The weather continued clear and beautiful last evening and until a late hour at night when the sky became again overcast with clouds. This morning the sun occasionally puts in an appearance, but the indications are again for moist weather. Thermometer 60 wind south.

The river has fallen a few inches again at this point.

The Mississippi is falling at St. Louis.

The Ohio is falling at Pittsburg with scant seven feet in the channel, and rising at Louisville with nearly eight feet in the chute over the falls. It is also rising at Evansville.

The Cumberland is falling with scant nine feet on Harpeth Shoals.

Business here continues good.

The Grand Era cleared last evening, on time for New Orleans, with a full load, and the Bismark, M. G. Wicks, and Arthur are now here loading, or, as the Missouri Democrat would say, "hunting a trade."

The Quickstep brought out 180 flour barrels; 4 head cattle; 3 tons stoves, and holloware, 50 bags wheat; 37 bbls potatoes, and ten tons sundries for Cairo; 550 bbls whisky; 300 bbls flour; potatoes and sundries, 350 pkgs furniture for New Orleans. Her officers confirm the cold blooded details of the murder committed at Uniontown, and noticed in our columns yesterday. From what we can learn, it was one of the most deliberate and malicious murders of which we have heard. Alexander Gumberts, the murderer, is only about twenty-one or twenty-two years of age. He is in custody at Uniontown, Ky.

The Nashville packet, John Lumsden, brought 130 tons for reshipment to St Louis and the South, and returns this evening with a fine trip of produce and groceries.

The splended new steamer City of Evansville, Capt. Dexter, is the regular packet for Evansville this evening. She is most elegantly finished and possesses every requirement to make passengers comfortable and safe.

The Arthur and Bismarck leave for New Orleans this evening, and the Marble City for Memphis, and Forsyth for Vicksburg.

SINGERS AND PUBLIC SPEAKERS use them to clear and strengthen the voice.

Owing to the good reputation and popularity of the Troches, many worthless and cheap imitations are offered, which are good for nothing. Be sure to obtain the true
