A Good Year!

In view of the large patronage that has been mine for the past two years I want to use this space in telling my many friends that I have deeply appreciated their generous support and confidence. During all my Grocery and Men's Furnishings career I have endeavored to be your friend and to help with favors whenever I could. I am and have been satisfied to merit patronage and share profits.

I am pleased with the good reputation and fine business I enjoy, and in the coming year expect to treat you as well as I know how. You will always be welcome. My stock will be the best and my prices the lowest. In this season of good will I wish you a Merry Christmas and a Happy New Year. Do not fail to inspect my holiday stock. Yours truly.
