MEDICINES, ETC.,

The Washington Remedies.
TO PLANTERS AND OTHERS.

THE proprietors of the Washington Remedies beg to call the attention of planters to the wonderful efficacy of these compositions which have *never yet been known to fail!* They have been long used in private practice, in New Orleans, by M. A. Micklejohn. Through their use there have been rescued many unfortunate victims of disease from the grave, after they have been given up by their physicians as incurable, or have been tortured beyond endurance by lacerations and painful operations. Planters and others, who have on their hands, faithful servants, who, through disease, are rendered profitless and loathsome, will find it to their advantage to use these remedies.
THE WASHINGTON SALVE
Used externely, in conjunction with an internal remedy denominated
THE WASHINGTON PURIFIER.
Will cure the most aggravated case of cancer, Tetter Worm, Scald Head, Ring Worm, Whitlow, Bone-felon, Inveterate Ulcers, Syphilis, Scrofula, Salt-rheum, Leprosy, Boils, Erysipelas, Carbuncles, Cutaneous Eruptions, Pimples, Itch, Chronical Piles, Fistula, and Obstinate Sores, arising from blows, burns, scalds, etc. In aggravated cases alone it is necessary to use the inward preparation—cases that may be hereditary, or such as may have defied the skill of physicians.
The Washington Purifier excels all remedies extant, for Spring and Summer use. By promoting a healthy action of the liver, it invigorates the whole system, thus enabling it to bear up against the prolonged heat of the Southern summer.
For diseases of the bones and sinews, or for casualties by which they and the nerves have been injured, we offer the
WASHINGTON RHEUMATIC OINTMENT!
This invaluable composition has never failed in cases of Rheumatism, Neuralgia, Gout, Lumbago, Stiff Joints; Stiffness of the Neck and Back, Caked Breasts, Swollen Joints, Inflammatory Swellings, Hard Lumps and Bruises. In cases of long standing, it is necessary to use, in conjunction with the Ointment, an internal remedy called the
Washington Internal Remedy for Rheumatism.
In proof of the unrivalled success of these Remedies, we append the names and residences of a few from among the many who have been cured by their use. It will be observed that our evidence is HOME EVIDENCE!
James Hibbs, Erato Street, New Orleans, certifies he was cured of a sore leg, of eight years' standing.
Thomas Kearney certifies to curing numerous persons in California, of ulcerated sores. He also cured himself by using the Washington Remedies. His residence is in Dryades street.
R. A. Van Horn, Editor of the Central Texian, Anderson, Grimes County, Texas, certifies to being cured by these Remedies.
A Servant woman of Mrs. Fagle, 20 Tchopitoulas St., cured of Tetter, of nine years' standing.
R. W. Carter, 226 Conti street, was cured of a fistula of ten years' growth. Mr Carter can be seen at Sherman's Truss and Brace Establishment, corner of St. Charles and Gravier streets.
Benj. Clarkson, Robinson street N. O., cured of violent rheumatism.
Jos. King, house servant of the late H. R. W. Hill, cured of rheumatism of 7 years, standing.
John McChale, Foucher street, N. O., cured of rheumatism, with contraction of sinews.
E. A. Charterton, Columbus, Ga., cured of violent rheumatism.
(For particulars, see pamphlets and circulars, in the hands of our Agents.)

Ruptures May Cause Death.

When Trusses not of the right construction to suit the form of Hernia are worn.

These are facts which present themselves to the serious attention of all persons afflicted with that treacherous diurmity.
DR. SHERMAN'S
New Patent Truss

and Rupture Wash are a certain means of security and relief in the worst stage of the affliction.
The Truss has gained a popularity unequalled by any other for the following advantages: First, its facility of adaptation and application; second, its anatomical arrangement preventing it from chafing and excoriating the body; third, its comfort and security in any position of the body; fourth, its slight inconvenience to the wearer under every kind of exercise; fifth, its certainty to remain upon and close the hernia rear; sixth, its aptness to contract and fully to retain the hernia when used in conjunction with the hernia wash.
The proprietor would simply remark to those afflicted with Rupture that he has devoted many years to the study and treatment of the complaint in its various stages, and feels himself fully qualified to select a spring and compress of the right shape and bearing to suit any case that may be trusted to his care. The poor will be dealt with to suit their means. The prices of these useful instruments are now reduced to $5 and $10, making them, considering their superior manufacture, the cheapest and for economy's sake, most durable of any in the market, thus securing the unfortunate from all the other advantages free from cost.
Having removed my old stand 70 St. Charles street, my patrons will find me at my new store and office situated at the corner of St. Charles and Gravier streets, opposite the St. Charles Hotel, prepared with a supply of Trusses to suit all forms of abdominal hernia.

WINER'S CANADIAN VERMIFUGE A CERTAIN REMEDY FOR WORMS.

WINER'S CANADIAN VERMIFUGE—A certain cure for WORMS. Warranted purely Vegetable. A Speedy, Safe and effectual Remedy for Worms! It is a fact, established beyond the shadow of a doubt by the experience and testimony of the most eminent physicians, that more than three-fourths of the diseases with which children are afflicted are caused by worms; and thousands of children die annually from those diseases when the cause is either not known or attributed to some thing else. Various are the preparations which have been recommended as remedies for Worms but experience has proved them all more or less ineffectual; the end, however, has at length been attained and a remedy found which has never failed to destroy Worms wherever they have existed. This assertion is supported by the testimony of the most eminent physicians and respectable individuals in the country. The Remedy is
WINER'S CANADIAN VERMIFUGE.
It is safe in its operation and more easily administered than any other. Some of the symptoms which indicate the existence of worms in the bowels, are as follows: The countenance is pale, of a leaden color, and suffused with occasional flushes, the eyes are heavy and dull, the breath foetid, the upper lip swollen, itching in the nostrils, which causes the patient to pick his nose, the sleep is disturbed, the patient often awakening in great fright and is liable to starting and grinding the teeth, the appetite exceedingly irregular, being sometimes voracious and at others feeble, and in some instances it is depraved.
To the following certificates numerous others might be added, but it is believed that these are sufficient to establish the fact that Winer's Canadian Vermifuge is a superior remedy for worms:
MEDICAL EVIDENCE.
We, the undersigned, have frequently administered a medicine prepared by Mr. JOHN WINER, of this Town, designated "Winer's Canadian Vermifuge," and being fully satisfied with its efficacy, confidently recommend it as a safe and efficient remedy for the expulsion of worms from the intestinal canal. [From Rev. J. Flanagan, of Holbrook, C. W.]
Mr. Winer—Sir, I have made the trial of your "Canadian Vermifuge," and with the most happy results. In my own family, and in every case that has come to my knowledge, the expulsion of worms has followed the administering of your Vermifuge, and every one here prefers it to any other, as its effects are certain, and children take it more readily, which is a great point gained in giving medicine to children. (July 16, 1845) JOHN FLANAGAN.
☞ Physicians generally now use "Winer's Canadian Vermifuge." This medicine is a simple vegetable preparation, and can always be administered with perfect safety and confidence as to the result, as it will always destroy worms and restore the patient to health.
☞ Over one thousand certificates have been sent to the agents from planters, merchants and physicians, bearing testimony to the efficacy of this infallible remedy.
Warranted in all cases.
☞ Prepared only by JOHN WINER, Manufacturing Chemist and wholesale Druggist, Hamilton Canada West.
☞ Sold Wholesale and Retail, at Manufacturer's prices, by J. WRIGHT & Co.
