The Bulletin.

Commercial.

THURSDAY EVENING, June 2nd, 1870.

Business of all kinds, during the present week, has been quite brisk, and it is a subject of general remark among our merchants, that never before has it been as good at this season of the year as at present. Our receipts of all the agricultural staples are good, and when not held above current rates, find ready sale on arrival. The shipments south from this port for the past 24 hours aggregate not less than 1800 tons, which is a fair indication of the movement in produce.

During the month of May, there were forwarded east per Blue Line from Cairo,

hhds tobacco	526
number previously reported	572
Total to June 1st	1,098
Bales cotton	75
number previously reported	20,692
Total from Sept. 1st to June 1st	20,767

The sales of flour for the month of May aggregate 25,336 bbls

amount previously reported 108,574 "

Total from January 1st to June 1st 133,910 "

The sales in May exceeded those in April by more than 5000 bbls., which is an encouraging indication of the state of the flour trade.

TOBACCO.

A large quantity of tobacco was on the brakes of the Planters' Tobacco Warehouse to-day, but much of it was witheld from sale, the owners desiring to offer it during the fair, which takes place next Thursday. The sales comprised thirty-two hogsheads, at the lowing splendid prices:

12 hhds from	$ 6 75@ 8 50
13 " "	9 50@13 00
7 " "	14 00@18 25

The greater portion of these 32 hogsheads was of low grade and Illinois growth.

At the Ballard Tobacco Warehouse twenty hogsheads were sold at the following highly satisfactory prices: $7, 10; 2 at $8 00; 2 at $8 25; 3 at $8 50; $9 50; $9 80; 2 at $10 50; $11 25; 2 at $12 00; $13 00; $14 75; $16 25; $21 50; $22 25.

Flour.—Prices have undergone no quotable variations since our last semi-weekly review, and the demand, which is fair, is mainly confined to filling orders.

The sales comprised:

244 bbls spring and fall supers	at	$4 00@4 50
700 " spring and fall extras	at	4 50@5 50
359 " choice extras	at	5 75@6 00
200 " extra family	at	7 00
150 " white wheat family	at	7 50
586 " various grades from		4 50@7 75

Corn—has been firm with an advancing tendency since our last report, and at the close sellers refused to sell except at higher rates.

The sales reported were:

2 cars white on track in bulk	at	90
3 " " in burlaps	at	$1 00
3 " mixed in burlaps	at	96
2 " mixed white in bulk	at	85
1 " " in new gunnies	at	97
1 " white " " "	at	1 05
1 " " " " "	at	1 08

2000 sacks mixed and white in order lots from store, delivered, $1 00@1 10

2550 sacks mixed white for shipment to Georgia on pt,

Oats—have been in better demand and prices have improved. Sales were:

2 cars Southern Illinois, in burlaps		55c
1 do mixed	do	56c
5 do prime mixed	do	57c
1 do Southern Illinois in bulk		49c
2 do choice Northern	do	50c

All on track.

Hay—Receipts have fallen off, and though there is very light demand, there is a better feeling on strictly choice grades:

5 cars Timothy sold, on track at		$14 00
3 do strictly choice, in order lots, lots, from store, delivered, at		16 00

Corn Meal—is unchanged. One hundred bbls. kiln dried, sold, on track, at $5 00; 80 bbls, in lots, from store, at $5 10@5 25.

Bran—is unchanged. Ten tons, in bulk, sold at $18 00.

Provisions—are quiet, with no quotable changes, and light sales on orders.

Butter—is extremely dull, and stocks are accumulating, and the market depressed. 8 pkgs selected dairy sold at 20 to 25c.

Eggs—are selling at 14c@15c, in boxes, shipper's count, with fair receipts.

Poultry—is in fair demand, with sales of 3 coops spring chickens at $3 00, and 7 coops old at $4 00@$4 50.

Fruit.—Strawberries are very plenty and sell at from $2 00 to $2 50 per crate. Lemons are $6 50 to $7 00 per box.

Vegetables.—One car choice Michigan Peach blows sold on track at 60c. 15 bbls new potatoes and 10 bbls new onions at $5 00 per bbl.

Freights—are plenty, and boats bound down can get all they want here to fill out.

HAIR RESTORATIVES.

A NEW DISCOVERY!!

PHALON'S

"VITALIA;"

OR,

Salvation for the Hair.

For Restoring to Gray Hair its Original Color.

PHALON'S "VITALIA" differs utterly from all the "dyes," "colorers," and "restorers" (?) in use. It acts on a totally different principle. It is limpid, fragrant, and perfectly innocuous, precipitates no muddy or flacculent matter, requires no shaking up, and communicates no stain to the skin or the linen. No *paper curtain* is necessary to conceal its turbid appearance, for the simple reason that *it is not turbid.* It is, to all intents and purposes, A NEW DISCOVERY in Toilet Chemistry.

Phalon's "VITALIA" is warranted to effect a change in the color of the hair within 10 days after the first application, the directions being carefully observed.

IT IS AS CLEAR AS WATER!

AND HAS NO SEDIMENT.

Price, One Dollar per Box,

CONTAINING TWO BOTTLES.

SOLD BY ALL DRUGGISTS.

If your Druggist has not "Vitalia" on hand, write, enclosing $1.00, and we will forward it immediately.

Slow Horses Made Fast

Fast Horses Made Faster.

