ATLANTA, GA., Nov. 7, 1879.—Dr. C. J. I have used it with very satisfactory results the past summer with my child, and while we have heretofore lost a child or two from teething under other remedies, our present child, that has taken Teethina, is a fine, healthy boy. I am, very respectfully, A. P. Brown, M. D. (Brother of U. S. Senator and ex-Governor Joseph E. Brown.) w2

An Old Ocala Banner Subscriber.

When he was second lieutenant in the army Mr. C. C. Byrne entered his name on the Ocala Banner's list of subscribers. It has seen him rise from second to first lieutenant, from first lieutenant to captain, from captain to major, from major to colonel. Col. Byrne has served his country faithfully and well, and is soon to go abroad for an extended period. The Ocala Banner wishes him a pleasant sojourn in foreign lands, and will be glad to welcome him on his return to his native land. Col. Byrne is at present at Governor's Island, New York.

A Good Showing.

Ex-Mayor C. H. Campbell, formerly of this city, is superintendent of the water works of Charlotte, N. C., and makes a most notable showing in his annual report under date of April 3, 1901. He says by using the water system the water consumers have saved thirty-three and a third per cent.

He accompanies his report with a chemical and biological report of the water which attests its purity.

Easter Services.

Last Sunday being Easter, the anniversary of the resurrection morn of Jesus Christ, appropriate and fitting devotional services were held in all the churches in this city.

Rev. C. M. Gray, of the Episcopal church preached a most beautiful sermon to a large and appreciative congregation, his subject, of course, being the "Resurrection." The church had been beautifully decorated by the ladies with Easter lilies, cala lilies and other lovely flowers.

In the afternoon the children of the Episcopal Sunday school held their annual Easter carnival.

In the Methodist church, which had been turned into a bower of pot plants and cut flowers, Rev. Howard Dutil, the pastor, preached a most eloquent sermon.

Rev. J. H. Law, pastor of the Presbyterian church, and Rev. W. J. Williams, of the Baptist church, also preached splendid sermons on the "Resurrection" to their large congregations.

Special Easter music had been prepared in all the churches.

The annual Easter collections were taken and the offerings were generous.

The usual services were held in the churches Sunday night.

Caught a Dreadful Cold.

Marion Kooke, manager for T. M. Thompson, a large importer of fine millinery at 1658 Milwaukee avenue, Chicago, says: "During the late severe weather I caught a dreadful cold which kept me awake at night and made me unfit to attend to my work during the day. One of my milliners was taking Chamberlain's Cough Remedy for a severe cold at that time which seemed to relieve her so quickly that I bought some for myself. It acted like magic and I began to improve at once. I am now entirely well and feel very pleased to acknowledge its merits." For sale by the Anti-Monopoly Drug Store. m

Old Advertisers.

The firm of Geo. S. Hacker and Sons, of Charleston, S. C., are the oldest continuous advertisers on the books of the Ocala Banner, and are perhaps the oldest advertisers in Florida. For a quarter of a century, without a break, they have been customers of ours, and also of many other newspapers of this state. This firm believes in printer's ink, and through its aid has built up a very lucrative trade. During the twenty-five years they have been patrons of ours we have yet to hear of the first complaint being lodged against them. We can cheerfully recommend them to all of our customers who are in need of building material.

Habitual constipation is the door through which many of the serious ills of the body are admitted. The occasional use of Prickly Ash Bitters will cure and remove this distressing condition. Anti-Monopoly Drug Store, special agents. 4-12
