A CARD TO THE PUBLIC.

HAVING PURCHASED (AS ALREADY published) the stock and fixtures of the well-known stand of Mr. PHILLIP KLOPFER'S, we are prepared now to offer great inducements to buyers of

READY-MADE CLOTHING,

and other articles of Goods generally kept in connection therewith; and in doing so, make it our aim and object not only to SECURE the large trade our predecessor so richly and deservedly enjoyed, but, if possible, to INCREASE the same to the fullest extent. To this we feel ourselves particularly enabled, from the fact, that this will be a branch Store of our Extensive

Wholesale Establishment

in Cincinnati, where the Manufacture of Clothing is carried on under our own supervision, which gives us the great advantage of selling at considerable less prices, together with the important item, not to be lost sight of, that the Goods are of superior quality, make and finish.

Our stock will consist of a full line of choice Clothing and Gents' Furnishing Goods suitable for the various seasons, together with a large selection of Piece Goods, such as Cloths, Cassimers, Vestings &c., of latest designs, to suit such customers as may prefer to have their measures taken, in which instance a complete fit will be guaranteed.

If politeness, close attention to, and fair dealing in business is the touch-stone of success, we surely may expect a full patronage of a liberal public. Please call and see for yourself. Remember the new firm. I. P. STRAUSS & BRO.,
