### THE HOME DOCTOR.

In this department we shall give each month a few choice formulas by the best physicians in the United States.

#### BLOOD REMEDIES.

Everybody, nearly, needs an alterative, or blood-purifier. The word "alterative," as used by doctors, means to make a change. Alterative medicines are those that make a change in the system. So there are a great many "blood-purifiers," but the best I know for all purposes is the Compound Syrup of Stillingia, in teaspoonful doses three times per day, after eating, or the following:

Fluid Ex. American Ivy...	1 Oz.
Fluid Ex. Rumex Crispus...	1 Oz.
Fluid Ex. Stillingia.....	1 Oz.
Fluid Ex. Turkey Corn....	1 Oz.
Simple Syrup.....	12 Ozs

Teaspoonful after eating. In this you have a remedy that will not disappoint you if taken for scrofula, consumption, all diseases where a "blood-purifier is needed.

The Populists have no cause for being downcast regarding the late elections. We made gains in every State ranging from 7 to 25 per cent and the old parties were forced to combine in order to beat us. This, of course we fully expected.
