☞ STANDARD HOMEOPATHIC MEDICINES.—The agent of Humphrey's Homeopathic Specifics has received a very important addition to his list of Humphrey's Specific Homeopathic Remedies in the form of Specific No. 34, which cures diptheria and ulcerated sore throat. These specifics have obtained a wide celebrity among the medical practitioners and are very largely used by them, being prompt, efficient, reliable and convenient. An extended advertisement in another column gives a list of the different species, the diseases which they remedy, and the prices. The cases for family use are especially worthy of attention, and also the new department of veterinary specifics. The headquarters of Humphrey's Specific Homeopathic Medicine Co., is at 562 Broadway, New York.

"Canst thou not minister to a mind diseased,
And, with some sweet, oblivious antidote,
Cleanse the foul bosom of the perilous stuff
That weighs upon the heart?"

Certainly; PLANTANION BITTERS will do it when nothing else will. Melancholy, Depression, Hypochondria, Insanity, all spring, more or less, from a diseased stomach, and this PLANTATION BITTERS is a sure cure for. There is no mistake about it; Dyspepsia, Headache, Dullness, Ague, and Low Spirits must yield to the health-giving and genial influence of the PLANTATION BITTERS. If you are in doubt, make one trial and be convinced.

☞ AN INVALUABLE REMEDY.—None, except those who have suffered all the horrors of threatened Consumption, can fully appreciate the value and efficacy of Dr. HALL'S BALSAM—a sovereign remedy in all the various stages of this much dreaded disease.

☞ Consumption is a disease which is carrying its victims to the tombs by the thousands, without being arrested in its progress. But a brighter day is coming and has come to successfully arrest this disease. Allen's Lung Balsam is making truly remarkable cures of what was considered by Physicians as incurable Consumption.

☞ Take B[illegible] and Ague. Th[illegible] fortifies the system against intermittents, cures dyspepsia, puts the nerves in order, clears the brain, sustains the constitution, and restores the lost vigor of any and every organ. Depot 28 Dey st., N. Y. Sold by all Druggists.

EYE AND EAR.—Dr. Culbertson, Occulist and Aurist, of Richmond, Indiana, will visit Dayton professionally, and can be found at the Phillips House, Tuesday, Wednesday, Thursday and Friday, January 2, 3, 4, and 5. He can be consulted by all afflicted with any disease of the Eye and Ear *free of charge*. Dr. Culburtson's reputation is of the highest standing in this country as an operator on the Eye and Ear. His eminent position for skill and ability has long been established, and his references and certificates are from the best men and journals, and are in our immediate vicinity. See circulars. de20w2t.

☞ DR. MOTT'S VEGETABLE LIVER PILLS are constantly becoming more and more popular. They are acknowledged to have no rival in the cure of such diseases as Liver Complaint, Dyspepsia, Fever of all kinds, Jaundice, Costiveness, Pain in the Stomach, Side, Head, Back, and Bowels, Bilious Complaints, Loss of Appetite, Sick Headache, Scrofula, Scald Head, Rheumatism, Cólic, Pleurisy, Pimples and Sores on the Skin, Palpitation of the Heart, Lowness of Spirits, Pain or Weakness of the Breast, Diseases of Spine and Kidneys, Sore Eyes, Diarrhea or Dysentery, Cold, etc.

Most of the above-named diseases may be prevented by taking DR. MOTT'S VEGETABLE LIVER PILLS in season, or when the liver becomes first deranged, which carry off, through the bowels and the secretions of the skin and kidneys, those poisonous humors that clog the stomach, bowels, and skin, and become accumulated in the blood. There has been as great a progress in science, and especially in that of medicine, within the past few years, as there has in the arts. To such perfection have they brought this science, that the medicinal properties are condensed and concentrated into the resins or salts of the plant, which they extract from it, and leave the inert or woody matter. The old mode of extracting these medicinal properties—by boiling for a long time in water—is found, in most cases, to render the medicinal qualities wholly inert, or even decomposing them.

DR. MOTT'S VEGETABLE LIVER PILLS are composed of chemical vegetable extracts, mostly from plants growing in our own country; some of these plants have a direct action on the liver, others upon the skin, others on the kidneys, and others upon the bowels and lungs. It is by a peculiar chemical combination of all these extracts that these Pills are made, possessing the most extraordinary efficacy for curing the above-named diseases.

☞ Those who have suffered from Scrofula, Eruptions, or any other impurity of the Blood, will find SCOVILL'S BLOOD AND LIVER SYRUP invaluable, as it will cleanse the Blood and permanently eradicate from the system the cause of the disease, thereby restoring health, and vivacity to the system.

☞ No lady should be without DR TOWNSLEY'S INDIAN TOOTHACHE ANODYNE in her family. If she has children that have the toothache it will cure them. If any of the family have scurvy on the gums it will cure it. If some of the cousins have diseased gums, rendering their mouth very unpleasant, it will cure the disease, and render the gums red and of a beautiful color.

THE OPERA HOUSE.—The work of preparation is progressing finely, in anticipation of the grand opening of the Opera House on Monday evening. Public expectation is on "tip-toe," to witness the most attractive and magnificent dramatic entertainment ever witnessed in the West. Mr. Forrest, the leading attraction on this occasion, is expected in the city this evening. He will, as before announced, appear in the great tragic conception of "Virginius, the Roman Father," a character in which he has no equal on the stage.

He will be supported by a splendid array of dramatic talent, including the beautiful and accomplished *artiste* Madame Ponisi, and Mr. J. McCulloch, a young and distinguished tragedian. We learn that a large proportion of tickets for reserved seats are already sold, and from the rapidity with which they are going off, the prospect is that many will be disappointed in gaining admission, unless application for seats is made without delay.

GLEANINGS FROM THE MAIL.

Lewis D. Campbell, of Ohio, has been appointed Minister to Mexico, General Logan having declined. Whether Mr. Campbell has been accredited to Juarez or Maximilian, has not transpired, but if to the former, the appointment is a mere formality, the official drawing the pay, but performing none of the duties of the post.

About three hundred, connected with the school, were in the building, partaking of a sumptuous repast, when suddenly the floor settled beneath the great weight several inches. The children were quietly marched out, and a threatened disaster avoided.

A large propellor, painted light color, was seen ashore on Barnegat on the morning of Monday, the sea making a clean breach over the vessel. They were a large number of people on her.

BY TELEGRAPH.

From New York.

NEW YORK, December 29.

The *Post's* Washington special says: It is rumored that the French and United States Governments have arrived at a definite understanding in relation to Mexican affairs.

That the Emperor Napoleon has aggreed to withdraw the French troops from Mexico, and that our Government engages to prevent any interference with the Archduke while he remains in that country by citizens of the United States or other persons on American soil.

According to this arrangement Maximilian is to be left to his Austrain body-guard and the Mexican people to make such head as he can against the opposing forces of patriots. It adds that the rumor is not authenticated, but there is a general belief in its truth.

Medical.

FEVER AND AGUE AND CHILLS.

THE BEST REMEDY TO CURE, IS

DAVIS' PAIN KILLER.

DIRECTIONS FOR ITS USE.—TAKE THREE teaspoonsful of the Pain Killer in about half pint of hot water well sweetened with molasses, a the attack is coming on, bathing freely the chest, back and bowels with the medicine, at the same time.—Repeat the dose in twenty minutes if the first does not stop the chill. Should it produce vomiting (and it probably will if the stomach is very foul), take a little Pain Killer in cold water sweetened with sugar after each emesis. Perseverance in the above treatment has cured many severe and obstinate cases of this disease.

SOLD BY ALL MEDICINE DEALERS.
