THE BULLETIN.

Publication Office, Bulletin Building, Washington Avenue.

THE REDEMPTION OF MUTILATED CURRENCY.

[From the Washington Patriot, 4th.]

The secretary of the Treasury has decided that it is the duty of depositaries situated without the limits of the government contract with Adams Express company, to receive and redeem defaced and mutilated currency, under the treasurer's late circular No. 1, on the same terms as other depositaries; and that the expense of forwarding such currency to the treasurer will be borne by the department, the banks to prepay the charges to the nearest point within the contract, and to be reimbursed therefor by the department.

A MELANCHOLY BREAK-DOWN.—There are lively break-downs that make an audience laugh, and there are sad and sorrowful break-downs that make the kind-hearted grieve. To the latter class belongs the enervation of body and mind which is usually called "general debility," or "nervous weakness," and which, when neglected, too often terminates in atrophy and death. A wholesome medicated stimulant is the one thing needed in cases of this description, and science and experience unite in pointing to PLANTATION BITTERS as the true specific. The fact that it combines the properties of an invigorant with those of a regulator and alterative, in exactly the proportions necessary to produce a radical change in the tone of system, and the action of the digestive and secretive organs, is an unanswerable argument in its favor as a general restorative. 3-6,dcod&w
