CITY OF LANCASTER:

THURSDAY, : : OCT. 11, 1860.

RATIFICATION!

The Republicans of Fairfield County will ratify their victory in Ohio, Indiana, Pennsylvania, and especially in the 11th District, at Lancaster, on Tuesday evening, Oct. 16th, by a Grand Torch-Light Procession and Illumination. Let the people turn out.

At Baltimore, Liberty township, Saturday evening, Oct. 13th.

Cutter, Republican, in the Zanesville District, elected to Congress by 64 majority.

☞T. L. DONNELLY'S splendid Theatre troupe are playing nightly in the City Hall. Large crowds of our citizens are turning out. Donnelly's troupe play well and deserve the liberal patronage they are getting.

Fairfield County Fair.

Our present county fair excels any of its predecessors. At 10 o'clock on Thursday more than nine hundred entries had been made. The stock stalls are all full; agricultural hall is better filled with a larger and greater variety of vegetables than even last year.

Floral Hall is past description, blooming with beauty and taste. Mechanics' hall displays many valuable inventions.

The whole thing may be put down as a great success, reflecting great credit upon our people. The grounds are alive with men, women and children, and every avenue of ingress and egress thronged to overflowing. Ten thousand would be a moderate estimate of the crowd.

The Douglas Democracy, sore over the defeat of Martin, are circulating contemptible insinuations and lies in reference to the majorities in Meigs and Athens.—Badly beaten, they whinker like whipped babies, and blubber out "Horton's money," "pipe laying," and such silly cries. That might do to bamboozle fools, but not the intelligent community where the Hon. V. B. Horton lives, and is known, honored and appreciated as high moral worth and character deserve.

NOTICE—BAPTIST CHURCH, LANCASTER.—Rev. Ed. F. Suickland (Pastor) will (God willing) in compliance to the request of many friends, preach Sunday morning next on the subject of "Elections," and in the evening "Judgment." All persons interested in the above solemn and important themes are respectfully and earnestly invited to attend.—Service 10½ A. M. and 7 P. M.

The Age of Virtue.

The first number of the *Age of Virtue* is ready for delivery. Specimen copies can be procured at Billinghurst's News Office, and at the publishing rooms adjoining the *Gazette* office. We will be pleased also to send the "Age" by mail, to those who may wish it; the price is 5 cents per copy, or $1,25 per year. As a family journal, the "*Age*" will find a welcome everywhere, because, it will be devoted exclusively to useful information, and intellectual literature; embracing matters important to know, and remember.

We are compelled to apologise for the first two numbers. The paper is lighter than we contracted for. The third issue will be on heavier and superior paper.

H. SCOTT.

DUFF & McCOY'S COMMERCIAL COLLEGE.—By reference to our new Advertisements it will be noticed that this Institution begins its regular fall and winter course of studies on the 1st. of October next.

We can with confidence recommend the young men of our country who desire a thorough and complete knowledge of the science of Book-keeping, and a correct style of business writing, to attend the Columbus College.

The proprietors who are always up with the times, have introduced during the past season, some new and important features in their course of study, which meets with the favor of the best business men in our city, and are destined to become the method of conducting the Books of all Business Houses that look to brevity and clearness in the keeping of their accounts. The school opens well for a largely increased business.—*Ohio State Journal.*

GUERNSEY'S BALM.—Buy it,—borrow it,—become possessed of it in some honorable manner, if possible. It is a sin not to take advantage of this wonderful preparation, and lessen your chances of experiencing severe pain, which can be prevented by a timely application of this remedy. Keep it in the house always.

☞See New Advertisements in today's paper. More special reference next week.

Now is the Time

TO PLANT.

EXPERIENCE, the best of all proof has taught, October is the best time to plant Trees in this latitude, if done properly. To those wanting large Trees for the immediate embellishment of their residences, this is a good opportunity, as we have Evergreens, and others 3 to 10 feet high. To such as want FRUIT TREES, for early fruiting of the best desirable qualities, a rare chance is presented, these of all desirable sizes, and are of our own raising, and the sorts mostly proven on our specimen Trees.

Flowering Shrubs and Roots of every kind.

We cultivate and "keep up" as usual every desirable thing in our line, although interested agents and others have disseminated that our nurseries are "cleaned out." In reply, we would say to our friends and the public, we have acres of great trees, (not bound up in catalogues only,) yet to dispose of, as good, and *cheap too*, as the country can boast of. Come and see.

ANALYZED

always presents us with the same essential elements and gives of course the TRUE STANDARD. Analyze the Blood of a person suffering from Consumption, Liver Complaint, Dyspepsia, Scrofula, &c., and we find in every instance certain deficiencies in the red globules of Blood. Supply these deficiencies, and you are made well. The BLOOD FOOD is founded upon this Theory—hence its astonishing success.

To all suffering from consumption, incipient or confirmed; or from debility of any kind; or from mental or nervous prostration brought on by any cause; or from scrofulous complaints; or from diseases of the kidneys; and to ladies suffering any of the many distressing complaints to which their sex are liable, and which engender consumption, the Blood Food is offered as a certain and reliable remedy. Differing in every particular from the patent medicines of the day, it is a chemical combination of iron, sulphur and phosphorus, of very great worth, and many hundreds bear glad and grateful testimony to the benefits it has conferred on them.

We have changed the color of the Wrapper from Red to Yellow; and the size of the Bottle to Big.

Be careful to see that the fac-simile of our signature is on the outside wrapper.

MOTHERS!

Thousands are daily speaking in the praise of

DR. EATON'S

INFANTILE CORDIAL,

and why? because it *never fails to afford instantaneous relief* when given in time. It acts as if by magic, and *one trial alone* will convince you that what we say is true. It contains

NO PAREGORIC OR OPIATE

of any kind, and therefore relieves by *removing the sufferings* of your child, instead of by *deadening its sensibilities.* For this reason, it commends itself as the *only reliable* preparation now known for *Children Teething, Diarrhea, Dysentery, Griping in the Bowels, Acidity of the Stomach, Wind, Cold in the Head,* and *Croup*, also, for softening the gums, reducing inflamation, regulating the Bowels, and relieving pain it has no equal—being an anti-spasmodic it is used with unfailing success in all cases of *Convulsions* or *other Fits.* As you value the life and health of your children, and wish to save them from those sad and blighting consequences which are certain to result from the use of nostrums of which the other remedies for Infantine Complaints are composed, take none but DR. EATON'S INFANTILE CORDIAL, this you can rely upon. It is perfectly harmless, and cannot injure the most delicate infant. Price, 25 cents. Full directions accompany each bottle. *Prepared only by* CHURCH & DUPONT,
