MEDICAL.

TRUTH WILL PREVAIL.
"Tho' Satan Sits at the Door, Some Will Be Cured."
We are happy to place before the citizens of Cairo and the vicinity, Dr. Hollar, late of New Albany. He is permanently located in this city, for the purpose of practicing medicine in all its various branches, and will attend to all calls in the city or its vicinity, by day or night. The Doctor has practiced medicine during a period of twenty years, during which time he has had a large share of practice wherever he has lived. He prepares and furnishes all his medicines at his office. He has been very successful in the treatment of all chronic diseases, having devoted the greater portion of the past eight years to cases of that character, and feels safely ever turned one away cured. After taking their cases in charge he charges nothing for consultations at his office. He will not flatter you; what he tells you you may rely on. Old cases of twenty years' standing are curing him. All old sores, it makes no odds what their condition—sore eyes in all forms, cured in a short time. Fistula and cancers cured without the use of the knife. Tape-Worms expelled by the use of a newly discovered medicine, without fail. All forms of syphilis and diseases of the skin cured in the shortest time.
I also keep on hand the Indian Oil, discovered by me while in the Cherokee nation in 1858. For sale at my office, or sent by express to any part of the country.
The Oil cures aches and cramps in five minutes. Headache in three minutes; earache in ten minutes, neuralgia in five minutes; rheumatism in one hour. Sick children and adults in a short time. All other aches or pains, not named here, are cured by this Oil in the shortest time. Every bottle is labelled with full directions for using it. If it fails to do what is claimed for it, come back and get your money. Price 50 cents and $1 per bottle.
Office, corner of Eighth street and Ohio Levee, Cairo, Illinois. May 25.
I am graduate of the Homœopathic School of Cleveland, Ohio—having graduated in the year 1855. I am graduated in the Eclectic School of Cincinnati, in the year 1856.

The Bulletin.

TUESDAY.

Commercial.

MONDAY EVENING, July 18, 1870.

Business, since our last semi-weekly review, has been rather more moderate than during the week previous, and on Saturday and to-day the values of flour and grain have been somewhat unsettled by the European war news, which has been of an exciting character. Holders, who were previously anxious to effect sales, suddenly became very firm in their views and generally asked advanced rates on flour, which have since been realized to some extent; while corn and oats have been exceedingly firm, though, as indicated by sales, not quotably higher. It is impossible, in the present uncertain state of affairs to say whether prices of bread stuffs are likely to go much higher or to re-act, as everything depends on the length and extent of the sanguinary struggle now going on in Europe. Should it be short, sharp and decisive, prices will tumble as rapidly as they have gone up, while as long as there is a fair prospect of its continuance, they will doubtless advance. In either event, a corresponding benefit will accrue to this country, to whom both of the contestants must look for a large proportion of their supplies.

Flour—Has been somewhat excited to-day, though the sales do not give the impression of there being any very active demand for it. The latest sales are, in every instance, indicated by our outside quotations, and comprised:

27 bbls Super fine	at		4 50
100 " " on track at			4 75
320 " XX	at	5 00@	5 50
200 " XX	at		5 75
585 " XXX	at	6 25@	6 50
100 " XXXX family	at		7 25
34 " Fancy "	at	7 50@	8 00
750 " Various grades	at	5 00@	8 00

Wheat—is coming in very sparingly at present, and our quotations of winter grades are unchanged. There is no Spring wheat arriving.

Corn—With very light stocks, and no receipts of consequence, the sales were [illegible] indicated no material changes. The sales were

1 car white corn 66		$1 00
100 sacks " 66		1 02½
100 " mixed " 62		92½

all in new burlaps.

Oats—are steady and in fair demand, with sales of

200 sacks Northern to		55
400 " " in lots to		56c

all delivered.

Hay—Stocks are becoming somewhat reduced by the consumptive and order demand, and we have no fresh receipts. Prime to choice Timothy, in good condition and well hooped would command $14 00 to $15 00 per ton on track. There were no sales reported.

Corn Meal—is quiet, with sales of 100 bbls kiln dried, on track, at $4 50; 20 bbls ditto at $4 50, and 50 bbls city steam dried at $4 50.

Bran—is dull. Twenty-five tons, in sacks, sold, from city mills, at $20 per ton.

Provisions—are higher on all descriptions, as will be seen by reference to quotations. The demand is light and confined to filling orders.

Butter—The market is well supplied, with a tendency to easier prices on the better grades, which only, are in any demand. The sales comprise 27 pkgs prime to strictly choice yellow at 25 to 28c.

Eggs—are quiet with moderate demand for fresh receipts. 15 pkgs recounted and candled sold at 14@15c.

Poultry—is in good demand with limited receipts. No Spring chickens in market. 3 coops choice old sold at 4 75 per doz.

Apples—are in fair demand, with sales of ten bbls cooking apples at 2 50 per bbl. Choice eating apples would command 3 00 to 3 50, per bbl and 60 to 75c per box.

Potatoes—New are in good request @ 60c per bush for choice.

Blackberries—Are plenty and selling at $2 00 per crate of two dozen boxes for wild berries and $2 40 for Lawton.

Groceries—There have been some changes in Sugar, which are noted elsewhere; coffees are very firm, with a tendency to higher prices.

Freights—are offering in liberal quantities to all points beyond South. Flour is 5c per bbl higher to New Orleans, other descriptions are not materially changed.

The weather has been very hot and sultry, but the temperature was relieved by a fine shower this afternoon, which laid the dust, and was a great blessing to pedestrians.