My mode of treating horses is guaranteed to increase the speed of any horse, good or poor. Ordinary farm horses have had their speed increased so as to sell for five hundred dollars. A gentleman with my method bought a pair of horses for $300 and sold them, after four days' training, for $2,000. They trotted in 2:48 in harness. Another bought an ordinary saddle horse for $90 and in one week sold him for $800. I will send my method to any address on receipt of One Dollar.

DR. JOHN BULL'S Great Remedies

DR. JOHN BULL

Manufacturer and vender of the

CELEBRATED

Smith's Tonic SYRUP

FOR THE

CURE OF AGUE AND FEVER

OR

Chills and Fever.

THE proprietor of this celebrated medicine justly claims for it a superiority over all remedies ever offered to the public for the safe, certain, speedy and permanent cure of Ague and Fever, or Chills and Fever, whether of short or long standing. He refers to the entire Western and Southwestern country to bear him testimony to the truth of the assertion, that in no case whatever will it fail to cure, if the directions are strictly followed and carried out. In a great many cases a single dose has been sufficient for a cure, and whole families have been cured by a single bottle, with a perfect restoration of the general health. It is, however, prudent, and in every case more certain to cure, if its use is continued in smaller doses for a week or two after the disease has been checked, more especially in difficult and long standing cases. Usually, this medicine will not require any aid to keep the bowels in good order; should the patient, however, require a cathartic medicine, after having taken three or four doses of the Tonic, a single dose of **Bull's Vegetable Family Pills** will be sufficient.

BULL'S WORM DESTROYER

To My United States and World wide Readers:

I HAVE received many testimonials from professional and medical men, as my almanacs and various publications have shown, all of which are genuine. The following, from a highly educated and popular physician in Georgia, is certainly one of the most sensible communications I have ever received. Dr. Clement knows exactly what he speaks of, and his testimony deserves to be written in letters of gold. Hear what the Doctor says of **Bull's Worm Destroyer:**

Villanow, Walker County, Ga., June 29, 1866.

DR. JOHN BULL—Dear Sir: I have recently given your "Worm Destroyer" several trials, and find it wonderfully efficacious. It has not failed in a single instance to have the wished-for effect. I am doing a pretty large county practice, and have daily use for some article of the kind. I am free to confess that I know of no remedy recommended by the ablest authorities that is so certain and speedy in its effects. On the contrary, they are uncertain in the extreme. My object in writing you is to find out upon what terms I can get the medicine directly from you. If I can get it upon easy terms, I shall use a great deal of it. I am aware that the use of such articles is contrary to the teachings and practice of a great majority of the regular line discarding a remedy which we know to be sufficient, simply because we may be ignorant of its combination. For my part, I shall make it a rule to use all and every means to alleviate suffering humanity which I may be able to command—not hoarding because some one more ingenious than my self have learned its effects first, and secured the sole right to secure that knowledge. However, I am by no means an advocate or a supporter of the thousand of worthless nostrums that flood the country, that purport to cure all manner of diseases to which flesh is heir. Please reply soon, and inform me of your best terms. I am, sir, very respectfully,

JULIUS P. CLEMENT, M. D.

BULL'S SARSAPARILLA

Read the Captain's Letter and the Letter from his Mother:

Benton Barracks, Mo., April 30, 1866.

DR. JOHN BULL—Dear Sir: Knowing the efficiency of your Sarsaparilla, and the healing and beneficial qualities it possesses, I send you the following statement of my case:

I was wounded about two years ago—was taken prisoner and confined for sixteen months. Being moved so often, my wounds have not healed yet. I have not sat up a moment since I was wounded. I am shot through the hips. My general health is impaired, and I need something to assist nature. I have more faith in your Sarsaparilla than in anything else. I wish that that is genuine. Please express me a half dozen bottles, and oblige CAPT. C. P. JOHNSON, St. Louis, Mo.

P. S.—The following was written April 30, 1866, by Mrs. Jennie Johnson, mother of Capt. Johnson:

DR. JOHN BULL—Dear Sir: My husband, Dr. G. S. Johnson, was a skillful surgeon and physician in Central New York, where he died, leaving the above C. P. Johnson in my care. At thirteen years of age, he had a chronic diarrhea and scrofula, for which I gave him your Sarsaparilla. IT CURED HIM. I have for ten years recommended it to many in New York, Ohio and Iowa, for scrofula, fever sores, and general debility. Perfect success has attended it. *The cures effected in some cases of scrofula and fever sores were almost miraculous.* I am very anxious for my son to again have recourse to your Sarsaparilla. He is fearful of getting a spurious article, hence his writing to you for it. His wounds were terrible, but I believe he will recover. Respectfully,

JENNIE JOHNSON.

Stony Point, White Co., Ark. May 28, '68.

Dr. John Bull—Dear Sir: Last February I was at Louisville purchasing drugs, and I got some of your Sarsaparilla and Cedron Bitters.

My son-in-law, who was with me in the store, has been down with the rheumatism for some time, commenced on the Bitters, and soon found his general health improved.

Dr. Gist, who has been in bad health, tried them, and he also improved.

Dr Coffee, who has been in bad health for several years—*stomach and liver* affected—he improved very much by the use of your Bitters. Indeed the Cedron Bitters has given you great popularity in this settlement. I think I could sell a great quantity of your medicine this fall especially Cedron Bitters and Sarsaparilla. Ship me Memphis care of Rickett & Neely.

Respectfully, C. B. WALKER.

Prepared by DR. JOHN BULL at his Laboratory, Fifth Street, Louisville, Ky.
