precinct, such numbering to be perforated and torn off by the election officers at the time of the voting of the ballot.

Necessary space shall be provided on the ballot for charter amendments and other questions or propositions to be voted upon at any municipal election.

A statement of such canvass shall be made out and signed by the chairman of the council and filed with the city comptroller and ex-officio city clerk, who, within three (3) days thereafter, shall make out and cause to be delivered to each person so elected a certificate of election. A certificate of election shall be prima facie evidence of the facts therein stated.
