The Oil Excitement Has Reached Ocklawaha.

Ocklawaha, July 17.—There is considerable oil excitement around the lake, and it is the man with the augur now, not "the man with the hoe" that is seen most frequently. When the "gushers" begin to spout there will be a company formed to widen and deepen the old canal to the Ocklawaha river, so that this section may have both rail and water transportation.

The cotton in this section is not doing well, because of the heavy rains stopping the growth. Several farmers have plowed under their crop and planted peas

Edwin Spencer and family, of Ocala, are rusticating on the lake, occupying one of Mr. Freeman's cottages on Lake Avenue.

Several families have clubbed together and bought a seine to catch fish for family use.

The Misses Norris, of Ocala, are visiting friends on the lake.

The orange groves never looked better since 1895, and never since then have there been so many inquiries about property, both to buy and rent.

Strikes a Rich Find.

"I was troubled for several years with chronic indigestion and nervous debility," writes F. J. Green, of Lancaster, N. H., "No remedy helped me until I began using Electric Bitters, which did me more good than all the medicines I ever used. They have also kept my wife in excellent health for years. She says Electric Bitters are just splendid for female troubles; that they are a grand tonic and invigorator for weak, run down women. No other medicine can take its place in our family." Try them.
