An Ancient Foe

To health and happiness is Scrofula—as ugly as ever since time immemorial.

It causes bunches in the neck, disfigures the skin, inflames the mucous membrane, wastes the muscles, weakens the bones, reduces the power of resistance to disease and the capacity for recovery, and develops into consumption.

"A bunch appeared on the left side of my neck. It caused great pain, was lanced, and became a running sore. I went into a general decline. I was persuaded to try Hood's Sarsaparilla, and when I had taken six bottles my neck was healed, and I have never had any trouble of the kind since." MRS. K. T. SNYDER, Troy, Ohio.

Hood's Sarsaparilla and Pills

will rid you of it, radically and permanently, as they have rid thousands.

A COMPLIMENT.

[Composed on hearing Mr. Dale sing "Nearer My God to Thee" at the evening service in the Baptist church, on Sunday, Dec. 14, 1902.]

No one may sing like Dale whose worthless song
The song within the song that greets the ear,
Is not inspired by Him who moves the throng
To heavenly harmony in music's sphere.
Divinely sacred and sublimely strong
In God-sent inspiration seemed the crowd
Of eager souls who with this Delphic seer
In mystic song yesterday went up to God
In supplicating yearning to be near
To Him whose unseen presence makes for good,
And builds the bow of hope in every year
That comes from neath the weight of misery's load.
Sing often thus dear Dale, and singing give
Such power as teaches all our best to live.

At the Methodist Church Sunday.

The Sunday school at 9:30 a. m. was very largely attended. The presiding elder, Rev. Ira S. Patterson was there, and spoke specially to the children, explaining the ordinance of infant baptism wherein the parents consecrate their little ones to the Lord. He showed that when these little ones arrive at the age of accountability they should then choose for themselves God and his service. The presiding elder then opened the doors of the church and five little girls came forward and assumed the vows of the church and were received into full membership.

At 11 a. m. Presiding Elder Patterson preached from the subject "The Chambers of Imagery" in which he showed most vividly the characters of the idol worshipper and the God worshipper. In the evening the presiding elder spoke concerning the two hearts—the old, sinful one and the new, regenerate one. Both sermons were grand, eloquent, uplifting and convincing. Presiding Elder Patterson is a young man, but he handles the word of God with with power and it is a grand treat to hear him.

The Epworth League in the afternoon was led by Mrs. Ervin, a number of members participating.

"The Fruit of His Folly."

The above is the name of a play to be given at the Marion Opera House by the senior and junior pupils of the Ocala High School Friday night.

The play is a pleasing one; the pupils perform their parts admirably; the costumes are appropriate and it will well be worth the price of admission. The proceeds are to be applied towards the fitting up of a chemical laboratory.

Give the boys and girls your encouragement.
