Fast Horses Made Faster.

My mode of treating horses is guaranteed to increase the speed of any horse, good or poor. Ordinary farm horses have had their speed increased so as to sell for five hundred dollars. A gentleman with my method bought a pair of horses for $300 and sold them, after four days' training, for $2,000. They trotted in 2:40 in harness. Another bought an ordinary saddle horse for $80 and in one week sold him for $800. I will send my method to any address on receipt of one dollar.

DR. JOHN BULL'S

Great Remedies

DR. JOHN BULL

Manufacturer and vender of the CELEBRATED

Smith's Tonic SYRUP ...FOR THE... **CURE OF AGUE AND FEVER** ...& Chills and Fever.

THE proprietor of this celebrated medicine justly claims for it a superiority over all remedies ever offered to the public for the safe, certain, speedy and permanent cure of Ague and Fever, or Chills and Fever, whether of short or long standing. He refers to the entire Western and Southwestern country to bear him testimony to the truth of the assertion, that in no case whatever will it fail to cure, if the directions are strictly followed and carried out. In a great many cases a single dose has been sufficient for a cure, and whole families have been cured by a single bottle, with a perfect restoration of the general health. It is, however, prudent, and in every case sure, certain to cure, if its use is continued in smaller doses for a week or two after the disease has been checked, more especially in old and long standing cases. Usually, the constitution will not require any aid to keep the bowels in good order; should the patient, however, require a cathartic medicine, after having taken three or four doses of the Tonic, a single dose of Bull's Vegetable Family Pills will be sufficient.

BULL'S

WORM DESTROYER

To My United States and World wide Readers:

I HAVE received many testimonials from professional and medical men, as my shamrock and various publications have shown, all of which are genuine. The following, from a highly educated and popular physician in Georgia, is particularly one of the most sensible communications I have ever received. Dr. Clement knows exactly what he speaks of, and his testimony deserves to be written in letters of gold. Hear what the Doctor says of Bull's Worm Destroyer:

Villanow, Walker County, Ga., June 20, 1866.

"Dr. John Bull—Dear Sir: I have recently given your "Worm Destroyer" several trials, and find it wonderfully efficacious. It has not failed in a single instance to have the wished-for effect. I am using a pretty large county practice, and have daily use for some article of the kind. I can, therefore, tell what I know of no sweet recommended by the street authorities that is so certain and speedy in its effects. On the contrary, they are uncertain in the extreme. My object in writing you is to find out upon what terms I can get the medicine directly from you. If I can get it upon easy terms, I shall use a great deal of it. I am aware that the standard character of your preparations will ensure a ready sale for them, if they are known; but I am of the opinion that the medicine is really which are known to be efficacious, simply because so many be imposed on by counterfeits. For my part, I shall make it a rule to use all and every medicine to be of reliable character, which I will do, I may be able to commend. A dwelling contains some one more than myself, who has tested the effect for first, and second, if the sole right to sell your knowledge. However, I am by no means alone in my opinion of the merits of your medicines, numerous that dwell the country, that purport to cure all manner of diseases to which flesh is heir. Please reply soon, and inform me of your best terms. I am, very respectfully,

JULIUS P. CLEMENT, M. D."

SARSAPARILLA

Read the Captain's Letter and the Letter from his Mother:

Benton Barracks, Mo., April 26, 1866.

DR. JOHN BULL—Dear Sir: Knowing the efficacy of your Sarsaparilla, and the healing and medicinal qualities it possesses, I send you the following statement of my case:

I was wounded about two years ago—was taken prisoner and confined for sixteen months. Being more so often, my wounds have not healed yet. I have not enjoyed a moment since I was wounded. I am short-winded, and the lungs. My general health is impaired, and I feel something to assist nature. I have more faith in your Sarsaparilla than in anything else. I feel that that is genuine. Please express me a half dozen bottles, and oblige CAPT. C. P. JOHNSON, St. Louis, Mo.

P. S.—The following was written April 26, 1866, to Mrs. Jennie Johnson, mother of Capt. Johnson:

DR. JOHN BULL—Dear Sir: My husband, Dr. S. Johnson, was a skillful surgeon and physician in Central New York, where he died, leaving me where C. P. J. was in my care. At fourteen years of age, he had a chronic diarrhea and scrofula, for which I gave him your Sarsaparilla, by direction. I have for ten years been compelled to remain in New York, Ohio and Iowa, for scrofula, fever sores, and general debility. Perfect success has attended it. The cure spoken of was one of weakness and fever sores also. I can very seriously for my son to send him two recommend your Sarsaparilla. He is fearful of getting a spurious article, hence his writing to you for it. The wounds were terrible, but I believe now it recover. Respectfully,

Testimony of Medical Men

Stony Point White Co., Ark., May 22, '66.

Dr. John Bull—Dear Sir: Last February I was at Louisville purchasing drugs, and I got some of your Sarsaparilla and Cedron Bitters.

My son-in-law, who was with me in the store, has been down with the mechanism for some time, commenced on the Bitters, and soon found a general health improved.

Dr. Cullen, who has been in bad health for several years—nearly and has attended—he improved very much by the use of your bitters. Indeed the Cedron Bitters has given you great popularity in this settlement. I think I could sell a great quantity, your medicines in fact exceedingly. Cedron Bitters and Sarsaparilla.
