Everyone buying $5.00 or more from the Dry Goods, Clothing or Shoe Departments on the day given above, will receive a nice present.

We have decided to finish out the year of 1905 by putting on the grandest special sale of the year. Thirty days of genuine bargain giving. We give you our word of honor that there will be a bargain price on every article in stock during this Big Thirty Day Sale. Now, this month, is when we unload. We are making prices that will move thousands of dollars worth of merchandise during this sale. Every article in stock will have a new price and be marked in plain figures, and we invite comparison with other special sale prices. We are not making special prices on shelf worn goods, only, as you will find many merchants doing, but, as said before, there is a bargain price on every article. The many special sales we have had this year has kept our stock in excellent condition, but, if, in arranging stock for the sale, we should find some goods not strictly up to date, we will mark them, without consideration of cost, at a price that will make them vanish like a "snow ball on the Fourth of July." Now don't miss being present on the first day of the sale, the store will be in full bloom with the finest display of merchandise you have seen for many days. We will have extra clerks to take care of the crowds and we assure you we will spare nothing to make your shopping pleasurable and profitable during this Big Thirty Day Sale.
