It is difficult to cure a cough or free yourself from the discomforts of a cold unless you move the bowels. Bee's Laxative Honey and Tar acts on the bowels and drives all cold out of the system. For Croup, Whooping-Cough, Colds and all Lung and Bronchial affections, no remedy is equal to the original Bee's Laxative Honey and Tar. A Liquid Cold Cure. Sold by Dempsey & Schell.

During the rain and electrical storm Thursday Mrs. Hugh Collins of Moberly was peculiary affected by a bolt of electricity striking the chimney or stove in the room in which she was working. She was in front of the stove when the lightning flashed and she threw up her hands and fell unconscious to the floor. Medical aid was summoned and it was found her condition was very serious.

The Spanish Needle schoolhouse, west of Fayette, was totally destroyed by fire Monday evening about 6 o'clock. The fire either originated from a defective flue or the building was struck by lightning. This is the second time the schoolhouse in that district has been burned. It was insured in the Howard County Mutual Insurance Co. The directors have rented a tenement house on R. R. Reynolds' farm, and Miss Annie Barron, the teacher, resumed her school Wednesday morning.—Democrat Leader.

In this issue will be found the advertisement of Chenault Todd & Son's Shorthorn sale at Fayette, Mo. This will be a rare opportunity for beginners to purchase foundation stock that they can rely upon both, as to careful breeding and individual merit. Since the foundation of the Ashgrove herd, 31 years ago, it has been their aim to have nothing but well-bred cattle of the herds of national reputation. These cattle have not been picked up here and there from herds where cheap bulls have been used with little judgment. They point with pride to the character of bulls they have used on this foundation. If you want a few real good cows or heifers it will pay you to go to this sale. If you want a low down, blocky bull of high character you can find him in the lot to be sold there. Besides the Cruickshank topped bulls there are three straight Cruickshanks, a Victoria and two Secrets suitable to head first-class herds. A Cruickshank topped Renick Rose of Sharon from Ashgrove stood second at the Texas state fair, the strongest show ever held in the South. He was also the sire of the first prize calf herd and exhibitor's herd herd at the same show, and his owner has refused $1,000 for him.

Dr. Whaley & Son's drug-store at Browning was robbed Thursday night. All of their jewelry was found to be missing the following day. No clue to the robbery has been discovered, but the supposition is that it was some one who was well acquainted with the place.

Backache is never known to those persons who take an occassional dose of Pineules. The value of the resin obtained from the pine tree has long been recognized in the treatment of diseases of the bladder and kidneys. One dose of Pineules will give relief, and one bottle will cure. Sold by Dempsey & Schell.

Friday afternoon John Chapman of Carrollton was knocked down and seriously injured by a runaway team of mules. He was standing on a bridge, near Stipp's mill, when he saw the team coming, and, thinking he could stop it, stepped to the center of the bridge and caught one of the bridles. The mules ran over him, knocking him down and pulling the wagon over him. Both hands, one wrist and one foot were badly bruised and his head was cut in two places.

Croup is quickly relieved, and Whooping-Cough will not "run its course" if you use the original Bee's Laxative Honey and Tar. This Cough Syrup is different from all others because it acts on the bowels. You cannot cure Croup and Whooping-Cough until you rid the system of all congestion by working off the cold through a copious action of the bowels. Bee's Laxative Honey and Tar does this, and cures all Coughs, Croup, Whooping-Cough, etc. No opiates. Sold by Dempsey & Schell.

Frank Foster, a miner at Renick, met a tragic death at that place Thursday in a shot-fire explosion. He went into a mine to execute the shot-fire and ran into another apartment where he thought he would be perfectly safe from the explosion. The explosion was so terrific that it blew the wall clear through, killing Foster almost instantly. Deceased was 48 years of age and leaves a wife and eight children.

Lightning struck a big barn on L. M. Hayne's farm west of Dawn Tuesday and the structure was burned to the ground. Mr. Haynes was on the scene a few minutes after the barn was struck. He and two other men succeeded in getting nine head of horses and all of his harness out of the burning building. Between 40 and 50 tons of hay and about 35 bushels of oats were burned. The building was insured for $250 and the contents for $150 which will not cover the loss by several hundred dollars.

Jacob Nichols, a clerk for Truitt & Patton of Macon, was relieved of his pocket-book and $2 it contained while returning in a buggy from a call on his dulcena at Axtell. Thus was love's young dream rudely shattered. The robbers forced Nichols to hand over his worldly weaith at the point of a revolver, which, their victim declares, was about 2 1-2 feet long. Fortunately he suspected something wrong when he met the men on the highway between 11 and 12 o'clock at night and had the forethought to slip his watch into his shoe. He was made to drive the robbers to Liberty church, where they got out, inquired the way to Chicago and bade him good night.

One night is all the time necessary to prove that Pineules is the best remedy in the world for backaches and all kidney and bladder troubles. If you have rheumatism or any other blood disease a single dose will give relief. Sold by Dempsey & Schell.

The four Bevier young men, F. J. Davis, Gus Grindle, A. Andrews and Finis Peterson, charged with the murder of a man named Jas. Gordon at Higbee, had their preliminary trial last week. The three former were acquitted, but Peterson was bound over to circuit court in the sum of $2,000. He gave the required bond and has returned home. He is not believed to be guilty of the murder.

A telegram was received at Chillicothe Tuesday evening stating that Peter Koehley, a well-known young man of that city, who has been under the care of a specialist at St. Joseph for several months, had escaped from the state hospital for the insane at St. Joseph, and was supposed to be heading for Chillicothe. Koehley's mind had been affected since last spring from being stricken with fever and a complication of diseases. He became so violent that he had to be taken to the institution at St. Joseph. Koehley had been improving rapidly for the past week. Monday morning he was permitted to walk about the yard surrounding the hospital and in some way he effected an escape. His absence was not discovered until late Monday evening. The authorities of St. Joseph were notified and a search was made for him, but no trace of him could be found.

Wanted.
