L. S. U. Sophmore Class Pays Tribute of Respects to James D Sevier., Jr.

James Douglas Sevier., son of James D. Sevier of Tallulah and a member of the sophmore class at the University, died suddenly at the residence of his uncle on December 26th. The day before he went on a hunting trip, and, returning late, decided to spend the night with his uncle, George W. Sevier. This he did, and retired apparantly in good health. Next morning he was called to breakfast, but no response came. The family went to his bedside and found him unconscious, and before physicians could reach him he had expired.

Among his fellow students at the University Sevier was highly esteemed. He was twenty-one years of age. The funeral took place at Tallnlah Cemetery. Sevier was a lineal descendent of John Sevier, one of the Revolutionary heroes, who was the first governor of Tennessee.

The sophmore class drew up the following resolutions to his memory:

"Whereas, Our Divine Father has in His wisdam seen fit to remove from our midst our beloved friend and comrade, James D. Sevier, on the morning of December 26th, 1912, and,

Whereas, James D. Sevier was a sincere Christian, an earnest student and a considerate and courteous gentleman, who, by the attributes of his character and the congeniality of his disposition, endeared himself to all who knew him; therefore, be it

Resolved by the sophmore class of the Louisiana State University, That in his death the University has sustained the loss of one who was indeed an honor to the institution, and his fellow students have been deprived of a friend most dear to them, whose memory they will never deface; furthermore, be it

Resolved, That as a token of the esteem in which our friend was held by those who knew him best, a copy of these resolutions be sent to his bereaved family, to whom we extend our heartfelt sympathy in their hour of sadness and that these resolutions be published in the Reville, the Madison Journal, the Monroe News-Star, and the Vicksburg

What The Rambler 10,000 Mile Guarantee Means

This map gives you a graphic idea of what the Rambler guarantee means to you in point of mileage.

Have You Seen The Rambler Cross Country?

$1650

THIS guarantee is backed by every one of our Rambler dealers and branches. One of them is located nearby and is perhaps known to you.

Back of them is a factory employing eighteen hundred men, with a floor area of twenty acres and producing ninety-six per cent of the parts that go to make up this car.

This factory has produced twenty-two thousand Rambler motor cars and the average cost for repair parts on each one of these cars last year was only twelve dollars and ninety cents.

Some of these cars have been in use eleven years. One-half of them have been in use five years or more. These are the facts which warrant our confidence in the Rambler to the extent of giving the signed guarantee for ten thousand miles.

The Cross Country sales to date are three times those of last year.

See the car and you will learn the first reason—its appearance.

Ride in the car and you will know the second reason—its comfort.

Ask a banker about the stability of the company—his answer is the third reason.

The ten thousand mile guarantee is the fourth reason. Appearance, comfort, stability and the 10,000 mile guarantee.

Are not these reasons enough?

Write your name and address on the coupon below and forward it to us immediately that we may send you full information.
