Call for State Convention of County Commissioners.

A meeting of the county commissioners of Florida and the Good Roads Association of the state will be held in the city of Jacksonville on Tuesday, the 19th day of February, at 10 a. m., for the following purposes, to-wit:

To perfect its organization by the adoption of a constitution and by-laws; receive new members from counties not heretofore affiliated with it in its conventions, and to receive a typewritten report from the delegates from each county, giving the number of miles in length, feet in width, inches of depth, of MacAdamized roads that have been built, together with a description of the grade established, the character of the material used, the kind of machinery used, the kind of labor employed, cost per day for same, and how convict labor compares with free labor, and cost per mile in constructing MacAdamized roads.

As county commissioners, in their official acts, come in contact with defective laws, and discover the necessity of additional laws for the public good, the various delegates, after conferring with their respective boards of county commissioners, will note and report such statutory laws as they believe should be amended, and formulate and submit to the association such additional laws as they think should be enacted into law; in particular, laws in reference to assessments and collection of taxes and licenses, sale, redemption and cancellation of tax certificates And also making of plats and surveys of the lands of each county, to enable the tax assessors to intelligently perform their duties, and to attend to such other business as may properly come before the association.

The various boards of county commissioners of the state are earnestly requested to send at least one of their number as a delegate as matters in general that will be considered will, to some extent, apply to all the counties, especially the matter of formulating a bill to be enacted into law, grading the different qualities of hammock and pine lands of the state, and fixing a uniform value upon each grade so fixed throughout the state.

The various road officials having through messengers sent to our first convention held in Orlando, March 21st to the 23rd, tendering their good will and willingness to co-operate with us in our efforts to build good roads throughout the state, leads us to confidently expect them to give us a fare of one cent per mile each way.

The Good Roads Association of the state has agreed to meet with us and give us the benefit of its experience.

All newspapers of the state will please copy.

H. W. LONG, Chairman.
PORCHER L'ENGLE, Secretary.

Frequent Coughing

Inflames the lungs. Foley's Honey and Tar stops the coughing and heals the lungs. The ordinary cough medicines which are simply expectorants, will not do this, as they keep the lungs irritated throwing off the phlegm. Anti-Monopoly Drug Store. m

In Memoriam.

It is our sad duty to chronicle the death of Mrs. Almeta C. Scarborough, wife of Mr. M. P. Scarborough, which occurred at their home near Anthony on Wednesday morning, February 6. She had been ill for the past three or four months, though not thought seriously. Her many friends thought, up to a few days before her death, that she was improving, but pneumonia had set in and she grew rapidly worse until death came to her relief. The funeral was attended by a large concourse of friends, and the remains were laid to rest in the Anthony cemetery, Rev. Mr. Sistrunk, of the Anthony Methodist church, performing the last sad rites.

Mrs. Scarborough was the daughter of Mr. and Mrs. John Luffman, and was 39 years old, a woman of amiable disposition, and although not a member of any church, was beloved by all who had the pleasure of her acquaintance. She was married to Mr. Scarborough in April, 1887. To this union were born six children, four of whom survive their dear mother, while two have preceded her to that land of eternal peace and happiness.

May our Father heal the bruised and suffering hearts of the bereaved ones, and especially the devoted husband and little children, is the wish of their friend B. H. LEITNER.

Anthony, Feb. 13, 1901.

To Cure a Cold in One Day

Take Laxative Bromo Quinine Tablets. All druggists refund the money if it fails to cure. E. W. Grove's signature is on each box. 25c.

Obituary.

Charles A. Bellamy was born in Marion county, Florida, January 18, 1868, and died in Manatee county, Florida, January 24, 1901.

In writing this obituary I feel that I have a pleasant, yet painful, duty to perform.

Pleasant, because he was a truly good man and ready to depart and be with Christ, which is far better than any dwelling place on earth. Painful, because we so strongly desired him to remain amongst us, to cheer and aid us in the work of the church he loved; so anxious for him to be spared to his dear dependent home; but we say, in the language of his mother: "I know it is the dear Master's will, for I have prayed so earnestly. The righteous is taken away from the evil to come. He shall enter into peace."

Brother Bellamy was a faithful steward and efficient trustee in our church. It was my pleasure to nurse him during the last days of his illness and a more patient sufferer I never saw. He died as peacefully and as quietly as a child falls to sleep.

"God can make a dying bed
As soft as downy pillows are,
And he who in the Lord confides
Shall breathe his life out sweetly there."

W. G. BELLAMY.

You Know What You Are Taking

When you take Grove's Tasteless Chill Tonic, because the formula is plainly printed on every bottle, showing that it is simply Iron and Quinine in a tasteless form. No cure, no pay. 50c.
