THE PUBLIC AND

MANY EMINENT PHYSICIANS

After a fair trial, pronounce it the best of all medicines you know for the speedy and certain cure of

FEVER and AGUE, or CHILLS and FEVER.

—o—

Chills and Fever are caused from a certain poison existing in the atmosphere known as malaria. It reduces the vitality of the blood, retards the action of the different organs, and causes Billiousness, Constipation, etc., and in this way prepares the system for any disease of a more serious nature which may follow. To avoid further trouble, and relieve yourself of this disease, take

ENDER'S CHILL CURE.

It stimulates the organs to perform their different functions, and acts as an antidote to the poison which causes the Fever and Ague, and thoroughly restores the system to health and tone; and is a good tonic withal as

ENDER'S STOMACH BITTERS,

Will give strength and appetite, will destroy that feeling of weariness that clings so tenaciously to any one when recovering from this disease. It is highly recommended for the cure of Dyspepsia.

THE NOVELTY

Patent Flange Cog-Wheels

ON BOTH ENDS OF THE ROLLS.

The cogs on one end of a roll are set relatively between those on the other end of the same roll, virtually forming a

DOUBLE GEAR,

and thereby securing a firm and easy purchase. (The importance of setting gears in this position is not generally understood.)

Notwithstanding the roll can separate freely at either end, the cog-wheels CANNOT be thrown out of gear on both ends of the Wringer at the same time, unless the pressure is taken off.

The **NOVELTY** is distinguished by a nut or lock by a patent curved clasp, which has an equal bearing on a rib the whole length of the stringer. Other Wringers are merely fastened to a shave at each end, and are thus liable to wrench the staves from their proper position and ruin the job.

The Cog-wheels, Thumbscrews, Axles are all galvanized.

Buy the **NOVELTY**, and you take no other on trial with any other wringer, and keep the **Best.**

R. JOHN BULL.

DR. JOHN BULL,

MANUFACTURER AND VENDER OF THE

Celebrated

SMITH'S TONIC SYRUP.

FOR THE CURE OF

AGUE AND FEVER

OR CHILLS AND FEVER.

—o—

THE proprietor of this celebrated medicine justly claims for it a superiority over all remedies ever offered to the public for the *safe, certain, speedy and permanent cure* of Ague and Fever, or Chills and Fever, whether of short or long standing. He refers to the entire Western and Southwestern country to bear him testimony to the truth of the assertion, that in no case whatever will it fail to cure, if the directions are strictly followed and carried out. In a great many cases a single dose has been sufficient for a cure, and whole families have been cured by a single bottle, with a perfect restoration of the general health. It is, however, prudent, and in every case more certain to cure, if its use is continued in smaller doses for a week or two after the disease has been checked, more especially in difficult and long standing cases. Usually, this medicine will not require any aid to keep the bowels in good order; should the patient, however, require a cathartic medicine, after having taken three or four doses of the Tonic, a single dose of **Bull's Vegetable Family Pills** will be sufficient.

BULL'S

WORM DESTROYER

—o—

To My United States and World-Wide Readers:

I HAVE received many testimonials from professional and medical men, as well as others, and various publications have appeared, all of which are genuine. The following from a highly educated and popular physician in Georgia, is certainly one of the most sensible communications I have ever received. The clergyman knows exactly what he speaks of, and his testimony deserves to be written in letters of gold. Hear what the Doctor says of **Bull's Worm Destroyer:**

Villanow, Walker County, Ga.,
June 28, 1869.

Dr. John Bull—Dear Sir: I have recently given your "Worm Destroyer" several trials, and find it wonderfully efficacious. It has not failed in a single instance to have the wished-for effect. I am doing a pretty large county practice, and have daily use for some article of the kind. I feel free to conclude that I know of no remedy recommended by the highest authorities that is so certain and speedy in its effects. On the contrary, they are generally in the extreme. My object in writing you is to find out upon what terms I can get the medicine directly from you. If I can get it upon easy terms, I shall use a good deal of it. I am aware that the use of such articles is contrary to the teaching and practice of a great majority of the regular [illegible] demanding a remedy, which we have to be sufficient simply because we may be ignorant of its combination. For my part, I shall make it a rule to use all and every means to alleviate suffering to the [illegible] which I may be able to command—not [illegible] because some one more ingenious than my self may have learned its effects first, and secured the sole right to make that knowledge. However, I only do [illegible] to advocate or support of the three evils of medicine [illegible] that fresh discovery, that prospect to our [illegible] to which death is the [illegible] [illegible] and take one of your best [illegible]

SARSAPARILLA

—o—

A GOOD REASON FOR THE CAPTAIN'S FAITH.

—o—

Read the Captain's Letter and the Letter from his Mother:

Boston Barracks, Mo., April 26, 1868.

DR. JOHN BULL—Dear Sir: Knowing the efficiency of your Sarsaparilla, and the healing and beneficial qualities it possesses, I send you the following statement of my case:

I was wounded about two years ago—was taken prisoner and confined for sixteen months. Being moved so often, my wounds have not healed yet. I have not sat up a moment since I was wounded. I am shot through the hips. My general health is impaired, and I need something to assist nature. I have more faith in your Sarsaparilla than in anything else. I wish that that is genuine. Please express me a half dozen bottles, and oblige CAPT. C. P. JOHNSON,
St. Louis, Mo.

P. S.—The following was written April 30, 1866, by Mrs. Jennie Johnson, mother of Capt. Johnson:

DR. JOHN BULL—Dear Sir: My husband, Dr. C. S. Johnton, was a skillful surgeon and physician in Central New York, where he died, leaving the above C. P. Johnson in my care. At thirteen years of age, he had a chronic diarrhea and scrofula, for which I gave him your Sarsaparilla. IT CURED HIM. I have for ten years recommended it to many in New York, Ohio and Iowa, for scrofula, fever sores, and general debility. Perfect success has attended it. *The cures effected in some cases of scrofula and fever sores were almost miraculous.* I am very anxious for my son to again have recourse to your Sarsaparilla. He is fearful of getting a spurious article, hence his writing to you for it. His wounds were terrible, but I believe he will recover. Respectfully, JENNIE JOHNSON.

CEDRON BITTERS!

AUTHENTIC DOCUMENTS.

Arkansas heard from

Testimony of Medical Men.

Stony Point White Co., Ark. May 28, '66.

Dr. John Bull—Dear Sir: Last February I was at Louisville purchasing drugs, and I got some of your Sarsaparilla and Cedron Bitters.

My son-in-law, who was with me in the store, has been down with the rheumatism for some time, commenced on the Bitters, and soon found his general health improved.

Dr. Gish, who has been in bad health, tried them, and he also improved.

Dr. Coffee, who has been in bad health for several years—almost and here affected—he improved very much by the use of your Bitters. Indeed the Cedron Bitters has given you great popularity in this settlement. I think I could sell a great quantity of your medicine this fall, especially the Cedron Bitters and Sarsaparilla. Ship me on Memphis care of Rickett & Neely. Respectfully,

C. B. WALKER.
